STOPS PAIN

Ever since the first appearance of my... I suffered with great pain in my hips, back, stomach and legs, with terrible bearing down pains in the abdomen. During the past months I have been taking Wine of Cardui and Theodor's Black-Drumstick, and passed the month's period without pain for the first time in years.

NANNIE DAVIS.

What is life worth to a woman suffering like Nannie Davis suffered? Yet there are women in thousands of homes to-day who are bearing those terrible menstrual pains in silence. If you are one of these we want to say that this same

WINE OF CARDUI

will bring you permanent relief. Consult yourself with the knowledge that 1,000,000 women have been completely cured by Wine of Cardui. These women suffered from leucorrhoea, irregular menses, headache, backache, and bearing down pains. Wine of Cardui will stop all these aches and pains for you. Purchase a \$1.00 bottle of Wine of Cardui to-day and take it in the privacy of your home.

Hanna Has a Narrow Escape.

It is reported that Senator Hanna had a narrow escape from serious injury at the hands of an unknown miscreant Sept. 20. It is said that the train on which Senator Hanna and others were returning from Cleveland after the funeral, stopped at the siding when two big rocks were thrown through the window. One missile is said to have come close to the senator and fallen at his feet. The secret service men are unable to find the miscreants.

"Thelma" a Great Success.

Those who saw Thelma presented at the Opera House on last Thursday evening express themselves as delighted with it. The play as dramatized is realistic and throughout maintains the charming character of the book. As a whole the play was well rendered and was well received by our people. A large house greeted them and the players went away pleased with Oxford. So far what Messrs. Peace & Hologood have given the public have been real successes and they tell us they have many other good things stored for theatre goers.

A Good Thing.

Out in the West they are beginning to introduce some new ideas in social life of the farmer that promise well. An Illinois agricultural organization has just held a meeting in Chicago and formulated an elaborate project for the purpose. All over State the farmers of the various sections are to form into local unions, each made up of twelve families. These are to meet once a month on the Wednesday nearest the full moon. In the morning of that day the men will inspect each others farms, crops, stock, etc., making criticisms and suggestions.

Proud of Southern Valor.

The Journal today prints a letter from Hon. Theodore Roosevelt in reply to a communication sent him by Mr. J. R. Nutting of Atlanta Ga., Sept. 21. The letter to Mr. Nutting is from Oyster Bay, and bears date of June 14th. The vice-president says in part:

"I am extremely proud of the fact that one of my uncles was an admiral in the Confederate navy and that another fired the last gun fired aboard the Alabama. I think the time has now come when we can all of us be proud of the valor shown on both sides in civil war. In my regiment I had more men whose fathers fought in the Confederacy than I had men whose fathers fought for the Union."

"I am anxious to visit Roswell and if I get the chance I am going to stop at Atlanta some time next fall." Roswell is a Georgia town where Mr. Roosevelt's mother lived.

Oxford Tobacco Market Still in the Lead.

Oxford Tobacco Market is still leading and prices paid for tobacco have been higher the past week than they were during the previous week. After every sale our farmers go away from Oxford delighted with the methods of our excellent warehousemen and the prices they receive for their tobacco. There were very large sales at all the warehouses on Friday—indeed the day came near being another one of those "record breakers" for which Oxford is noted. We are informed that about \$10,000 was paid out for tobacco on that day. Farmers these days are well posted on the prices on tobacco, and know where to market their tobacco. They have tried other markets along with Oxford and they know by comparison that this is the place to market their tobacco.

There was another big tobacco break here Tuesday. The town was crowded with farmers all of whom went away delighted with the Oxford market and the high prices they received for their golden weed. There was good sales at all the warehouses and some of them were taxed to the utmost capacity.

The prices still range high and the prospects are bright for the future, so say our leading tobaccoists.

DEATH OF MR. FIELDING KNOTT.

One of Granville County's Wealthiest Farmers Passed Away.

