NOTES OF THE DAY.

**THE LOCAL HAPPENINGS SERVED
IN SHORT PARAGRAPHS.**

**Minor Events, Retrospective and Pro-
spective, Gathered About the City By
Our Alert Reporters.**
D.puty Sheriff Fos Rogers says taxes
are coming in very slow.
A number of visiting tobacconists
were on the market this morning.
The knowing ones say the fruit crop
of this vicinity will be short this year.
The Granville Grays have not yet
determined whether or not to go to
the unveiling of the Lee Monument.
Three negro swains each planked
down three dollars in the register of
deeds, office today, and received in re-
turn their marriage papers.

Dr. R. H. Marsh and Mr. J. M. Cur-
rin, the Oxford members of the
board of trustees of the Baptist Fe-
male College, did not go to the Wake
Forest meeting today.
Two pension applications were filed
in the register of deeds' office this
morning—one to Mrs. Francis Ward,
widow of Confederate soldier, and
the other to Mr. C. R. Thomason,
a veteran of the late war.

Information has been received here
that a negro man a few miles in the
country, who was bitten by a dog a
week ago, has developed symptoms of
hydrophobia. At times he barks and
snaps like a canine. His death is
hourly expected.

The Commonwealth Club appears
to have taken on a new lease of life.
The meetings every week grow in
interest and our citizens seem disposed
to buckle down to some hard work
for the up-building of Oxford. The
committees are attending properly to
their assignments, something they have
not always done heretofore, and it is
a good sign.

Durham and the Colleges.

Mr. E. C. Hackney, the editor of
the *Durham Recorder*, came over to
Oxford this morning. He tells us
that it is certain that the board of
trustees of Trinity College will de-
cide at their meeting today to locate
the College at Durham. It is his opinion
that the board of trustees of the Bap-
tist Female University, in session at
Wake Forest also today, will agree
either to locate that institution at
Durham or indefinitely postpone the
whole matter—the latter action
amounting to the virtual death of the
great female educational scheme.

The Heir May be a Granvillian.

The *News-Observer* states that the
Governor has received a letter stating
that a man named Archie Brinkley
died at Auburn, California, in Sep-
tember, 1886, and left considerable
property. He left a sister who is
supposed to be living in either North
Carolina, Virginia or Georgia, and
who is one of the heirs. There is
about \$1,000 of the estate which is
due her, and the administrator would
like to be put into possession of any
information concerning her. Mr.
Brinkley was a Confederate soldier,
and has lived in California about ten
years.
