NEW

But we will have time to show it to you whenever you call, and understand, please, that when we say show we don't mean that you will have to buy. Our different lines this season are the most beautiful we have ever shown. We don't generally do business at a loss, but our profit road this year is a narrow-gauge one and its branches extend to every department of our store. Our buyer has just returned from the Northern markets happy in the possession of the largest and most desirable spring stock that has ever graced our store. The goods are arriving on every train.
