**Law Crazy**

We are law crazy. In the last five years our national and state law-making bodies have passed 62,550 laws, forgetting perhaps that God Almighty has made a very fair success out of His universe with only ten. This country, the greatest business organization in the world, permits 55 different systems of book-keeping in Washington and fewer than 50 of the 422 members of Congress before the present one ever looked a payroll in the face.—Edward Trefz in Leslie's.

**REV. PATTISHALL JOINS MINISTERS WHO ENDORSE IT**

Another North Carolina Pastor Expresses Thanks For Gains on Tanlac

"I am gaining in strength, weight and health and am pleased of this chance to offer my hearty indorsement to the wonderful reconstructive powers of Tanlac," says the Rev. L. B. Pattishall, pastor of a leading Elm City, N. C. Church.  
 "For over seven years I have been a victim of severe stomach troubles and indigestion. I was much run down for my appetite had failed me. Often I longed for meats and vegetables, but my digestion would not permit me to taste of them. I was nervous and my sleep was broken and unrefreshing. I tried almost everything I heard of, but nothing seemed to fit my case. Then I found Tanlac.  
 "I have taken three bottles and it certainly has proved itself in my case. Now, I can eat any food I like without suffering afterward from pains and distress. Nervousness is gone and my sleep is refreshing."  
 Tanlac is sold in Oxford by Frank F. Lyon; Creedmoor, Granville Pharmacy; Youngsville, Winston Blank Drug Co; Henderson, W. W. Parker; Fuquay Springs, Fuquay Springs Drug Co.; Roxboro, Hambrick & Austin; Northside, Fleming Bros.; Stem, Gooch & Cozart. adv
