 Mr. and Mrs. Lonnie Evans were the guest of Mrs. G. W. Royster Sunday.
 Mr. and Mrs. Samuel Davis of Clarksville motored over for a few hours a few days ago.
 Mr. Hamilton Woltz of Raleigh is on a visit to his father, Mr. Arthur Woltz. "S."

THE COST

First Year War Expenditure \$17,500,000,000; Second Year \$28,000,000,000
 (Wall Street Journal)

Total military expenditures of all the belligerent Nations in the first year of war was \$17,500,000,000 and in the second year to August 1, 1916, will be \$28,000,000,000, according to figures compiled by the Mechanics & Metals National Bank. For every month over which hostilities are prolonged there is expended a sum of approximately \$2,750,000,000, according to the bank, which says, "the effect of the consequent enormous demand for capital, to be consumed without economic profit, is a matter of vital concern to the American people, as well as to the people of the Nations engaged in the present conflict."

"Not only because of its effect upon the purchasing power of Europe when peace returns is the war a matter of interest, but also because of its share in determining the price that the world's available supply of capital will command, eventually, and because of its share in determining the relative position of the world's financial markets. The war, then, is of importance to the United States, economically, for these reasons:

1. The degree of strain that it imposes upon the resources of each of the combatants.
2. The possible permanent effect upon the world's price of capital.
3. The opportunity offered for favorable investment of American capital in foreign securities.
4. The opportunity offered for widening America's influence, financially and commercially.

"If the war cost \$45,000,000,000, it will represent a sum three times greater than the entire capitalization of the railways of the United States, and four times greater than the total deposits of all our National banks. It will represent a sum six times greater than that expended in our Civil War. It will represent forty times the amount of the present National debt of the United States, 120 times the cost of the Panama Canal, 500 times the amount of the annual American gold output. Direct cost of the Franco-Prussian War, in 1870-71 was not greatly in excess of \$3,000,000,000. Direct cost of the Russo-Japanese War was \$2,500,000,000, of the South African War \$1,250,000,000.

"Advances, or loans, by the strong Powers to the weaker belligerents and to neutrals, have been well up to \$3,500,000,000. Figures from English sources indicate that Russia has in this manner received \$1,125,000,000. Italy \$675,000,000, Belgium and Serbia \$875,000,000. Turkey and Bulgaria has received perhaps \$700,000,000. Great Britain's special loans to her Allies and to neutrals will have been approximately \$2,375,000,000 by August 1, according to figures prepared in England.

The Busy Town
 (Gastonia Gazette)

With three cotton mill buildings to go up at once together with the tenant houses and other structures that go with them, a seven-story bank building, two new \$25,000 school houses and scores of residences in course of construction. Gastonia, it can be truthfully said, is a "busy town;" or city if you please to call it such.

Culbreth News Items

(Correspondence Public Ledger)
 We are glad to see such pretty weather, but wish it would rain.
 Mr. and Mrs. Sam Jones, Mr. and Mrs. W. T. Currim were Oxford visitors Monday.
 Miss Kathlyn Jones returned last week from Henderson where she has been visiting her aunt, Mrs. W. W. Parker. She was accompanied home by her grandmother, Mrs. Wm. Bowling.
 Mr. Josie Currin and sister, Miss Willie Mae visited Tar River Sunday.
 Mrs. Sam Jones and Mrs. Wm. Bowling visited Miss Ella Hall last week.
 Wonder why Mr. Josie Currin didn't get his new buggy before a certain school teacher left this neighborhood?
 Mr. and Mrs. E. N. Clement and Dr. E. B. Meadows were also Oxford visitors Monday. B. E.

Surl News Notes

(Correspondence Public Ledger)
 Last week we had frost and some of us were wearing overcoats, but this week are sweltering and wearing straw hats. Good straw hats are in demand in this section, and as we do not see any advertised in the Public Ledger the people get them in Durham. [Hello, here, our merchants have as good hats as you will find anywhere, but they are slow to advertise.]—Editor.
 There is right much building going on in this section.
 The farmers have planted right much corn. Don't forget to plant that mellow patch, as it will come in mighty nice about the first of August.
 There have been a great many "blind robbins" sold in this section and they are very nice with a slice of bacon.
 There is a decided scarcity of tobacco plants in this section. The farmers will have to divide with each other. They will do that cheerfully, no doubt. There will not be more than two-thirds of a crop planted here this year.

OXFORD ASTONISHED BY SIMPLE MIXTURE

Oxford people are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL removes such surprising foul matter it relieves almost ANY CASE constipation, sour stomach or gas. Because Adler-i-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. J. G. Hall, druggist. ad

CALOMEL DYNAMITES

A SLUGGISH LIVER
Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.
 Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.
 If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.
 J. G. Hall recommends Dodson's Liver Tone to take the place of calomel. adv.

The United States has sent another note to Great Britain demanding the release of the 38 Austrians, Germans and Turks taken from the American steamship China by a British cruiser off Shanghai.

After May 1st. Ice Tickets Will Be as Follows:
