BERLIN PAPERS MAKE FAVOR-ABLE COMMENT

man policy upon before Dr. Ger-

note to Germany, ha sissued another statement declaring that the note was materially revised following the presentation of his resignation. The revision, Mr. Bryan avered, softened the note, but was not sufficient to justify him in with-

ant change. I had no knowledge of Saturday morning someone sent in this change at the time my resigna- always on the alert, responded

The concluding paragraph of Wilson's late note to Germany is as follows:

"The government of the United States deems it reasonable to expect that the imperial German government will adopt the measures necessary to put these principles into practice in respect of the safeguardships, and asks for assurances that is will be done."

A Tribute to Wilson. In a two-column tribute to President Wilson, Alfred G. Gardiner, editor of the London News, says:
