## NOTES OF THE DAY.

### THE LOCAL HAPPENINGS SERVED IN SHORT PARAGRAPHS.

**Minor Events, Retrospective and Pro-**  
**spective, Gathered About the City By**  
**Our Alert Reporters.**

This is regular night for drill of the  
Granville Grays.

Washington's birthday was not ob-  
served in Oxford.

The new postage stamps have not  
been placed on sale at the Oxford post  
office yet.

The Atlantic & Danville trains make  
connection with the Oxford & Clarksville  
trains at Clarksville.

The Oxonians bound for the New-  
bern Fair leave on the afternoon train  
south. About six or more gentlemen  
will compose the party.

Farmers visiting the city are carrying  
home with them lots of plant bog  
cloth. The work of raising another  
crop of tobacco has been commenced.

Mrs. Wm. G. Renn died at her  
home in Fishing Creek township yester-  
day at twelve o'clock, in the seven-  
ty-first year of her age. The funeral  
took place today at two o'clock.

A dwelling house, costing with lot  
about eight hundred dollars, rents for  
ten dollars per month. Good invest-  
ment that. There is a demand in Ox-  
ford for a number of such houses.

We have had more cold and  
rainy weather, but we are more fortunate  
than the northwest which has been  
visited by another terrible snow storm.  
Trains are again blockaded in Califor-  
nia.

John Young was before Mayor  
Smith this morning on a charge of lar-  
ceny preferred by Jim Hunt. There  
being no evidence against the accused  
he was discharged and the cost fell on  
Hunt.

The fight between the Richmond &  
Danville and Raleigh & Gaston Rail-  
roads over the track at Henderson was  
renewed today. A number of Oxford  
citizens were summoned to appear as  
witnesses at the trial.

It is not probable that Oxford will  
apply for admission into the proposed  
Inter-State Base Ball League, but our  
city will be called upon to furnish  
some of the strongest players in the  
League for other clubs.

Some of the members of the Gran-  
ville Grays, who joined when the  
company was re-organized, have ten-  
dered their resignation. Having served  
for five years they are, under the  
law, exempt from jury duty for life.

Would it not be well for our citi-  
zens to hold a mass meeting, and draw  
up a memorial to Congress asking that  
a public building be erected here and  
setting forth the need of such a build-  
ing? It might help Mr. Brower to  
secure that appropriation of one hun-  
dred and ten thousand dollars for this  
purpose.

### Two New Papers.

The young ladies of the Oxford Fe-  
male Seminary are trying their hands  
at journalism, and are publishing two  
papers—the *Seminary Advocate* and the  
*Glowworm*. They appear in manu-  
script, the editions being one copy of  
each once a week. They are read aloud  
in the school room on every Friday  
afternoons for the edification of the  
pupils.

That these papers are well-edited and  
highly entertaining we feel assured.

## THE LATEST NEWS.

### CAREFULLY SIFTED FOR THE BUSY READER.

The Newbern Fish, Oyster and  
Game Fair opened today.

The negroes didn't want Rev. T.  
M. Joiner as pastor of their church in  
the suburbs of Raleigh, and he was  
notified to leave. He left.

The latest from Rocky Mount, re-  
ported Saturday night: "Every-  
thing is quieting down and a feeling  
of ease and confidence is returning  
where two days ago all was chaos."

The Wilmington *Star* tells of a  
tragedy which occurred one day last  
week near Pate's, a station on the  
Carolina Central Railroad in Robeson  
county. Vicky Oxedine, a young  
woman belonging to the community  
of Croatans living in the Scuffletown  
section, was waylaid on the county  
road by the wife of Raspberry Oxedine,  
who fired at Vicky three times with a  
shotgun and inflicted wounds that it is  
thought will prove fatal. The woman  
who did the shooting was arrested.  
Jealousy is said to have been the cause  
of the trouble.

**IN A GENERAL WAY.**  
**Important Happenings in Other States**  
**and Countries.**  
Ex-President Cleveland delivered an  
address before the Southern Society, of  
New York, on Washington's birth-  
day, last Saturday.  
A fire at Richmond, Va., Saturday  
night destroyed the tobacco factories  
of Cameron & Co., and A. & G.  
Cameron & Sizer, and the building  
occupied by the Durham Fertilizer Co.  
The loss is estimated at \$250,000.  
The mulatto from Chatham county,  
N. C., James Gilbert, who is eight  
feet high, was married a few days ago  
at Scranton, Pa., to a young white  
woman, Givinnie Williams, whose  
height is four and a half feet. The  
bride was a member of the Salvation  
Army. Gilbert claims to have been  
born in Mexico, and to be of noble  
birth.

John Jacob Astor, the New York  
millionaire, died at his residence on  
Fifth Avenue Saturday morning, of  
heart failure. He was in the 67th year  
of his age, and was a grandson of the  
original John Jacob Astor, founder of  
the family fortune. His wife, who  
died about two years ago, was a Miss  
Gibbs of South Carolina.

A short while ago Dick Hawes, the  
Birmingham, Ala., murderer, made a  
confession and implicated a former  
friend. This friend was placed on  
trial and discharged because there was  
not a shadow of evidence against him.  
Now Hawes confesses that he is alone  
guilty of the murder of his wife and  
two children. He will be executed  
Friday.

Great disasters in China are frequent.  
News has just been received of a storm  
which swept along the coast on Janu-  
ary 24. Over a thousand fishing  
boats containing 4,000 fishermen,  
were swept out to sea. Nine hundred  
of these boats, with all the men on  
board, were lost. Funeral cere-  
monies for over 2,000 men have been  
observed. Whole villages are in  
mourning.

The Virginia House of Delegates  
has passed a bill requiring that in the  
reassessment this year of land and  
other taxables, the assessors shall indi-  
cate the race of each tax-payer. The  
object is to show the proportion of taxes  
paid by the negroes. During the last  
campaign some Democrats urged that  
the negroes should only be allowed for  
maintenance of their public schools,  
the proportion of school tax paid by  
their race. The scheme embodied  
in the bill just passed, if carried out,  
will furnish the data upon which the  
support of the schools would be based.

**Richmond Tobacco Market.**  
RICHMOND, Va., Feb'y. 22.—The  
market yesterday and today was very  
quiet on bright tobacco and very lit-  
tle was sold. Several large lots of old  
funked scrap have been sold and ship-  
ped away this week.

Buyers from interior markets have  
been here this week looking for old  
fillers. They are scarce and high.  
Dark tobaccos are more active and  
a considerable quantity has changed  
hands recently.  
With larger stocks of bright tobac-  
co we would have a much more active  
market, as the demand is good.  
**J. M. T.**

The sheriff of Choteau county, Mon-  
tana, has sold out, under a chattel mor-  
gage held by the New York Loan and  
Trust Company, 8000 head of cattle and  
450 horses, the property of a cattle com-  
pany organized six years ago by Russell  
H. Harriou. The president was one of  
the stockholders.

A remarkable passenger who arrived in  
Las Vegas, N. M., the other night was a  
little boy named Manuel Brazil, 8 years  
old, who came alone from the Azores in-  
lands, off the coast of Portugal, to meet  
his uncle, a cattleman who lives near  
Fort Sumner, and with whom he will  
hereafter make his home. The little fel-  
low landed in Boston, and from there  
went across the continent to Sacramento,  
Cal., and from Sacramento to Las Vegas.  
It was a wonderful trip for a child of his  
years, alone, and unable to speak Eng-  
lish to make, but he got through in good  
order.
