

FOR COLDS AND GRIPPE  
DOCTORS FIND REMEDY

Physicians and druggists are elated over the fact that they have at last found a genuine and dependable remedy for colds, sore throat, influenza and la grippe. For years they have depended chiefly upon the old style calomel which is certainly fine, but unfortunately many people would not take it because of its nauseating and dangerous qualities.

Now that the pharmaceutical chemists have perfected a nausealess calomel, called "Calotabs" whose medical virtues are vastly improved, the doctors and druggists are claiming that Calotabs are the ideal remedy to abort a cold over night and cut short an attack of sore throat or la grippe. They are also finding it most effective as the first step in the treatment of pneumonia.

One Calotab on the tongue at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating or your work and pleasure. The next morning your cold has vanished and your whole system is purified and refreshed. Calotabs are sold only in original sealed packages; price thirty-five cents. Your druggist recommends and guarantees them by refunding the price if you are not delighted.—adv.

Suggestions for Mother's Letter  
Son of Mine:

They're sending you home to me at last. Through all these months of waiting and longing I've been wearing a star for you and holding my head high and thinking wonderful thoughts about you. I've watched you through ocean mists and dreamed anxious dreams. Yes, and cried a little, too, but not when people could see.

And now you're coming home. Oh, it seems too good to be true. I've just read your letters again. They say so much more than you ever thought when you were writing them. Just happenings—that's all most of the things you wrote about were to you. But to me they said you were facing the biggest thing in life, facing it bravely, as I would want my son to face it. You were offering your body and your soul for a thing bigger than you or me or America.

When I wrote to you I tried to write cheerful, encouraging letters, because I did not want you to go into battle feeling that I was holding you back from the big sacrifice. It's only now, when the fighting is over, that I can let down a little and be just your mother, just the woman who loves you better than anything else in the world and is so glad to know you're coming back to her that she doesn't care who sees her cry.

Perhaps for some of the boys who have stood with you so finely thru these trials the fighting is not yet all over. The fighting I mean is that between a man and himself, and for many of them this will be the hardest battle of all. During the long days and evenings of waiting before they can start for home thoughts will creep into their minds which will be hard to resist. There will be times after all these months of action when the longing for change and for the companionship of women may lead them into associations which will spoil their homecoming and cause them shame and humiliation, and even perhaps make them unfit to receive the love that awaits them here.

You, dearest boy, are just as human as your comrades, and feelings like these may come to you too. I don't ask you to crush them. They are natural, and they only prove that war has failed to dry up the well spring of your emotions. I ask you only to recognize them when they come and to control them with the

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on a Sluggish Liver and You Lose a Day's Work

There's no reason why a person should take sickening, salivating calomel when you can buy a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and cannot salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more billousness, constipation, sluggishness, head ache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

fine strength you have gained while fighting for the ideals and principles of America. Just remember that many joyous years of life are ahead of you and that the risk of spoiling them and the love that will fill them is too tremendous to run for a short hour of seeming pleasure.

Many of the boys who will come home with you have no mothers to write to them. Some of them may think that no one cares what they do. But somebody does care. America cares. And the girls they will marry some day care. And, oh, the difference it will make in their lives if they will just remember that there is always somebody, always!

Help them to remember. Help them to come home clean and fine. Don't let them spoil everything now. They have been so splendid. If you think this letter will help them give it to them. If they have no mothers let me be their mother until they have come back and taken the high places that await them here. Tell them to write to me. How I should treasure their letters!

And, of course, you will write to me. Just say that you understand—that you know why I have written this letter. Then I can wait months—yes, even years—knowing that you will come home to me as fine and clean as you were when I sent you away to camp so long ago.

Girls! Use Lemons!  
Make a Bleaching,  
Beautifying Cream

Here is told how to prepare an inexpensive lemon lotion which can be used to bring back to any skin the sweet freshness of which it has been robbed by trying atmospheric conditions. Windchafe, roughness, tan and redness are warded off and those tell-tale lines of care or of age are softened away.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, smoothener and beautifier.

Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands, and see for yourself.

"Eight years ago when we first moved to Mattoon, I was a great sufferer from indigestion and constipation," writes Mrs. Robert Allison, Mattoon, Ill. "I had frequent headaches and dizzy spells, and there was a feeling like a heavy weight pressing on my stomach and chest all the time. I felt miserable. Every morsel of food distressed me. I could not rest at night and felt tired and worn out all the time. One bottle of Chamberlain's Tablets cured me and I have since felt like a different person."
