The Board of County Commissioners met on Monday with all the members present, Chairman B. I. Breedlove, H. C. Floyd, J. N. Tilley, Z. W.

Mr. J. B. Powell, the efficient clerk, read the minutes of the last meeting, which were approved.

Commissioner B. I. Breedlove, who has so acceptably acted as chairman during the sickness of Mr. J. P. Stedman, and owing to the vacancy created on account of his death, was

unanimously elected chairman. Geo. Daniel, colored, was exempted frcm polltax, and also granted rebate on polltax for 1913.

Miss Sallie Thomasson was granted admission to the County Home.

Chairman Breedlove was appointed committee to meet the supervisors in Oak Hill township to investigate the Holloway mine road.

The following road is hereby declared a public road—leading from J. D. Williams to Fairport, provided it is to be no cost to the county for road bed or for any damages.

J. M. Tillotson was exempted from road duty for one year from date. Mack Tanner, colored, was allowed

G. E. Rogers was exempted from

polltax for one year. Engineer Kiker was instructed by the Board to locate the road leading from Hester to or near E. B. Roberson's pack barn.

It was ordered that the road known as the Shoo Fly road be built under the supervision of Engineer Kiker, the road to be built on force account, and if this method of construction is unsatisfactory the county can discontinue said work.

The clerk was ordered to settle with the estate of R. T. Moss for Mr. John Roycroft, of Northside, road bed damages and soil at \$28.50. Mr. W. L. Spoon, the National Highway Engineer, appeared before the Board in the interest of the link of National Highway which will pass through Granville, and made some admirable suggestions to the Board along good roads line, and was listened to with pleasure by the Board. Mr. Spoon takes an abiding interest in Granville and wishes her to have some of the good things in the roads line while they are going.

### CLEAN UP ELMWOOD

I beg to say to the citizens of Oxford that the 7th, 8th and 9th days of May, the same being Thursday, Friday and Saturday of the present week, have been set apart and are hereby designated as clean-up days for the old and new cemeteries.

You have, no doubt, noticed that these cemeteries are in bad condition that the weeds and broom-scdge have taken possession and have rendered these places unsightly.

I hereby call upon every owner of a plot in either cemetery to go or send someone on the days set apart and clean up his or her plot. Cut the weeds and put the same in good repair. The town carts will haul away the rubbish. I know that you Mrs. Frank Bullock, of Stem was will be glad to do this and that this

notice is all that will be necessary. I not only call the owners of plots to clean them up, but I earnestly request every citizen of Oxford, who can possibly do so, to aid in this work by going or sending someone to help put these places in proper T. G. STEM, Mayor.