It is with sincere regret that we chronicle the death of Mr. Fielding Knott which sad event occurred on last Thursday morning the 26 inst. at his home about four miles south west of this place. Mr. Knott died from the effects of an injury received from falling from his barn stairs about three weeks ago. Had he been younger he might have recovered, but at his advanced age the shock was more than he could stand. He was nearly 80 years of age. He was one of Granville county's best known and most highly respected farmers. He was a consistent member of the Baptist church.

Mr. Knott began life a poor boy by his industry, economy and good management amassed an estate estimated at about \$100,000. His estate consisted mostly of land. Mr. Knott made most of his money raising tobacco when prices were much higher than they are now. In his death the community in which he lived as well as the county at large sustained a great loss. His counsel on business and other matters was largely sought by his neighbors and his judgment was always sound.

He leaves a large family to mourn his death, besides a host of grief-stricken friends. To his sorrowing family the Public Ledger extends its sincere and heartfelt sympathy.

A First Class Show.

The next attraction at the Opera House will be Culhane, Chace and Weston's Big City Minstrels on Wednesday night Oct. 9th. The press of Norfolk and Richmond gives this show unstinted praise. The Company numbers 27 first class minstrel artists in a brand new programme of up-to-date novelties. The music is a special feature, the concert band using a set of silver and gold instruments made expressly for them at a cost of \$1,800. See the grand street parade. If you miss this minstrel you will miss the minstrel of the season.

KENT-HORNER WEDDING.

Brother of Bishop Horner Married at Fond du Lac, Wis.

The Fond du Lac, Wis. Daily Commonwealth of September 25th contains the following social item which will be read with interest here:

"One of the most noteworthy social events of the season occurred this evening, when the marriage of Miss Elouise Kent, daughter of Mr. and Mrs. Edward Kent, and Prof. Jerome C. Horner, of Oxford, N. C., will be celebrated at St. Paul's Cathedral. The ceremony occurred at 7:30 o'clock at the church, after which a reception was held at the home of Mr. and Mrs. L. H. Clark, a large number of guests being present. The Clark home was beautifully trimmed with flowers for the occasion, the parlors being draped with wax berries, Virginia creeper and ferns. A wedding supper was served in the dining room, which was a mass of white and pink asters, wax berries and other flowers. Punch was also served. Madame Carrington-Lewis, Mr. Emlyn Lewys and Miss Mary Carrington were present and rendered a number of musical selections.

"Miss Elouise Kent is one of the most popular young ladies of this city, and a leader in society circles. She is an accomplished artist with pencil and brush, having studied in some of the best institutions the country affords. She was teacher of drawing in the Fond du Lac high school for a year, and has since been engaged as teacher of art at Durham, N. C.

"Prof. Jerome C. Horner, the groom is one of the finest and best known educators in the South. He is a son of J. H. Horner, the founder of the Horner Military School. The school was founded some fifty years ago, and has attained a widespread fame through the South. Upon the death of the founder, Prof. J. C. Horner became the principal of the school, and under his able direction it has increased in size and standing.

"The ceremony was performed by Bishop Chas. C. Grafton, assisted by Bishop J. M. Horner, brother of the groom, and bishop of the diocese of Asheville, N. C. Judge A. W. Graham, of Oxford, N. C., acted as best man, and Miss Ada Eldridge, of Chicago, as maid of honor.

Mr. and Mrs. Horner were the recipients of a large number of valuable and useful wedding presents consisting of silverware cut glass, china, etc. After the reception they left for Oxford N. C., their future home, accompanied by Judge A. W. Graham.

DEATH OF MR. THAD B. PARHAM.

Dies in Baltimore of Asphyxiated Near Hospital where He brought his Daughter.

Mr. Thaddeus B. Parham, aged 33 years, of Oxford, N. C., died from asphyxiation early Sunday morning at the Hopkins Hotel, Broadway and Orleans street, while his 4-year-old daughter lay dangerously ill at the Church Home and Infirmary, one square distant.

Mr. Parham brought his daughter to Baltimore for treatment last Thursday. The child is affected with a serious hip disease. An operation was performed on her Saturday at Church Home by Dr. William S. Baer. The operation was as successful as might have been expected in such a case, and the result cheered the parent considerably. Mr. Parham retired about 11 o'clock Saturday night in excellent spirits.

