OXFORD, N. C., SATURDAY, NOV. 16th, 1912.

We are glad to see that Presidentelect Wilson has put his foot down on cabinet makers. This is a matter to be determined, he says, only after deliberate and mature consideration and counsel and not by the gossip of the politicians.

Woman suffrage is coming along slowly. It won Tuesday in four of the five States where it was submitted to the voters. These four States, Michigan, Kansas, Oregon and Arizona, will more than double the number of female voters in the United States.

Col. Al Fairbrother, editor and publisher of Everything, spoke a parable in his last issue, thusly: 'The good roads question should be settled in the next four years. There is a field for all statesmen, and the statesmen who is big enough to force the issue in Congress will be immortal."

The National Guard Association of the United States will be in session at Norfolk December 2 and 4, and Gov. Kitchin, acting through Adjutant General Gordon Smith, has appointed delegates on the part of this State to the Convention. The delegates are Acting Adjutant General Smith, ex-officio, General B. S. Royster, Oxford; Capt. S. C Chambers, Durham; Captain F. L Black, Charlotte; Capt. I. H. Kearney, Franklinten.

Democrats should get together all themselves now that the party has been overwhelmingly entrusted with power. Already we see that a fight led by W J Bryan is to be made on Senator Simmons to preyent him from becoming Chairman of the Finance Committee of the United States Senatc. Bryan tried to defeat his nomination for the Senate in the primary just closed, and we confidently believe he will win out in the Senate as he is the great leader of tariff reform.

Vote in Congressional Districts in the State.

In the ten Congressional districts in North Carolina with figures obtainable Senator Simmons polled 80,000 votes. Gov. Kitchin ran second with 46,016, and Judge Clark third with 15,383. The closest of the districts were the first and the second, the home of Governor Kitchin once being in the second, now the home of Congressman Claude Kitchin. They varied but a trifle from

a thousand either way. In the first, Simmons leads Kitchin 1,237 and in the second Kitchin beats Simmons 1,035. In the third, the home of the Senator, he has a majority of 5,359 over both, and in the fourth his majority is 79 over both of his oppo-

The Kitchin district, the fifth, gives the Governor 2,624 over both opponents and in the sixth, without Brunsclear majority of 3,465. In the seventh Simmons runs ahead of both oppouents 4,201, and in the eighth, without Watauga, Simmons has 4,607 over the other candidates. In the ninth, the majority over all is 4,099 ward tenth, without Polk, there is the big
