

THE NEWS IN OUTLINE

Severe cold and snow and sleet, North and West.

Four men were killed and three injured by a saw mill boiler explosion near Salisbury, Md.

There have been reports that Germany offered a separate peace to Belgium and this was refused. The Belgian legation at London says the report is not true.

Bitter feeling against United States army engineers because of published statements attributed to them that reports of distress in the flood districts of Arkansas had been exaggerated, is expressed by people in the flood district, who say there is much distress.

The South Carolina Legislature has passed a bill providing a chain gang sentence, without a fine, for selling liquor in that State. The penalty provided is six months to two years for the first offense, with a penalty of one year to five years for each subsequent offense.

Edward V. Murphy, official reporter of the United States Senate, completed Saturday 56 years of continuous work in that capacity. He began his labors in 1860, long before the days of typewriters, and reported the trial of the assassins of President Lincoln. Mr. Murphy is 73 years old.

Mrs. Robert Struthers is the only surviving woman member of the company that played "Our American Cousin" in Ford's theatre, Washington, on the night of April 14, 1865, when Abraham Lincoln was assassinated. Mrs. Struthers, whose maiden name was Jeannie Gourley, played the part of Mary Meredith in the comedy drama. She lives in Montclair, N. J.

President Wilson has definitely given up the idea of making an extended Southern trip to speak for preparedness. He told Senators and Representatives who invited him to various cities that he might later make a few speeches but at present would not make another trip to any part of the country. The President thinks his services are needed in Washington.

EAT A SQUARE MEAL AND NOT FEAR INDIGESTION

There are hundreds of people in Oxford who are not the least bit surprised when they read in the Public Ledger that J. G. Hall is selling Mi-o-na on a guarantee to refund the money in case it did not relieve. This remarkable dyspepsia remedy will relieve the worst case of indigestion, headache, dizziness, or the general played out condition that afflicts every one suffering with stomach trouble. Mi-o-na does not simply relieve, it aims to cure.

J. G. Hall can tell you of many well known people in this city who this remedy has restored to health, often after they have tried many other methods of treatment with little or no benefit. No other dyspepsia remedy has made so large a percentage of cures as Mi-o-na. It is so large that J. G. Hall stands ready to refund the price to any customer whom it does not help.

The best kind of advertising is the praise of a pleased customer, and there are hundreds in Oxford today praising Mi-o-na because it does what it is advertised to do. A few months ago they could eat nothing without wondering what the result would be. Since using Mi-o-na, they eat what they want and when they want with no fear of suffering. 19-26

CLEANSER YOUR HAIR MAKES IT BEAUTIFUL, THICK, GLOSSY, WAVY

Try This! All Dandruff Disappears
And Hair Stops Coming Out.

Surely try a "Danderine Hair Cleanser" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

All of the 82 midshipmen at Annapolis who were recommended for dismissal because they failed on their mid-season examinations will be permitted to resign instead of having the blot of expulsion from the service against their record.
