

# THE DAY.

PUBLISHED EVERY AFTERNOON (EXCEPT SUNDAY) AT HERNDON BLOCK NO. 1.

H. W. KRONHEIMER, Editor.

Subscription: 10 cents a week. Furnished to city subscribers by carriers, who will make weekly collections. 40 cents per month if paid in advance.

Our advertising rates are very low—for one week, or six insertions, about the same as charged by weekly newspapers for one time. Having a thorough city circulation, and reaching daily a number of post-offices in this and surrounding counties, it is a splendid advertising medium.

Legal advertisements, such as administrators' and executors' notices, commissioners' and trustees' sales, summons to non-residents, etc., will be charged for at legal rates, except when they exceed a certain limit of space, in which case we reserve the right to fix our own price. All such business must be PAID FOR IN ADVANCE. The charge is very small and we cannot afford to take risks or wait the pleasure of persons to pay.

Entered at the Post-Office at Oxford as second-class mail matter.

OXFORD, N. C.

SATURDAY, AUGUST 30, 1890.

## DEMOCRATIC TICKET.

FOR JUDGE—FIFTH DISTRICT:  
ROBT. W. WINSTON, of Granville.  
FOR CONGRESS—FIFTH DISTRICT:  
A. H. A. WILLIAMS, of Granville.  
FOR SOLICITOR—FIFTH DISTRICT:  
EDWARD S. PARKER, of Alamance.

## Granville County Ticket.

For Sheriff.—JAMES A. CREWS.  
For Treasurer.—SOL W. COOPER.  
For Superior Court Clerk.—WILLIAM A. BOBBITT.  
For Register of Deeds.—ROBERT J. DANIEL.  
For Coroner.—JAMES A. RENN.  
For Surveyor.—EDWIN GREEN.  
For the Senate.—G. L. ALLEN.  
For the House.—W. T. ADAMS, J. F. COLE.

THE Democrats of Ohio have adopted a thorough Democratic platform, and go into the battle with colors flying. They declare, says the Philadelphia Record, for a tariff for revenue only, and denounce protective tariff as dishonest, wasteful and corrupting, crippling agriculture, retarding manufactures, creating trusts, destroying commerce and corrupting our lawmakers. They favor legislation for the suppression of trusts and of combinations to enhance prices; the free coinage of silver; and they denounce the Force bill and the Reed rules. The Democracy everywhere represents the great majority of the people and their interest, against the greedy Republican minority and their thieving, oppressive legislation.

THE recent Republican State Convention at Raleigh was a rowdy affair, but the conduct of its delegates was not so bad as that of the Republican Representatives in Congress a few days ago. At Raleigh rough language was used and the lie was given, but at Washington indecent wit was indulged in by the leader of the g. o. p. in the presence of ladies, and foul oaths were uttered and blows passed.

CHAS. H. MOORE will receive the votes of colored men who do not propose to allow Brower to insult them with impunity. They think that a man whom they have honored with a high and lucrative office ought to show some gratitude and at least treat them with respect. There are many hundreds in the district of this way of thinking, and they will express themselves with effect at the ballot box.

ENGLISH capitalists are endeavoring to buy the iron works of Pittsburg and the cotton mills of Rhode Island. Manufacturers control of the politics of the country now, and if the factories pass in the hands of these aliens, who will say that American independence is not in danger of coming to an end?

In eight weeks Oxonians can light the bonfires and give vent to their enthusiasm over the election of Representative A. H. A. Williams and Judge R. W. Winston.

THE Democratic convention for the eighth congressional district, at Le-

noir, did well. Hon. W. H. H. Cowles was renominated on the 147th ballot.

It is emphatically denied by the Greensboro North State that that paper has been sold to Representative Brower.

## The Republican State Platform.

Raleigh cor. Durham Globe.  
The convention adopted a platform which thanks congress for passing the silver bill and the president for approving it; deplores the action of the Senate in failing to pass the Blair bill and urges members of congress to secure the passage of a similar one; denounces the legislature for passing the present registration law; renews the demand for the repeal of the county government system; sympathizes with the farmers of the State in their efforts to secure relief; demands free elections and a fair count, and urges the passage of a federal election law; indorses the reciprocity views of James G. Blaine.

## What, Indeed?

Wilmington Star.  
If lard can raise such a rumpus in Congress, what would a whole, thoroughly-equipped hog do if it was turned loose?

## A Card.

OXFORD, N. C., August 27.—I take pleasure in declaring myself a candidate, and in doing so I most earnestly solicit the support of every one whether white or black, rich or poor, young or old; whether Democrat or Republican, Prohibitionist or independent; whether in favor of waterworks or what-not.

## TIDINGS OF GREAT JOY.

**DR. KING'S ROYAL GERMETUER**  
One fact is worth a thousand arguments, and Dr. King's Royal Germetuer demonstrates every day that it is making more cures than any other medical preparation in the world.  
A daughter of Mr. C. Jordan, of Atlanta, was cured of a serious case of stomach and bowel troubles.  
Mr. N. T. Johnson, of Atlanta, was cured of a long continued and severe case of catarrh which was sapping his life away.  
Mrs. M. Farmer, of West End, Atlanta, was completely cured of a ten years' case of inflammatory rheumatism.  
Rev. A. B. Vaughn, Canton, Ga., was cured of facial neuralgia, also of a liver and kidney trouble of many years standing.  
Mrs. T. S. Pelet, of Atlanta, had been an invalid 14 years, but Germetuer cured her.  
Mrs. W. F. Herndon, Atlanta, Ga., suffered with acute catarrh. One bottle of Germetuer freed her from this dreadful disease.  
A daughter of F. T. Brosius, of Atlanta, had tried every known remedy for aggravated dyspepsia. Two bottles of Germetuer cured her.  
Mr. Lewis Bennett, Atlanta, Ga., had been afflicted with indigestion for 20 years, complicated with diarrhoea. Three-fourths of a bottle cured him sound and well.  
Thousands of voluntary certificates testify to the remarkable curative virtues of Royal Germetuer. It builds up at once, woos "nature's soft nurse"—restoring sleep, stimulates the appetite, aids digestion, soothes the nerves and insures good health. For weak women, clerks, bookkeepers, milliners, stenographers, housewives, etc., it is the nonpareil of all remedies. As a blood purifier and a tonic for ailing tonic it is without a rival. It is pleasant to take as a beverage without sugar; is a scientific discovery, and cures diseases by removing the cause. It makes one feel like a new man, and per se, a full particulars, would cost money, etc.  
For sale by druggists and by KING'S ROYAL GERMETUER CO., ATLANTA, GA.
