

STOVALL NEWS NOTES

(Correspondence Public Ledger)

Personal Items

Miss Jessie Perkinson of Oxford is a pleasant visitor to our town this week.

Miss Mary E. Fullerton of Orange, Va., is the pleasant guest of Miss Lillie Wilkerson and Mrs. W. S. White this week.

Mr. and Mrs. C. C. Heggie left for Richmond where they will spend several days this week.

Mr. M. S. Satterwhite of Oxford was a pleasant visitor to our town last Thursday.

Miss Sue Wilkerson has returned to her home near Virgilina after a two weeks' visit here in our town.

All of our teachers have returned home after a very successful year of teaching.

Miss Mary Younger is spending several days in Oxford visiting friends.

Mr. C. L. Lewis has had his residence newly painted and porches built.

We had a small shower of rain last Tuesday. This section will come up short with plants as some have only enough to plant out their crop, while others have scarcely any.

We are very grateful to our God that we haven't any sickness in our town at present.

Narrow Escape

Mr. W. A. Barnes while sawing last week had a narrow escape of losing his eye as a saw tooth flew out of the saw and striking him on the ball of his eye. He was at once taken to Dr. Hays for treatment and he now thinks his eye will soon be all right again.

Memorial Day Observed

Memorial day was observed here. Rev. J. S. Kennerson spoke in the Dickerson Hall, he made an impressive talk to all and said it was as little as we could do to place a flower on our loved ones' grave. After the impressive address we marched by the drum step; the Veterans in front, Boy Scouts, then the primary grade dressed in Indian suits, then the whole school and the citizens of the town. After soldier's graves were decorated with Confederate flags and flowers each grave was then decorated with U. S. flags and flowers, then a prayer by Rev. Kennerson and the march was extended to the Baptist church where the same was done to each grave there and a closing prayer. The Boy Scouts deserve much credit as they remember the dead as well as the living.

Choir to be Organized

There will be a choir organized here soon and we extend to all a cor-

dial welcome to join. It will benefit every church here and we do hope all that can sing will take a part in it as it is a part of the service and its your duty. Nothing helps any more than good singing so when the time is set to meet, please be present.

MANY IN OXFORD TRY SIMPLE MIXTURE

Many Oxford people are surprised at the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. This simple remedy acts on BOTH upper and lower bowel, removing such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-i-ka is astonishing. J. G. Hall, druggist. adv.

Mr. Hartness' Candidacy

(Asheboro Courier.)

The fact that the candidacy of Mr. J. A. Hartness for Secretary of State is steadily growing in all parts of the state is gratifying. The people are learning more of Mr. Hartness and the more they learn as to the type of man he is the more they will be for him. Mr. Hartness is well thought of by all who know him. He has at all times stood for the best interests of all the people, and it is not surprising that as they learn more of him they are rallying to his support. His life has been one of service to his fellow-man, and he has given a lifelong service to the cause of Democracy. He is what might be called a self-made man and has accomplished much by hard licks and has cut his way up. His private and public life is without spot or blemish and he is generous to a fault, unselfish, always helping others. He is a fighting Democrat, fights with hard licks and honest efforts, but never resorts to unfair methods. Mr. Hartness should be nominated for Secretary of State. Do not forget to vote for him June 3d.

It makes some people tired today thinking about the work they have to do tomorrow.

All things come to those who wait, but it takes a lifetime to prove the truth of this.

The easiest thing in the world to make is a promise. Also the easiest thing to break.

No matter how well you cover up your faults, someone is pretty sure to dig them up.

Even the golden rule may prove that it's a poor rule that won't work both ways.

