MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED.

If cross, feverish, sick, bilious, clean little liver and bowels.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sours, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

A price of 30 cents a pound to the farmer was agreed upon at a meeting in New Orleans of men interested in marketing and growing of cotton in 10 Southern States as being justified by the present selling prices of manufactured cotton products. The price was suggested in an amendment to a resolution adopted just previously which declared against price regulation of cotton by Congress or delegation of this authority to any other body.

A Hope. A Baltimore dispatch announces a cut of \$1 per barrel in the price of flour. This brings dealer's prices to about \$12 per barrel, a drop of \$5 since the Government took a hand in price regulation.

HOW TO BE RID OF DANGEROUS DANDRUFF

The only way to get rid of dandruff—the sure hair destroyer—is to remove the cause. Dr. Sangerbund, the famous Paris Specialist, discovered that dandruff and falling hair are caused by a microbe. Then came the discovery of the value of the genuine Parisian sage (liquid form) to destroy this germ and promptly prevent the further loss of hair. Get from your druggist about four ounces, and rub a small quantity well into the scalp. Only a few applications are usually needed to destroy the germs that cause dandruff; your scalp will immediately feel cool and comfortable and your hair appear soft, bright-looking and seems heavier than it really is. Since Dr. Sangerbund's discovery the American people are realizing that dandruff is as unnecessary as it is dangerous, and that they can be quickly rid of it, and save their hair by a few day's use of this inexpensive and harmless liquid. Be sure you get the genuine Parisian sage (Giroux's) for this brand will not stain the hair and is guaranteed to give perfect satisfaction or money refunded. J. G. Hall can supply you.

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR DOUBLE ITS BEAUTY

Try this! Hair gets thick, glossy, wavy and beautiful at once.

Immediately? — Yes! Certainly?—that's the joy of it. Your hair becomes light, wavy fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try it—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excess oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it. adv

MOWERS, HAY RAKES, DISC Harrows, Peg Harrows, and corn Planters, will be next spring, conservatively speaking 25 per cent higher than now. I have the stuff and am making the price while it lasts. Samuel Davis, the Hardware man.
