Revival Meeting Closes
The revival meeting which closed at the Methodist church here last Thursday night resulted in nine additions to the church and a revival of the membership. Rev. M. D. Hix, the pastor, was assisted in the meeting by Rev. W. C. Martin, of Durham. No abler minister has been heard in this community in many years. Mr. and Mrs. Mack Roberts of Lillington are visiting relatives on Route one. Miss Lucy Hardee left Monday for Winston-Salem where she will enter the Salem Moravian College.

High School Opens
Stem High School opened Monday with 120 pupils. A goodly number of patrons were present at the opening exercises. Appropriate addresses were delivered by Prof. Clayton, Dr. Hardee and Mr. J. B. Mayes.

Personals
Mr. and Mrs. Gad Rogers, of San Francisco, are on a visit to relatives in this section. Miss Sallie Batts, of Washington, is visiting her friends, Misses Ella Hall and Reda Umstead of Route 1. Mr. A. B. Cozart, is the guest of his parents, Mr. and Mrs. W. S. Cozart.

Mr. L. Meadows of Culbreth, who has been seriously ill for sometime is improving. Messrs E. L. Jones and J. E. Duncan were Oxford visitors Monday. Mrs. P. R. Hardee was a Durham visitor Monday.

Death of Mrs. Rosa Averitt
On last Saturday afternoon Mrs. Rosa A. Averitt, died at her home in Mount Energy section in the 55th year of her age. For the past year she has suffered with incurable disease, cancer. At times she suffered agonies of pain, but she bore her suffering with a patience that has been likened unto Job, by one who knew her in her affliction. In the days of her girlhood she took Christ as her Saviour and united with Tally Ho Baptist church, and later transferred her membership to Pleasant Grove where she was a member at the time of her death. Her Christian life bore witness for the Christ whom she delighted to serve. Mrs. Averitt was the daughter of the late William Daniel of Tar River section and leaves behind to mourn her loss, a husband, three children, mother, four brothers and four sisters. The funeral was conducted from her home Sunday morning at 10 o'clock by her pastor, Rev. J. L. Martin, and interment made Sunday afternoon in the Elijah Averitt burying ground. A large concourse of people were present to pay their last tribute of respect to this good woman. May the Great Comforter console the bereaved ones.

Death of Mrs. C. D. Edwards
On last Friday morning, Mrs. C. D. Edwards died in the Watts hospital in Durham where she had been for treatment for several weeks, she was in the 64th year of her age. She was prior to her marriage Miss Ann Latta, and was the daughter of the late Henderson Latta, of this county. Mrs. Edwards early in life made a profession of religion and united with Moore's Methodist church. A few days before her death she told friends that she was ready to go and willing to commit her soul to the keeping of the Master. The remains were brought here Friday afternoon and taken to the William Stem burying ground where in a grove near by, the funeral services were conducted by Rev. Q. C. Davis, pastor of the Baptist church of East Durham. Mrs. Edwards is survived by one sister, and a number of neices and nephews. The esteem in which she was held was attested by the goodly number of people present.

Sick unto death, Mrs. Nannie Cockrell of Durham said she could die content if she could spend a few minutes with her mother, Mrs. M. A. Basden, of Kinston. Mrs. Cockrell was taken to Kinston and died ten hours after reaching her old home. She was 44 years old and leaves three children.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on a Sluggish Liver and You Lose a Day's Work

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and cannot salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, head ache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

J. G. Hall recommends Dodson's Liver Tone to take the place of calomel.

As the result of a protest from Gaston county, the corporation commission has reduced from 10 to 5 per cent the proposed increase in the real estate assessment in that county. Other protesting counties will now get busy and the corporation commission is in for a hard time.

Salem News Notes.

(Correspondence of the Public Ledger)

The farmers in this section have all finished curing tobacco, and have most all their feed stored away.

The nice little rain we had Sunday afternoon was certainly refreshing to everything.

Quite a number of our people are attending regular the big tent revival at Tabb's Creek Church this week. Rev. Raymond Browning seems to be expounding the message to the people right straight along.

Rev. Mr. Eliout, of Asheville visited at the home of Mr. and Mrs. F. M. Adcock the first of the week. He will enter Wake Forest college this term.

Miss Eugenia Crews left this Friday for Louisburg college where she will enter as a pupil.

Several of our young ladies were Oxford visitors the past week.

Mr. S. A. Wimbish of Greensboro, visited Miss Florence DeMent the first of the week.

Mr. M. Ponder of Mars Hill College visited Miss Ruby Adcock the latter part of the week.

Quite a number of our boys and girls have already left for school in different parts of the State.

We are indeed glad to learn that Miss A. Daniel Marrow, of Bullock section continues to improve. She has been one of our Salem Public School teachers.

Mrs. Carey H. Parham has been seriously ill for several weeks and improves very slowly indeed.

Salm Public School opened this Monday morning. The bright little girls and boys are still coming in.

We are indeed sorry to learn of the death of our friend, Mr. Buchanan of Knotts Grove section. Let us all live a good and pure life so as to meet him some future day in the Great Beyond.

STORIES ABOUT OLD PEOPLE

John Sell, of Columbus, Ohio, although 94 years old, is the champion walker of his county. A hike of 12 miles a day is nothing unusual. He ascribes his fine physical condition to walking.

Abel Cartwright, of Peabody, Kan., celebrated his one hundredth birthday by driving his own automobile and carrying his relatives and friends about the country. The centenarian is still in good health and enjoys driving his car.

L. H. Gorrell, of Allen county, Kan., 92 years old, spends his winters in the open hunting and trapping. He says he keeps young living outdoors and exercising. Mr. Gorrell has never touched tobacco and never tasted intoxicating liquors.

Edwin E. Fisher of St. Paul is 100 years old and hale and hearty. "How do you account for your longevity?" he was asked. "Temperance," he said. "There are more dangers from overeating than overdrinking. I have never done either."

John Wanamaker, Jr., son of Rodman Wanamaker, has been named as defendant in a breach of promise action for \$100,000. Miss Lucille Storer of Philadelphia is plaintiff.

Seed Corn Selection Day

October 9th has been set aside by the demonstration workers as seed corn selection day. This has been done in order to show what differences in yield can be obtained when the plant can be studied and seed selected from the best ones over the old method of going to the barn and selecting the largest ear.

The matter of seed selection in the field is very simple and every farmer should give the matter due attention by going to the corn field or seed patch before the corn is harvested. Selection should be made from the best and most prolific stalks. The stalk should be large, flattish and big enough to stand up during a storm, but should not be too tall. The leaves should be long and broad. The stalk should bear two or more ears. The seed should not be selected from stalks which are growing on exceptionally rich soil or under exceptionally good conditions as this is not the average and the seed will not respond with the same yield. The stalks selected should be growing on land of average fertility, under average conditions but which produce more than the stalks around them. The seed thus obtained will show an inherited tendency towards a higher yield. The ears should not be too high on the stalk—about 2 1/2 feet being the best height.

The 3-year-old daughter of Mr. and Mrs. Jos. S. Place of Louisburg, ran out to meet her mother, who was coming home from a drive, ran in between the buggy wheels was knocked down, stepped on by the horse and died in two hours.
