By direction of the Granville County Democratic Executive Committee, the undersigned hereby calls a ballot-box primary for the selection of nominees for the Democratic party for the various county and township officers and a member of the House of Representatives for Granville county, to be held at the several polling places in the county on SATURDAY, JULY 20, 1912, between 1 p. m. and sundown, said primary to be held under the following rules and regulations:

- 1. Any person desiring to become a candidate in said primary shall signify such purpose by filing notice of his candidacy, either orally or in writing, with the Chairman or Secretary of the County Executive Committee not later than July 12, and before his name shall be placed on the ticket shall pay the fee required as his pro rata part of the expense of conducting such primary. 2. It shall be the duty of the Chairman and Secretary of the County Executive Committee to prepare and forward to the poll-holders in each precinct ticket on which shall be printed the names of all persons who have filed notice of their candidacy for the various county and legislative offices and who have paid the fee as above required and such ticket shall also have one blank space underneath each office to be voted for and five such blank spaces underneath the names of the candidates for County Commissioners. 3. At each polling place three boxes shall be prepared by the poll-holders for the reception of tickets, in one of which the votes for township constable shall be placed, in one the votes for delegates to the county convention shall be placed, and in one the votes for member of the House of Representatives, Sheriff, Register of Deeds, Treasurer, Coroner, Surveyor, and members of the Board of County Commissioners shall be placed. 4. The voter shall signify his choice for the respective offices by erasing the names of all but five of the candidates on the ticket for County Commissioners and all but one of the candidates on ticket for each of the other

offices, or by writing in name or names of such person or persons as he may desire to vote for in the blank space or spaces provided and by erasing the other name or names on the ticket.

5. It shall be the duty of the precinct executive committee or such other Democrats as may so desire to provide tickets for delegates to the county convention and for township constable.

6. The primary in each precinct shall be conducted and held by two poll-holders to be appointed by the chairman of the County Executive Committee upon recommendation from the several precinct executive committees.

7. At the primary on July 20 each precinct shall select the number of delegates to the county convention to which it is at present entitled under the plan of organization, which number for the several precincts is as follows: Dement 3, Bell Town 3, Wilton 7, Grissom 3, Creedmoor 6, Wilkins 4, Stem 5, Geneva 4, Howard 3, Beren 2, Oak Hill 3, Buchanan 3, Bullock 2, Stovall 3, Salem 3, North Oxford 9 and South Oxford 8.

8. In voting for delegates to the county convention each voter shall have the right to vote for double number above provided for at each precinct and the requisite number receiving the highest number of votes shall be delegates and an equal number from each precinct receiving the next highest number shall be alternates.

9. The poll-holders shall take down in writing the names of all voters who participate in said primaries at the time of voting and shall send a certified list of said names to the county chairman with the returns from said precinct.

10. Immediately upon the conclusion of the voting at each precinct the poll-holders shall open the boxes and count the ballots cast in the presence of such Democrats as may choose to be present and shall certify the result under their hands upon blanks to be provided by the county chairman for that purpose, which said returns shall then be sent by the first mail or by some other safe means to the county chairman.

11. On Wednesday July 24, the returns from the various precincts shall be canvassed, tabulated and the result of said primaries ascertained by a committee composed of the chairman and secretary of the County Executive Committee, B. F. Hester, D. A. Burwell and N. G. Crews. This committee shall meet in the commissioners' room in the Court House at 11 o'clock on said day in the presence of such Democrats as may choose to be present, and in case this committee shall ascertain that any candidate has received votes sufficient to give him a majority of the delegates to the county convention, then such result shall be certified by them to the county convention under their hands with a statement of the votes received by each candidate voted for for such office.

12. In case this committee shall ascertain from said returns that no one of the candidates for any office has received such majority, then and in that case a second primary shall be held on SATURDAY, AUGUST 3, 1912.

In the second primary the ticket shall contain only the names of the two candidates receiving the highest number of votes for such office in the first primary and no votes for any other candidates shall be counted in such second primary. Said second primary shall be held between the hours of 1 o'clock and sundown on said day and shall be governed by the rules hereinbefore and hereinafter provided. In case either of the two highest candidates voted for for any office shall not desire to enter a second primary, such primary shall not be held, but the other candidate shall be declared the nominee.

13. A County Convention composed of delegates elected at the first primary is hereby called to meet in the Court House in Oxford on SATURDAY, AUGUST 10, 1912, at 12 o'clock M. for the purpose of ratifying the action of the primaries and of transacting such other business as may properly come before it.

14. In tabulating the vote cast for various candidates both in first and in second primary, each precinct in the count shall preserve its present relative strength as set out in paragraph 7 hereof and each candidate shall receive such proportion of the vote from each precinct as the votes cast for him bears to whole number of votes cast at such precinct for all the candidates voted for at such precinct for the office for which he is a candidate.

15. All Democrats who are or will be entitled to vote in the November election and who intend to support the nominees of said party in the County, State and Nation are entitled to and are invited to participate in these primaries.

16. The pollholders at the several precincts shall have the right to decide whether any person has the right to vote in the primaries; provided, that no man shall be prevented from voting unless both pollholders agree in deciding against his right to vote; provided, further if any person shall be challenged on the ground that he is not a Democrat, it shall be sufficient if such such person shall pledge himself not to vote against the nominees of the Democratic party in County, State and Nation in the general election for the year 1912.
