PUBLIC LEDGER

Six-Sixty-Six **OUR STEM NEWS LETTER**

This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

SENSE Ice Box which holds 50

pounds of ice. It has two sec-

tions, one for ice, the other for

anything you wish to put in it.

We will furnish you this Box for

\$5.00 (exactly what it cost us)

and will ice it FREE the first time.

We have one in our office and will

be glad to order for all who wish

Oxford Ice Co.

them at once.

(Correspondence Public Ledger) **Personal Mention**

Mrs. D. S. Reid of Winston-Salem, is visiting her brother, Mr. J. H. Gooch. Previous to her marriage she was Miss Allie Gooch and is always welcomed to our community by the host of friends she made while living in this section.

Death of Mrs. Luetta Duncan On Saturday afternoon at 5 o'clock at her home near Berea, Mrs. Luetta Duncan departed this life in the 71st year of her age. Mrs. Duncan was the widow of the late Mr. John Henry Duncan who died 11 years ago. Since the days of her childhood she had been a consistent member of Mt. Zion Baptist church where she was a familiar figure on preaching days. Her place as a neighbor will be hard to fill. During all the long years in which she had resided in Berea section, no one ever called upon her for help that she did not respond. The funeral services were held in Mt. Zion church Sunday afternoon, conducted by her pastor, Rev. C. A. Upchurch. At the conclusion of the services in the church, the remains were conveyed to the burying ground near by where they were interred amid scenes of sorrow such as is rarely witnessed at a burial. She leaves five daughters and three sons and a large number of other relatives and friends to whom we extend our heartfelt sympathy.

Dr. W. S. Cozart of Holly Springs, spent Sunday with his parents, Mr. and Mrs. W. S. Cozart.

Messrs. E. D. Hunt, W. Z. Mitchell, and W. J. Webb of Oxford were visitors in Stem Monday.

Miss May Stem of Route 1, who has been in the hospital in Durham, returned home last week and we are glad to learn is rapidly improving.

The infant child of Mr. and Mrs. R. L. Oakley of Route 2, is quite ill with fever. A daughter was born in the home of Mr. and Mrs. Frank Meadows of Culbreth, Saturday morning. Missionary Society Re-organized The Woman's Missionary Society was reorganized and a Sunbeam Society organized at Tally Ho church last Sunday afternoon. The pastor of the church, Rev. H. G. Bryant, was present and opened the meeting with an appropriate address on this line of church work. Mrs. John Webb of Oxford who was to have been there to perfect the organization not being present, Mrs. G. T. Lumpkin of Oxford acted in her stead. Brief r-e marks were made by Mrs. J. D. Brooks of Oxford and an address was made to the Sunbeam class by Miss Sallie Webb, who is the leader in this work in the Oxford Baptist church. Mrs. Lumpkin followed in a most interesting talk describing the late Woman's Missionary Convention held in Winston-Salem. Like her husband, Rev. G. T. Lumpkin, she is an excellent speaker, her ideas being expressed in clear, elucidating English. At the conclusion of her address Mrs. W. S. Gooch was chosen president of the Woman's Missionary Society; Miss Ettie Washington, vicepresident; Miss Fannie Bragg, secretary and treasurer. Mrs. Naomi Honeycutt was elected president of the Sunbeam Society. Mrs. W. S. Gooch returned home Sunday from a visit to her mother, Mrs. Burroughs in Washington, D. C. Her visit was curtailed by the illness of her daughter, Mrs. M. S. Mayes, who we regret to note is quite sick. We are glad to note that Mr. M. H. Bragg who has been confined to his home for several days, is much better and was able to resume his work at the Stem Mercantile Co., Monday. Prof. B. B. Holder, principal of Stovall High School, spent the weekend with friends in this community. Mr. D. S. Hunt had the misfortune to lose his horse last week. Miss Ida Green, of Oxford, spent the week-end with her mother, Mrs. N. T. Green, of Route 3. A Noble Creed (Lumberton Tribune) I believe there is a spirit of universal right that binds together the good deeds and worthy enterprises

Hickory—According to the records of the registrar of vital statistics there were two deaths in Hickory during the month of April and 11 births. For the township there were five deaths and 18 births.

commenced on another school building for this city to cost \$15,000.

Durham-Six young ladies graduated as trained nurses from the Watts Hospital in this city. They are: Miss Estelle Morgan, Cleveland; Miss Agnes Reese Harris, Henderson; Miss Lena Mabel Whitfield, Hillsboro; Miss Fannie Grace Stalter, Wilming-Mount Airy-Work has already ton; Miss Annie McDonald, Cameron and Miss Carrie Theresa Foy, Winston-Salem.

MOB LAW IN TEXAS

Fifteen Thousand Watch Mob Burn Negro Boy on Public Square

WACO-With 15,000 persons as witnesses, including women and children, Jesse Washington, negro boy, who confessed to the assault and murder of Mrs. Lucy Fryar, seven miles south of here last Monday, was taken from the fifth district court room shortly before noon and burned on the public square.

The burning came immediately after the negro's trial had ended and the jury had returned a verdict of guilty giving him the death penalty.

Some one not far from the negro started the cry of "Get the negro." It was taken up by all of those from the part of the county where Mrs. Fryar was killed, and Washington was then seized and removed from the court room. The crowd at first seemed willing to hang the negro from the suspension bridge, but a suggestion that he be burned on the plaza met with instant response and he was dragged to the city hall yard, where the chain, already around his neck, was thrown over the limb of a tree, wood hastily secured and the fire started.

New Dean Wake Forest

Wake Forest-At the annual meeting of the board of trustees Saturday afternoon Dr. Needham Y. Gulley was elected dean of Wake Forest College to succeed Dr. E. W. Sikes, who resigned to accept the call to the president of Coker College. For the last twenty-two years Dr. Gulley has been professor of law, and is recognized as one of the ablest lawyers of the State.

An optimist is a man who believes the world is getter than it is.

You never can tell. The torpedo boat is not as torpid as it sounds.
