

NOBLE LADY PASSES AWAY

Mrs. Rebecca Hobgood Is Stricken Down With Paralysis.

Mrs. Rebecca Hobgood, one of the best women of Enon section section, died at her home Wednesday morning at 5 o'clock from the effects of a second stroke of paralysis. She suffered the first stroke of paralysis two years ago, from the effects of which she never fully recovered. The deceased was about 74 years of age, and "Aunt Rebecca," as she was familiarly called, will be greatly missed. Mrs. Hobgood was a member of Enon Baptist church, and was greatly beloved for her many Christian graces. Truly, a good and noble woman of Israel has fallen upon sleep.

Mrs. Hobgood was a woman of strong character and decided executive ability. Left a widow in 1884, with eleven children to rear and educate, she entered upon the task with a brave heart and willing hands. Under these conditions and responsibilities she displayed unusual courage and business ability of a high order. Her management of the estate left by her husband was business-like and profitable, and after bestowing upon her children the care of an affectionate and devoted mother, and giving to them educational advantages, the estate left by her husband has been largely increased in value.

As a neighbor and friend she was respected and beloved and her sterling Christian character has made a lasting impression upon the community in which she lived. Devotion to duty and faithfulness in all the relations of life were her leading virtues and her splendid example is worthy of emulation. A good woman, who did her part well, has gone to her final reward. The surviving children are: Mrs. John Elam and Mrs. Annie Whartman, of Mecklenburg county, Va.; Mrs. S. T. Hunt, Mrs. Jeff Averett, Mrs. C. W. Knott, Mrs. P. W. Knott, Mrs. Carl Piper, Mrs. W. W. Devin, Messrs. M. B. Hobgood, W. B. Hobgood and S. C. Hobgood, Sheriff.

The funeral took place from the residence of the deceased at 2 p. m. Thursday, Dr. R. H. Marsh conducting the ceremony, a large number of relatives and friends from Enon section and Oxford being present to pay their last tribute to the memory of the departed. The floral tributes were a mark of the high esteem in which the deceased was affectionately held. The remains were laid to rest in the old Hobgood burial grounds at Crawford Knott's.

The following were the active and honorary pallbearers: Active—Messrs. Taylor Hobgood, D. C. Frazier, Oscar Yancey, Len Knott, Josh King, Will Landis, and Otho Daniel. Honorary—Gen B. S. Royster, J. M. Phipps, B. F. Hester, W. C. Currin, J. P. Mize, E. H. Pruitt, Duke Currin, J. T. Daniel, B. F. Dean and Roy Badgett. Messrs. Upchurch & Currin had charge of the interment.

Mammoth Clearance Sale.

Cohn & Son have put on a clearance sale for ten days, and everything in stock is offered at a substantial reduction. It is a policy of this very reliable merchant firm not to carry goods over to another season on any pretext; therefore their merchandise must be sold in the season for which it is intended, and in doing so they disregard cost and former prices. The sale is made necessary to clear room for the spring stock when it begins to arrive. They have marked down each and every article to a price that in most instances is incredulous. Look at the adv. of Cohn & Son on the last page of this paper, which means money in the pockets of every man, woman and child who participate in this clearance sale. "The more you buy the more you save" applies to this sale.

The Clock is Ticking Again.

The electric time clock over the door of the National Bank of Granville has been overhauled by Mr. E. A. Patterson, of the Standard Electric Time Clock System, Springfield, Mass., and we may hope that no one in the future will have any excuse for being late at church. Situated at the head of Main street, the most conspicuous place in Oxford, the clock is a great advantage to the multitude. The farmer can tell the hour to depart for home; everybody will know when to pay their just debts; the servant girl will be on time and everybody will know when supper is ready. The bank has gone to considerable trouble and expense to supply the public a reliable clock, and we are assured that in future this clock can be relied upon to give accurate time. We congratulate the National Bank of Granville for their enterprise and public spirit.

The Outcome of a Jest.

After consulting Mr. A. H. Powell, a member of the Executive Committee of the Fair Association, we learn our information as to Fair Association authorizing an appropriation of \$5,000 for land purposes is the outcome of a jest, and having the interest of the Fair at heart the Public Ledger took the joke rather seriously. We are glad to say the Board of Directors did not authorize the purchase of any land, certainly not at any such exorbitant prices as was mentioned in a jesting manner. The Public Ledger stands ready to aid in the up-building of the County Fair, and the matter is a serious one, even if it is a matter of business.

BIG FIRE IN CREEDMOOR.

The Hustling Little Town Sustains a Loss—Will Build Better and Stronger.

Fire broke out in the back of the Wagstaff-Lyon Company, Creedmoor, Wednesday morning between 4 and 5 o'clock. The alarm was given by a passing pedestrian who saw the flames and shortly the entire population of Creedmoor was on the scene ready and willing to aid in fighting the fire. The entire block, which was composed of wooden buildings, occupied by the First National Bank, Allen's barber shop, Wagstaff-Lyon Company, Dr. Sanderford's office, Creedmoor Drug Company, and the postoffice were destroyed. The entire amount of damage being estimated at \$13,000.

The heaviest loss was suffered by the Wagstaff-Lyon Company, over \$4,000; the next heaviest, Creedmoor Drug Company, \$2,000; First National Bank, \$1,000; Dr. Sanderford's loss is estimated at \$100; barber shop loss at \$200; postoffice loss at \$100 and Mr. Pender Cozart's loss at \$100. The buildings, all of them being wooden, is estimated at over \$6,000. All of the losers are partly insured, still the loss falls heavy.

No one knows how the fire originated as one building was already in flame before discovered. The buildings occupied by the various firms belonged to Dr. J. F. Sanderford, Mr. D. P. Wagstaff and to the First National Bank.

The fire was the first large one in the history of Creedmoor, and came at a time when the little town was on a substantial boom. We sympathize with them in the loss sustained by the fire and the temporary blow to their progress and industry, but like all thriving towns, they will build stronger and better.

Bright Tobacco Land for Sale

I offer for sale 141 1/2 acres of land located in Panther Branch Township, Wake county, 12 miles south of Raleigh, 7 miles from Garner and 5 miles from McCollers, convenient to the tobacco markets at Fuquay Springs and Apex and also in easy reach of the Smithfield Market. The greater part of the land is rather light and is suitable for growing the best grades of bright tobacco, as well as corn, cotton, fruit and all other products usually grown in this climate. The land is just rolling enough to be naturally drained, and there is not an acre of waste land on the tract. There is plenty of good pasture land, a good orchard, two good wells of water and one tobacco barn, but no dwelling house. About 30 acres cleared, but about half of this is growing up in bushes. There is on the tract about half million feet of one and short leaf pine timber ready for cutting and a good saw mill almost within a stones throw of it. This will make it easy to build just such houses as are wanted. It is on a public road about 400 yards from a public school, convenient to several churches, in a good neighborhood, and a healthy location. Price \$3,500 cash, or if preferred I will take half cash and balance Jan. 1, 1914. The timber as it stands is worth about half the price of the tract. Persons desiring to see it may come to Smithfield and I will take them over on automobile free of charge. For further information call on or write to J. C. STANCLIL, Smithfield, N. C.
