VICTOR HUGO IN EXILE .- This distinguished

M. Victor Hugo's softs are both journalists,

of good reput, but prefer to share their father's

exile rather than return to France, which they

are at liberty to do if they would only recog-

nize the existing regime ; but of this however,

there is not the remotest probability .- The el-

der son has recently been contributing under a

feigned name to the feuilleton of one of the Pa

is papers, and he is now in treaty with one of

he proprietors of La Presse for a romance to be

published in the pages of that paper. The

younger son is engaged in translating the com-

plete works of Shakspeare, whose poems he

has already presented to his countrymen in

Those inviacible br others, the Pen and the Press.

T. B. KINGSBURY, Editor. F. K. STROTHER, Proprietor.

OXFORD, THURSDAY, OCT. 28, 1858. R. R. HUDNALL is our authorized Agent to re cave subscriptions from those who may desire to take The Licitur's Hour.

CLUBS.

As we are very anxious to make our pape four columns larger at the expiration of the first six months, we have concluded to offer the following inducements to Clubs :

& copies of The Leisure Hour for one year, \$8

men. The money to be paid invariably in This arrangement is to go into effect after this day April 22d, 1858.

Death of Dr. Wm. M. Johnson.

the Sons of Temperance.

as large congregations as we have ever seen in and louder waxes the mormurs of the people. this place.

Own MERCHANTS .- We have neglected to call the attention of our country readers to the very large and admirably selected Stock of Goods, embracing every variety and style, which 'our enterprising friends Messrs. Cooper & Williams, have suported this season. We have taken pleasure in examining their assortment, and we can truthfully pay them the compliment of saying, that we do not remember to have seen in this place, at any time, a more extensive varied and judiciously selected stock. Nor i this an unmeaning puff. (Reader, entre nous, puffs don't exactly pay in these parts.) We have served an apprenticeship of some eight one, with a Hall above. Whi do not the Coni- tom of the well, took the child in her arms ears in the mercantile line; and hence speak "by the book," But really, this establishment can exhibit for your inspection a stock that can not well fail to please you. Give them a call, and no doubt you will be pleased with the prices. styles, etc. Messra. Herndon & Landis and Hunt & Brothers of whom we have had occassion to spends formerly, have also large and handsome assortments, and are doing a "driving" busi- for October, ably edited by Dr. Edward Warren. ness. Their success is a guarantee of their has been received. We should think from the ability to please. They keep time to the gingle table of contents, that it is a publication that of the "nimble sixpence."

The Jurvey.

finished making a survey of the county. He appearance (if that alone were to be considered) has divided the county into regular Common School District. This was all very proper. We take occassion to say that Mr. P. is a very successful surveyor, as may be gathered from ographical Notices, Practice, Surgery, Midwifethe fact that the Committee to award the job, gave it to him. He has the latest and most Becord, Editorial and Miscellaneous Matter, improved instrument now in use-the only one Published Bi-Monthly at Edenton, N. C., at \$3 in fact (unless it be the transits used by Engi- per Annum in advance. neers) by which a truly accurate survey can be made-and having selected through choice the profession of a land surveyor, we have no doubt persons requiring his services can have the work performed in a satisfactory and correct manner, Try him.

Choice Jewelry.

This goodly town has been our home since we were a tiny boy, and we take a pride in ev ery thing that adds to its looks or conduces to its prosperity. It therefore pleased us much when upon atepping into the establishment of our friend Lyncu, we beheld with enraptured eyes a display of brilliant, beautiful and costly Jewelry. T. L. has really eclipsed himselfthat is, his splendid and large stools of Jewelry has. Let every one visit his establishment Me has a wonderful show-case-five feet long and composed of one pane of glass, which is so thick that three men may sit upon it without damaging it --- a wonderful show-case; that ! He has a very extensive assortment of Specta- of Art. cles, and he says he is certain to suit every one that applies for glasses, whether young, middle aged or old. So call upon bins all ye what stand in need of " helps to read."

Fine Tobacco.

The Tobacco on exhibition at our late Cour ty Fair was the subject of general comment. Every judge of the "weed " in its natural state. pronounced these specimens incomparably suomion to any they had ever seen. The fact is Grannille is a long distance ahead of any coun-ty in the culture of this staple. If our farmers Kent, England, in November, 1922. weste to " goal cure " their crops there is no telling how high the prices would range. They requently get any way as high as \$50, by curing it in the usual way. The fashion of " conl anring " is ruinous to the taste of the " weed," The Virginia papers have been recently agitating this subject, for it is impossible to get a suitable article for chewing, in these parts, although the light colored tobacco brings the said, by Paris letter-writers, to be a mastermost enormous sums. Granville then, can piece of the calligraphic art. It is engrossed

beat the world in the "natural weed."
