**GIRLS! DRAW A MOIST CLOTH THROUGH HAIR. DOUBLE ITS BEAUTY.**

Try this! Hair gets thick, glossy, wavy and beautiful at once.

Immediate?—Yes! Certain?—That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you

have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle, or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few week's use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents.

**DESTROY 400 ENGLISH TOWNS, DEMAND OF GERMAN PAPER.**

Declares It Would Be More Humane to Wipe Out London Than For One Hun to Die.

Amsterdam, March 16.—The destruction of 400 English towns by German airplanes is demanded by the Berlin Zeitung "as a reprisal" for the action of the Allies in confiscating 400 German merchant ships. In a long article on the subject the paper says:

"If we are in a position to destroy the whole of London, it would be more humane to do so than to allow one more German to bleed to death on the battlefield. To hesitate or surrender ourselves to feelings of pity would be unpardonable.

"More than 400 merchant ships have been stolen from us by Great Britain. Our answer should be that for every German ship at least one English town should be reduced to ruins by our airmen. Far better were it for us that Great Britain, France and the United States should call us barbarians than that they should bestow on us their pity when we are beaten. Softness and sentimentality are stupid in wartime."

**DESERVES A GOLD MEDAL FOR THIS.**

Cincinnati authority tells how to dry up any corn or callus so it lifts right off.

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn stops soreness at once and soon the corn loosens so it can be lifted out, root and all, without a bit of pain.

A quarter of an ounce of freezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding tissue or skin.

If your wife wears high heels she will be glad to know of this.

**Turn Down Dry Amendment.**

The New York Legislature is the first so far to refuse to ratify the prohibition amendment to the Federal constitution. The House of the Legislature, by a vote of 84 to 64, adopted a substitute which would provide for a referendum next fall on the ratification question. The Senate is expected to adopt a similar measure.

**DANDRUFFY SCALPS LEAD TO BALDNESS.**

If you have dandruff get rid of it quick—it's positively dangerous and will surely ruin your hair if you don't. Dandruff heads mean faded, brittle, gray, scraggy hair that finally dies and falls out—new hair will not grow—then you are bald and nothing can help you. The only sure way to abolish dandruff for good is to destroy the germ that causes it. To do this quickly, surely and safely there is nothing so effective as Parisian sage, which you can get from J. G. Hall and good druggists everywhere. It is guaranteed to cure dandruff, stop itching scalp and falling hair, and promote a new growth, or the cost, small as it is, will be refunded.

Parisian sage is a scientific preparation that supplies all hair needs—an antiseptic liquid, neither sticky or greasy, easy to apply and delicately perfumed.

If you want beautiful, soft, thick, lustrous hair, and lots of it, you must use Parisian sage. Don't delay—begin tonight—a little attention now insures abundant hair for years to come.

Note: Parisian sage positively will not color or streak the hair.