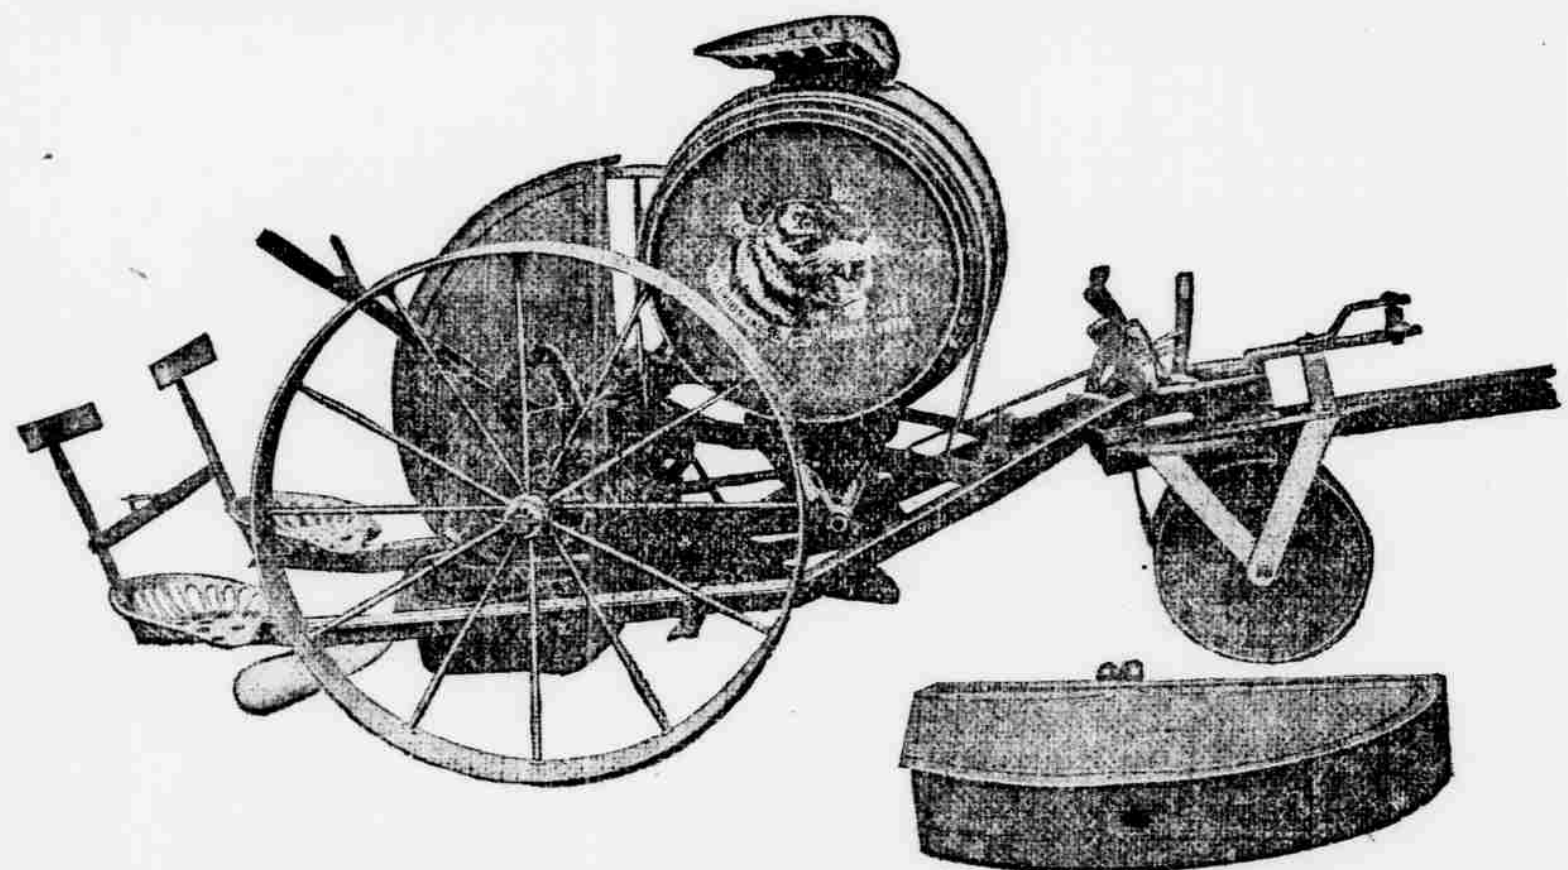

The people who make hay while the sun shines are not apt to make trouble when it rains.

Many a man's wits have been sharpened by rubbing up against the rough edges of life.

It is always much easier to take things as they come than to say good-by when they go.

