

FOR WILSON MEMORIAL

North Carolina Women to Organize to Honor President's Wife.

Mrs. R. J. Reynolds, State president for North Carolina of the Ellen Wilson Memorial, is making plans for the organization of committees of leading women of the State for the purpose of raising funds for the permanent memorial to the wife of President Wilson. It is hoped to have the movement indorsed by the State Federation of Women's Clubs, the Daughters of the American Revolution, the United Daughters of the Confederacy, the Colonial Dames, Church Societies, and other social and patriotic orders of women, as well as by individuals, and not only their endorsement, but their active co-operation in the movement.

The movement of the memorial, although it originated in the South, is national in its scope, and it is expected that before long women all over the country will be working for it and will make it one of the greatest enterprises of the sort ever undertaken by the women of this country.

To Educate Mountain Youth.

When the matter of a memorial to Mrs. Wilson was laid before the President last summer by Mrs. B. I. Hughes, of Rome, Ga., the town in which Mrs. Wilson was educated, suggesting that Mr. Wilson advise the form the memorial should take, he wrote expressing his appreciation and stating: "My own judgment would be that it would be best to raise a fund which should be an endowment, the interest of which should be used to pay the way through school of mountain boys and girls, because I know that this is what Mrs. Wilson would have done if she had had the means and opportunity. She was paying for the education of several herself from year to year. It might be called the Ellen Wilson Fund for the Christian Education of Mountain Youth."

THE STATE FAIR

To Be Held in Raleigh Week of October 18-23.

Replete with many new and brilliant events that have never before been included in Fair Week festivities, the great State Fair of 1915 seems destined to eclipse any of its predecessors.

Many and wonderful are the free attractions headed by the most spectacular aeroplane stunt shown in America. Captain Worden, the man Colonel Roosevelt praised for his dar-

ing, will give a realistic exhibition of an aeroplane attacking a fort. From a height of two thousand feet he will hurl real high explosive bombs on a solid fort below. The fort will return the fire until it is demolished in a cloud of smoke and dust. It is a vivid touch of real warfare. Besides this, there are many other splendid attractions including Cotton's Comedy Donkeys, the Skating Bear, The Human Loop, the loop fifty feet in mid air, etc.

A new feature of this year's Fair and one that is sure to prove one of the best, is the grand Floral and Industrial parade under the direction of the Raleigh Rotary Club and the review of the National Guard by General Young and Staff.

For the agriculturalist there will be the competitive County Exhibits, made up of blue ribbon winners from the county fairs, boys' and girls' corn clubs, poultry clubs, tomato clubs, and pig clubs. Another new feature which will add interest to this, is the motion pictures exhibit of the treatment of the diseases of cattle and poultry, furnished by the United States government.

For the mothers, there is the Better Babies' contest under the direction of the Woman's Club of Raleigh. This is but part of the scores of things that should bring you to the Fair—October 18-23. Begin to plan your trip now and be sure to go.

The Carteret Literary Society Order was called by president Gooch, after which followed roll call and appointment of Robert Parham, Gus McSween and Lloyd Dorsey as judges, on the afternoon of Friday, September 17th. The minutes of the last meeting were read and the debating began in earnest and was long, also very warm.

Query: Resolved—That the majority of the movies are not educational. Affirmative: Clyde Gooch, William Webb, James Ballou, and Ernest Hunt. Negative: Henry Shaw, Earle Hunt, Sam Hall and George Hunt. The Affirmative won.

President Gooch said goodby to the society as he has decided to go off to school. He will be succeeded by vice-president Henry Shaw. E.H.

Tobacco Statistics

The monthly forecast of the department of Agriculture estimates the tobacco crop of 1915 at 1,120,000,000 pounds, as against the August estimate of 1,083,000,000 pounds and the condition as 80.7 per cent., against 79.7 per cent. on August 10, 1915, and 71.4 per cent. on September 10, 1914.

Minor Warehouse FOR HIGH PRICES

We are glad to say prices on all grades of tobacco have advanced since opening day.

Some grades are selling several dollars per hundred higher than at first. Common smokers and low grade fillers are as high as last year. The better grades of primed tobacco are also selling well.

The Imperial Tobacco Company is Now on the Market and Col. Ballou, who always buys a big percent, is buying his full share.

Bring your next load to the Minor Warehouse; make it headquarters at all times. Our place is as good as the best and high as the highest. We all propose for old Oxford to stand as heretofore, head of HIGH prices. Don't forget you will find me at the MINOR and I will do my utmost to get for you highest prices and perfect satisfaction.

Yours to Serve,

I. W. Mangum, Prop.

OUR GROWTH

A STRICT adherence by the officers to sound and conservative banking principles, liberal treatment of customers, prompt and courteous service regardless of the size of the account,

*Are the Reasons for the
