A Contrast.

Now that Governor Kitchin is appealing to the farmers to support him in his race for the United States Senate it is well that they scrutinize the Governor's record.

their minds. They remember the passionate appeal he made to them four years ago. He promised them that he would stand like a stone-wall between them and the menacing corporations.

The demagogic agitation of Governor Kitchin is anything but pleasing to the intelligent farmers in this generation and time. As a class they never direct and positive statements, which have the ring of prosperity and Democratic harmony.

Judge Clark's Speech. Judge Clark fired the first gun of his campaign for Senator at Greensboro last Tuesday night. The Judge criticized the record of both his opponents, but seems to have been the most severe on that of Gov. Kitchin.

Judge Clark avoided personalities in address, but sharply criticized what he described as the do nothing records of both Governor Kitchin and Senator Simmons in public office.

Simmons Brings Suit.

There is a little paper published at Shelby by the name of The Highlander, which claims to be an independent paper with a Republican editor.

I wish to employ you to at once institute criminal and civil proceedings against both the writer and the publisher of this slanderous charge.

Stimulates Road Building.

The plan for State aid to good roads does not mean that the State shall build roads, but lend its assistance and credit to counties which are willing to help themselves.
