### Died.

On March 28th, 1898, death's angel visited the happy home of Mr. Walter B. Hobgood and summoned his beloved wife, Dulcie, (nee Brinkley), to appear on the right hand of her Saviour to whom she had for many years given her heart.

She was born and raised in Granville county, and was a member of Enon Baptist church Granville county, near her home. She was 30 years and 17 days old. She leaves five small children, four girls, the baby boy five months old. The angel smiled but once, and that was while he gazed upon an infant sleeping on its mother's breast, for there he recognized a face such as angels wear in Heaven. Toward Heaven he would have turned back, but for his unaccomplished errand. "God makes no mistake—sends forth no Angel on fruitless ministries," and the waiting angel saw God's tender mercies telegraphed upon the skies, and on the face of Heaven he read: "Bring her up higher." How gladly did he trun as with a yearning, loving breast He took the loving heart to His embrace. How it stilled and warmed and vitalized itself, and gained new hope and strength and Heavenly love, while it imbibed celestial echo from the Angels' veins, to dwell with her Saviour and little one gone with other loved ones before.

Dulcie was full of energy, industry and cheerfulness, ever ready to administer to the wants and necessities of others. Oh, how she is missed. How sad to hear her last call for loved ones to bid them "good bye," and "meet me in Heaven."

She was conscious to the last, knew the messenger, and asked if she was not dying. We sympathize with the husband and little ones, and pray God that their Searns may be drawn to Heaven.

The funeral was preached by Rev. R. H. Marsh, and her remains were laid in the cemetery near her home to await the resurrection morn.

C. Creath officiating. Promptly at the appointed time. The waiters, Miss Sallie Nelson with H. W. Davis, Miss Annie Ward with Thos. Nelson, Miss Willie Lee Nelson with J. B. Clement, Miss Flora Clement with Dr. N. C. Daniel, preceded the bride and groom to the centre of the large hall, and with a most beautiful ceremony, the officiating preacher pronounced them man and wife.

Immediately after the ceremony the bridal party wended their way to the groom's father, Mr. B. T.

Winston, where a sumptuous repast was served. The presents were numerous and costly. The writer wishes them a long, happy and prosperous life.

## WINE OF CARDUI FOR ALL WOMEN

NINE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement of the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

## McELREE'S Wine of Cardui

Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefited by it.

For advice in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."

### List Takers Notice.

The PUBLIC LEDGER is requested by the Chairman of the Board of Commissioners of Granville county to state that the List Takers, appointed in the several townships, must be in Oxford the first Monday in May, in order to get the necessary papers and blanks.

M. L. Xocam, Cameron, Pa., says "I was a sufferer for ten years, trying most kinds of pills, remedies, but without success. DeWitt's Witch Hazel Salve was recommended to me. I used one box. It has effected a permanent cure. As a permanent cure for piles DeWitt's Witch Hazel Salve has no equal." J. G. Hall.

### Democrats—Attention.

On next Monday, May 2nd, the election of a Mayor and seven Commissioners takes place. The voting place is the Mayor's office, in the rear of the Market House. Let every Democrat and every citizen of Oxford who has the interests and welfare of his town at heart go to the polls and cast his vote for the Democratic nominees.

It is a duty that you owe your town, yourself and your family. The PUBLIC LEDGER takes this opportunity of informing the people of Oxford that a movement is on foot to place our beloved town under Republican rule.

Expecting that 30 or 40 of the Democratic voters would be away, serving their country as members of the Granville Grays, they were planning to seize this opportunity to wrest the government of our town from the Democrats. And in furtherance of this purpose, they have registered every colored voter that could be found. The Democrats, however, have not been idle, but have registered about as many white voters. There is a safe white majority. Remember to vote next Monday.

### Cuban Ports Blockaded.

WASHINGTON, April 22.—The following proclamation in regard to the blockade of Cuba was issued at the State Department this afternoon at 2:40 o'clock:

BY THE PRESIDENT OF THE UNITED STATES—A PROCLAMATION.

Whereas, by a joint resolution passed by the Congress and approved April 20th, 1898, and communicated to the Government of Spain, it was demanded that said government at once relinquish its authority and government in the Island of Cuba, and withdraw its land and naval forces from Cuba, and Cuban waters; and the President of the United States was directed and empowered to use the entire land and naval forces of the United States, and to call into the actual service of the United States the militia of the several States to such an extent as might be necessary to carry said resolutions into effect; and

A BLOCKADE NECESSARY.

Whereas, in carrying into effect said resolution, the President of the United States deems it necessary to set on foot and maintain a blockade of the north coast of Cuba, includ-

ing all ports on said coast between Cardenas and Bahia Honda and the port of Cienfuegos, on the south coast of Cuba.

Now, therefore, I, William McKinley, President of the United States, in order to enforce the said resolutions, do hereby declare and proclaim that the United States of America have instituted and will maintain a blockade of the north coast of Cuba, including ports on said coast between Cardenas and Bahia Honda and the port of Cienfuegos on the south coast of Cuba, aforesaid, in pursuance of the laws of the United States and of nations, applicable to such cases.

An efficient force will be posted so as to prevent the entrance and exit of vessels from the ports aforesaid. Any neutral vessel approaching any of said ports, or attempting to leave the same, without notice or knowledge of the establishment of such blockade, will be duly warned by the commander of the blockading forces, who will endorse on her register the fact and the date of such warning where such endorsement was made, and if the same vessel shall again attempt to enter any blockaded port she will be captured and sent to the nearest convenient

Girls who have to stand on their feet most of the time work as hard as any day-laborer yet they do not get what is rightly called exercise. Close, confining, indoor occupation gives no exhilaration to the nervous system nor active circulation to the blood. It wears, tears and drags a woman's life away. The whole physical system grows sluggish and torpid under it.

No wonder so many sales girls and factory girls and housewives suffer from indigestion and constipation and bilious troubles. No wonder they are subject to the diseases of the delicate special organism of their sex. The wonder is rather that they can stand it as well as they do.

But "a poor weak woman," as she is termed, will endure bravely and patiently agonies which a strong man would give way under. The fact is women are more patient than they ought to be under such troubles. Every woman ought to know that she may obtain the most eminent medical advice free of charge and in absolute confidence and privacy by writing to Dr. R. V. Pierce, chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. Occupying this position for thirty years he has had a wider practical experience in the treatment of women's diseases than any other physician in this country. His medicines are world-famous for their astonishing efficacy. The most perfect remedy ever devised for weak and delicate women is Dr. Pierce's Favorite Prescription. His "Golden Medical Discovery" is the only permanent digestive and nutrient tonic. The two medicines taken alternately, form the most perfect and successful course of treatment ever prescribed for female troubles complicated with a sluggish, overwrought, nervous, diseased constitution. In severe constipation Dr. Pierce's Pleasant Pellets should be occasionally taken with the others. They never gripe.

port for such proceedings against her and her cargo as prize as may be deemed advisable.

THIRTY DAYS' GRACE. Neutral vessels lying in any of said ports at the time of the establishment of such blockade will be allowed thirty days to issue therefrom.

In witness whereof I have here-

unto set my hand and caused the seal of the United States to be affixed at the city of Washington, the 22d day of April, A. D. 1898, and of the independence of the United States the one hundred and twenty-second. WILLIAM MCKINLEY, By the President. JOHN SHERMAN, Sec'y. of State.
