IN THE BANK
EVERY WEEK

THERE is no doubt about money in the bank, it is sure and positive. Maybe slow, but there is the satisfaction that it is sure. Positive in every way, both that it will grow, and that it is safe.

NATIONAL BANK OF GRANVILLE,
Oxford, North Carolina.

E. T. WHITE, President. H. G. COOPER, Vice-Pres.
W. T. YANCEY, Cashier.

TO THE MIDWIVES OF GRANVILLE COUNTY.
Oxford, N. C., Jan. 29, 1912
The Granville County Board of Health has passed a law that all midwives in the County shall be required to obtain a license from the County Superintendent of Health before attending any woman in child birth in the capacity of a midwife after March 1st, 1912.
The superintendent will promptly issue a license to any midwife who will make application to him. There is no fee attached to this license, it will cost nothing nor is it intended to raise revenue or put money in any officers pocket, but solely for the purpose of obtaining statistics as required by the Government.
Every midwife is required to report the birth of every child that is born where she officiates within 10 days of the birth of the child.
Every violation of these laws will be a misdemeanor and will be punished by a fine of not less than one dollar nor more than five dollars.
Blanks will be furnished each applicant on which to make the above report as soon as she makes application for license or registers her name with the County Superintendent.
S. D. BOOTH,
Supt. Health Granville County.
