GREAT VICTORY!

Old Granville Swings Into the Democratic Columns.

THE ENTIRE TICKET ELECTED.

The Grand Old County Redeemed by an Average Majority of 300--Radicalism Buried so Deep that it Will Never Rise Again--Immense Gains in Oxford Township.

Good for Old Granville County!

The Democrats have made a clean sweep--elected every man on their ticket by handsome majorities!

We've got 'em!

The DAY made that remark a week or two ago, and has repeated it several times since, and rises with enthusiasm to remark once more--

We've got 'em!

This county has been one of the Republican strongholds. Brower carried it two years ago by 203 majority.

It is swing corners this time, and the Democrats go in with majorities ranging from 300 to 600. The vantage ground we have gained we will hold. You can bank your capital on that!

Granville is Democratic from now on!

The election in Oxford yesterday was the most quiet and orderly ever held here--or anywhere else. There were no fights, no disturbances, no quarrels, no arrests for drunkenness.

Throughout the county there was the best of behavior at the polls, with the exception of one or two personal difficulties of no great consequence.

The Democrats put in hard work at every precinct. They worked from early dawn until night. Very nearly the whole party strength was polled. Quite a number of colored men turned their backs square upon the Republicans, and voted the straight Democratic ticket.

There were big Democratic gains in every precinct, but the biggest were in Oxford township. Taking the Williams' vote as a basis, the Democrats gained 203 over Brower's majority of two years ago.

We give on this page the returns from Granville up to the hour of going to press. Sassafras Fork, it is learned non-officially, gives Williams 19 majority. Williams has carried Granville by 283 majority, a gain of 486.

Although the vote for Surveyor and Coroner does not appear in our table, B. E. Green and J. A. Renn, Democrats, respectively are elected to those offices. Their majorities are about the same as other Democratic county candidates.

The majority of Capt. F. S. Parker, Democratic candidate for Solicitor, and the Democratic judicial ticket, is about 300.

The most unanimous vote of all was that for Cooper for Treasurer, in Berea precinct--108 to 0 for Herndon, his competitor. Cooper's majority in the county will be about 600.

MCKINLEY PROBABLY ELECTED.
CANTON, O., Nov. 4--Democrats now concede McKinley, Stock, Wayne and Moore counties and have little hope of carrying Holmes county, and unless Holmes gives Warwick 2,000 majority McKinley is elected.

LITTLE LOCALS.

The Minor Events About the City Served in Short Paragraphs.

Hi. Henry's Minstrels at the Opera House tonight.

J. M. Currin had the misfortune last night to lose by death a very valuable horse.

Our friend, the Republican enemy, are like the little boy the calf ran over--they have nothing to say!

Wesley Y. Jones said last night: "I have been a Republican all my life, but I christened the Belltown polls today with a Democratic vote, and hereafter I am a Democrat from the soles of my feet to the top of my head." That's the right kind of talk! Some others who have been affiliating with rads ought to come out of the wet also.

Everybody is going to see Hi. Henry's Minstrels tonight. It is one of the very finest troupes ever in Oxford. The press in all sections of the United States praise it very highly. The North Carolina newspapers say it is first-class in every respect. Everything bright, new and clean--positive nothing will be said or done to offend anyone.

The Democratic headquarters, over F. N. Day's store, was crowded last night with excited and happy people. The returns were scored on a large blackboard as fast as they came in, and the good news evoked enthusiastic yells. Dr. E. T. White, chairman of the county executive committee, and most of the Democratic candidates, were present, and received warm congratulations from their friends. The crowd remained up until four o'clock this morning.

INDIANA.

CHICAGO, Nov. 4--A special to the Herald from Indianapolis, states that Indiana has gone Democratic by 20,000, and that one Democratic Congressman has been gained.

Parties wishing to purchase Iron Safe will save money by calling on J. F. Edwards. He is agent for Macneal & Urband's Iron Safes.

Hi. Henry's Minstrels.

Hi. Henry's Minstrels arrived in the city this morning from Durham, where they played last night to an immense house. They came in their own palace car, the most elegant car ever seen in Oxford.

At about twelve o'clock they gave a street parade, and their fine appearance and splendid brass band made an excellent impression.

This troupe has a solid financial backing. It is an old organization, a favorite in the big cities and is composed of shining lights in the minstrel profession.

It is not every day in the year such a theatrical attraction is offered here.

Admission 25, 50 and 75 cents. Get reserved seats at J. G. Hall's drug-store.

Richmond Tobacco Market.

[Correspondence of THE DAY.]

RICHMOND, VA., Nov. 3.--Our market was so dull last week that it was hardly worthy of a report; the entire sales of bright tobacco for the whole week hardly footed up what would be considered a good days work. Manufacturers are buying very sparingly and order men are doing nothing. Light shipments usually follow light sales. At any rate this has been the case recently and our stock for several days past has been increasing.

The first sale of new West Virginia bright tobacco occurred to-day. The quality of the offerings was very disappointing. Prices (considering quality) were very good. It looks as if old tobaccos will be very dull from now until after 1st January.

VIRGINIA.

It is very probable that Virginia will elect a solid Democratic congressional delegation. So far as heard from, the Democrats have made great gains in the Norfolk and Petersburg districts, the only two at all doubtful.

TILLMAN SOLID.

CHARLESTON, Nov. 4.--The total vote of the State to day will not exceed 75,000. Tillman is elected by not less than 25,000 majority. The election has been absolutely devoid of incident or excitement. Neither whites nor blacks were enthusiastic, and thousands absented themselves from the polls, many because they had no registration certificate, and many more because they couldn't vote for Tillman, and wouldn't vote for Haskell. The negroes having no regular ticket in the field, declined to choose between the Democrats.