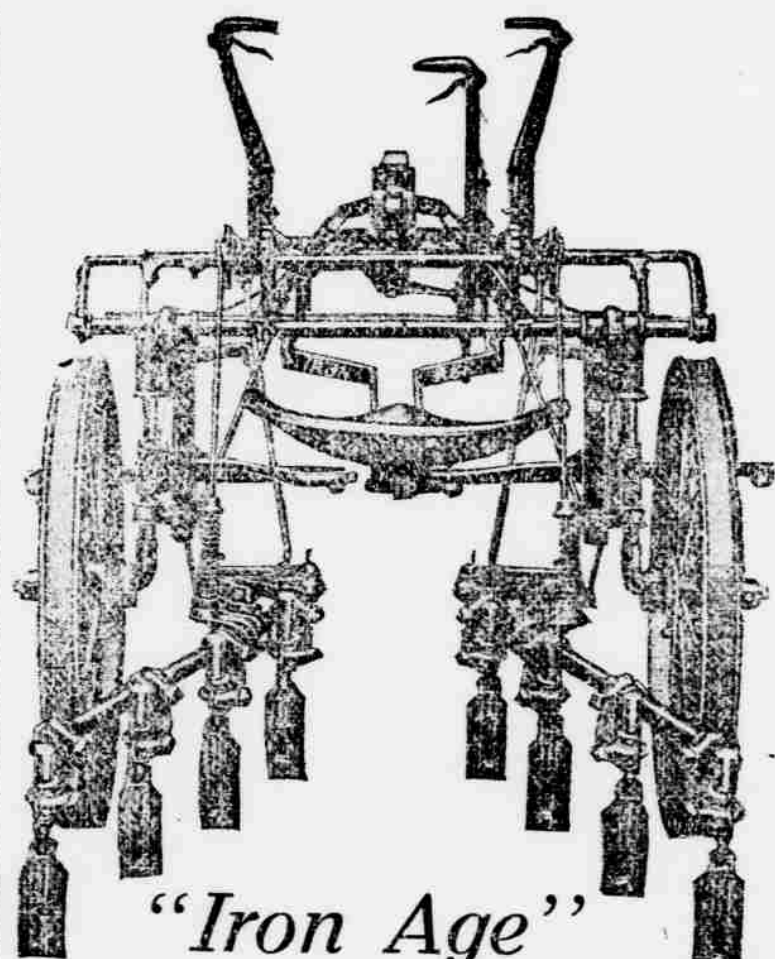

The man who borrows trouble must expect to have some difficulty in getting out of debt.

No, Maude, dear; there is no similarity between a suit of mail and a letter carrier's uniform.

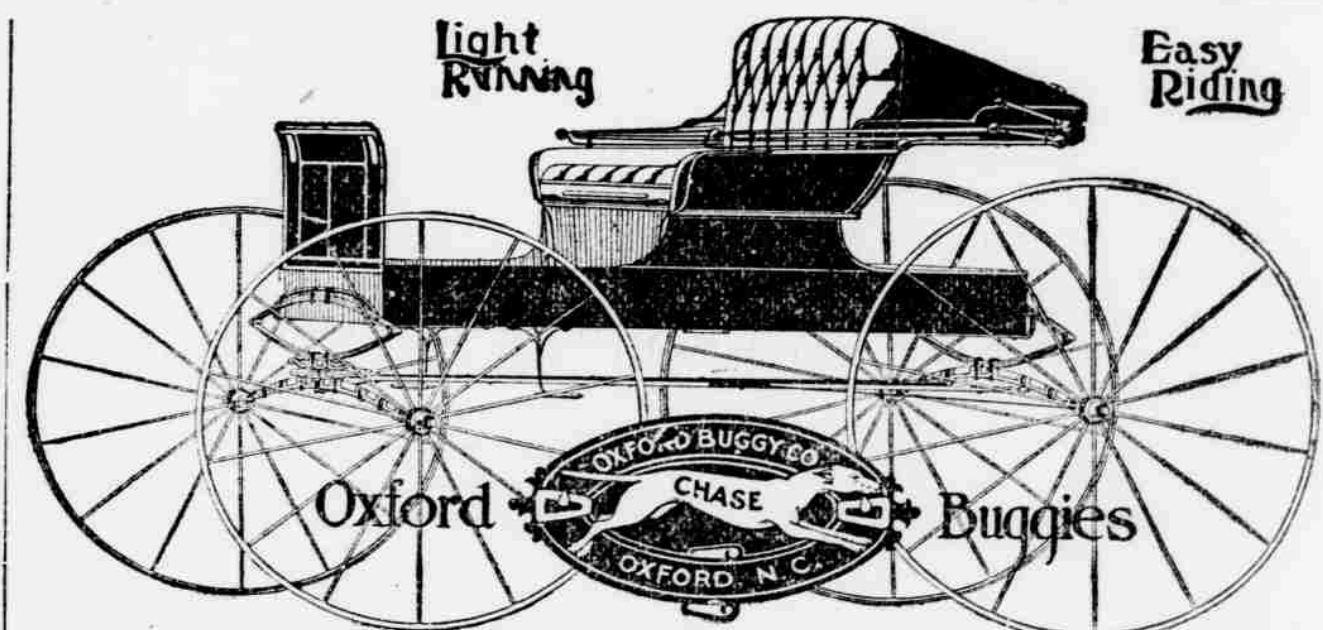

DON'T WAIT FOR RAIN!!

This transplanter will water and set your Tobacco Plants and plants will get good start and be growing while others wait for showers. A greater per cent of the plants will live and start growing than if set and watered by hand. Let us show you why. These transplanters are good investments and there isn't a better transplanter made. **The price is reasonable**
