

THE MORNING CLARION.

Democratic at all times.

SATURDAY - - APRIL 22, 1876.

DISTRICT CONVENTION.

A Convention of the Democratic-Conservative voters of the Fourth Congressional District will be held in the city of Raleigh on Tuesday the 13th day of June next, for the purpose of nominating a candidate for Congress and a Presidential Elector, and selecting two delegates to the St. Louis Convention. A full attendance is earnestly desired. Each county will be entitled to one vote for every one hundred votes and fractional part over fifty given for Merrimon in 1872.

By order of the District Executive Com.
H. A. LONDON, JR., Chairman.
March 31st, 1876.

TO WORK.

It will be seen by reference to another column that the Democratic Executive Committee of this County has made a move. This is right. The time for nominating candidates for Governor, Lieut. Governor, members of the Legislature, &c., is near at hand. The record our opponents have made for themselves in the management, or rather, *mismanagement*, of the different departments of the Government, County, State and national is such that all patriots should combine to expel them from power by voting solidly for the Democratic ticket.

The Radical party has had lease of power long enough and has misused that power conspicuously enough to call down on its head the rebuke of the best men of both political organizations. Its abuses and corruptions are unprecedented in the history of political parties. And now is a fit juncture for the Democratic party to organize and harmonize in such a manner as to exhibit its greatest strength and then defeat its opponents by majorities of such overwhelming significance that they will not again have the effrontery to set up their claims for the support of the American people.

THE EMPEROR OF BRIZIL.

Dom Pedro, the II Emperor of Brazil, has arrived in New York.

He was attended by the Empress, ex-Minister of State, Vice Admiral and many other distinguished officials. He desiring it, there was no disparity at his reception. We extend to him a cordial invitation to visit Oxford.

The Cincinnati *Commercial* announces a shower of ham and eggs at Arcanan, Ohio, as an off set to Kentucky's shower of hash. Just listen at that fellow, now! Why every time we have a high wind we have a shower of sandwich is here.

N. C. CONDENSED.

Peach trees in Rutherfordton and adjoining counties are re-blooming. Rev. DeWitt Talmage will lecture in Raleigh in June. Dr. C. L. Hunter is making arrangements to write a history of this State. The Presbyterian church in Charlotte has a new \$1,000 organ. Goldsboro rejoiceth at the abundance of fruit in that vicinity. A gentleman in Stanly county, while digging last week found a basket filled with gold and silver coin. Damage to wheat in Cabarrus is greater than at first thought to be. Scarlet fever is raging in Perquimans county. Wilmington is infested with burglars. Charlotte has silver currency. Iredell county farmers are busy preparing their crops. W. H. Wood, of Nash county, has a peacock 32 years old.

NEWS BOILED DOWN.

There are ten widowers in the U. S. Senate. A negro in Greenville, S. C., has a canary bird that stands on its head when commanded. They utilize Sundays in France by holding elections on that day. Grant has vetoed the Presidential salary bill. Indiana Democrats nominate Hon. Jas. D. Williams for Governor. The Algerian insurrection has been crushed. 1,000 coolies landed in San Francisco last Tuesday. England declines to extradite Winslow. Norfolk truckers expect to ship green peas in about 25 days. Mexico is all ablaze with revolutions. Coffee is very animated and prices are advancing in South America. A panic prevails in Paris.
