POSTOFFICE DEPARTMENT MAK-ING MONEY

The secretary of the treasury a few days ago received a check from Postmaster General Burleson for \$3,500,000,000, representing the surplus in the revenues of his department for the fiscal year which ended June 30, 1914. For the fiscal year of 1913 the postal revenue surplus was \$3,800,000, which also was turned over to the treasury. In acknowledging the receipt of the check Secretary McAdoo said these payments were the first representing surpluses made by the postoffice department since 1836.

DEATH OF ALMA WILKERSON

On Saturday evening about half past six o'clock God in his mercy saw fit to remove from earth the beloved daughter of Mr. and Mrs. Howell Wilkerson. She did not stay with us in this lonely world but four years and thirteen days. O, what a hort while little Alma spent with us, but her face was of joy to her father to the best of my knowl and mother and also her sisters.

She was born February 21, 1911, and then she was taken with whooping cough which caused her death March 6, 1916. She leaves behind to mourn her death a dear mother and father and three sisters. Do not grieve after her for God knows best and has called her to do his work on tho urest;
