With be taken up for consideration and He was a member of the 46th Con-About eight years ago he was

His education under the paternal roof was not neglected. Mary Arden, whose name he cherished and immoron her boy the needful mother-training and John Shakespeare, his father, doubtless "spared not the rod." In his homely employment as "butcher" William assisted him and rendered many an oratorical effusion, much to the old man's disgust; The Italian comedies and novels prepared the way for his intense Impressions of men and things.

Their significance was marked by his environments. Religious thoughts; the social realm; indeed the very air he breathed all combined to develop this "glory of the Englishman"-this 'wonder of the world." He was a boy always fond of the chase and a eader in all vigorous games.

Married young, but the speaker ouched lightly of his marriage. Lost in infant boy and feelingly dwells on recognition of our loved and lost in the beyond-where Constance with breaking heart appeals to the Cardinal whether she shall know her child in Heaven—"If that be true, I shall see my boy again."

Dr. Hall was a family connection and many of his remedies are on tensifying his "personality." He dared not say Shakespeare was not a praying man. With his deep revards of us all" where the "charmelhouses and our graves meet and send those that we bury back"-with these feelings always in the ascend-

> His plays, comedies, tragedies and histories and his sonnets as well, the latter replete with his own observations and experiences, are beyond refutation Shakespeare's own, not Lord Bacon's as some have suggested—each frill of the human life, its fears and hopes, its passions and pravers

Thrust into court life, associated with Bacon, Burleigh, Drake, Ben Johnson, and others of the Elizabeth negiod, little wonder at the marvelous developments of such genius!

The Club met at the hospitable and pleasant home of Col. H. G. Cooper. and the lecture Mrs. Cooper served an elegant luncheon which was much enjoyed by members of the club and their guests.
