There are many important enterprises for Oxford in contemplation, which will be announced probably in the course of a few weeks. The prospects for the industrial and material advancement of our city during this year are very bright—the brightest ever known here.

OFFICIAL PROCEEDINGS OF THE FARMERS' ALLIANCE

As Furnished by Publication Committee—Bright Tobacco Farmers Form a Special Permanent Organization.

OXFORD, N. C., Jan. 11.—The convention of the Farmers' Alliance and Industrial Union of the bright tobacco belt of North Carolina and Virginia met in the Opera House here at 11 o'clock, a. m., January 9th, and was called to order by Bro. W. T. Adams, president of the Granville County Alliance. Rev. Dr. R. H. Marsh offered a prayer. An address of welcome was delivered by Hon. R. W. Winston on behalf of the mayor and citizens of Oxford, and was responded to by Bro. J. B. Smith, of Caswell, on behalf of the convention. Mr. Winston's speech was very acceptable to the Alliance, and showed him to be a man of broad and liberal culture and well informed in regard to the great evils of monopoly in the days of the past as well as the future. Bro. Smith's response was well conceived and to the point. Adjourned until 1:30 p. m.

AFTERNOON SESSION.

An organization was effected by electing Col. George Williamson, of Caswell, N. C., president; T. Y. Allen, of Mecklenburg, Va., secretary, and T. B. Lindsay, of Rockingham, N. C., assistant secretary.

The convention then went into a committee of the whole to admit of a free discussion of the tobacco trust. Adjourned at 5 p. m.

NIGHT SESSION.

The convention re-assembled at 6:30 p. m. The following by-laws and declarations were adopted for permanent organization:

Profoundly impressed with the importance of protecting the tobacco interest, we, the members of the Farmers' Alliance and Industrial Union of the Bright Tobacco Belt of North Carolina and Virginia, in convention assembled, resolve,

- 1st, To labor together for the mutual benefit of the tobacco grower.
- 2nd, Realizing the importance of unity, we pledge ourselves to stand together.
- 3rd, That we will use every means in our power to defeat the purpose of any combination that operates to depreciate the price of leaf tobacco.
- 4th, This organization shall be known as the Bright Tobacco Farmers' Alliance and Industrial Union of the United States.
- 5th, That this Union shall be composed of three delegates from each county composing the Union.

The committee on resolutions offered the following:

Resolved 1st, That we do call upon every citizen of our common country to unite with us in our efforts to hurl from their seats in the halls of our State and National Legislatures all traitors to our liberties and industrial interest inalienably guaranteed to us by the founders of our government, and to fill their places with servants who will respect the laws of our country and the rights and liberties of its people.

2nd, That we fully approve of and endorse all bills introduced in Congress for the repeal of the tobacco tax, and demand of our representatives from North Carolina and Virginia, regardless of party interest, to press the same to an early passage.

3rd, That we do most heartily endorse the action of the St. Louis Convention in regard to the sub-Treasury

system. [Here follows that system, which it is unnecessary to repeat.]

FRIDAY MORNING SESSION.

The Friday morning session opened at 9 o'clock. After reading minutes of previous day, the election of officers for permanent organization occurred, with the following result:

President—W. C. Johnston, of Boydton, Mecklenburg county, Va.

Vice president—C. R. Scott, Chatham, N. C.

Secretary—T. Y. Allen, of Skipwith, Mecklenburg county, Va.

Chaplain—Rev. Dr. R. H. Marsh, of Oxford, N. C.

This resolution, offered by the delegates from Stokes, Rowan and Vance counties, was adopted:

Resolved, That it is the sense of this body that it is for the good of the order and the advancement of our cause that all Alliancemen patronize the Alliance co-operative warehouses and factories as established or may be established in the different tobacco markets.

The convention adjourned at 1 p. m., subject to call of the president. The delegates returned to their homes fully satisfied that the work of the convention will result in much good to the Alliance and all industrial classes.

They appreciated the cordial hospitality of the citizens of Oxford, who vied with each other in generous attention to them, and left with the kindest feelings towards the town and its citizens individually, who donated over \$4,000 to the Alliance of Granville county to assist in building an Alliance Warehouse here. This aid was accepted in the spirit in which it was tendered, and work will begin at once. An Alliance Warehouse was established in Oxford over a year ago, and has proved a complete success. The order has also located in this city a tobacco factory, manufacturing both plug and smoking goods, and which has been awarded a diploma by the North Carolina State Agricultural Society for the best package of smoking tobacco made in North Carolina.