About 11:30 o'clock Sunday morning Mr. and Mrs. Charles King, occupying the room next to the one occupied by Mr. Parham, on the third floor, smelled the odor of illuminating gas, and their suspicions aroused proceeded immediately to make an investigation. Mr. King tried Mr. Parham's door and found it locked. He then returned to his own room and forced open the door leading from his room to that of Mr. Parham.

A strong odor of gas almost stifled him as he entered the room. The room was closed tight, and the gas in one jet was turned on sufficiently to allow a light flow. Crossing the room Mr. King raised the blinds, and saw the body of Mr. Parham lying motionless on the bed. Mr. John B. Arends, proprietor of the hotel, was notified of the tragedy, and he in turn notified Sergeant Carey. Carey Scully made a thorough investigation and decided that his death was accidental.

The sad intelligence was at once communicated to Mayor S. W. Minor, of Oxford, who announced it to the family of the deceased. Instructions were received to have the remains prepared for burial, which was performed by Undertaker William S. Fry. Relatives of the deceased are expected to arrive here Monday morning to take charge of the remains.—Baltimore Herald.

The Funeral Services will take place Tuesday evening at Salem Church. The Public Ledger sympathizes with the bereaved family in their trouble.

Opera House Manners.

The performance of Thelma at the Opera House last Friday evening was far above the average of plays which visit small towns like Oxford and there were many who were agreeably surprised at the art displayed by some of the members of the cast. Easily the best of the players were Mr. and Mrs. Frayne, whose work would have done credit to a more pretentious troupe. Thelma, divorced from her voice, would have been acceptable, and the gentleman taking the role of Lorimer was up to the mark.

Withal the performance was enjoyable; but there was element of discord. This was the inopportune, not to say boisterous, laughter which invariably came at the very moment when least in accord with the spirit of the play and when, to those who knew something of the propriety of an occasion of this nature, it was most disagreeable and annoying. One gentleman remarked that at the very moment when tears came into his eyes there were those among the audience who laughed and yelled most loudly and inopportunistly.

Whether such behavior as that referred to is due to ignorance and "greenness" or to a propensity to be noisy and disagreeable it is hard to say. Certainly, it is most unseemly and unfair to those who are capable of understanding and enjoying a situation. It is also most annoying and disconcerting to the players.

It is true that there are occasions when the attempts of actors to take certain parts are so ridiculous as to force laughter from the audience; but this cannot be pleaded as an excuse for those who made "night hideous" at the performance of Thelma. Their untimely applause, if by such name it can be dignified, was either by ignorance of proprieties or the desire to be rowdy.

Let us hope that in the future such demonstrations will be absent.

RECEPTION AT THE HORNER HOME.

One of the Most Delightful Events of the Season.

One of the leading social events of the season was the reception on Tuesday evening given to Mr. and Mrs. J. C. Horner, who were recently married at Fond du Lac, Wis. and who reached Oxford on Monday last.

The guests at the door were met by Miss Kate Horner, and those received were Mrs. J. H. Horner, Miss Mary Horner, Rev. and Mrs. Moore and Judge A. W. Graham, assisted in the first hall by Mrs. R. W. Winston, of Durham, and Prof. Thos. Hume, Jr., and in the second hall by Miss Gertrude Winston, of Durham, and Prof. S. S. Anderson. Those receiving in the first dining room were Mrs. A. W. Graham, Miss Susan Graham, Miss Epps and Prof. Epps, and in the second dining room were Mrs. R. C. Strong, of Raleigh, Miss Alice Graham and Maj. Montgomery.

The beautiful Horner home was brilliantly and tastefully decorated in the Horner colors, Orange and Purple, and with Golden rods.

The parlor and halls were lighted with candelabras of rare beauty. Altogether the well appointed and nicely decorated and well lighted home presented a scene of loveliness which it would have been difficult indeed to have excelled.

The music for the occasion was furnished by the Hollowsush Orchestra of Raleigh.

Delicious refreshments were served. Those who had the opportunity of attending this reception will long remember it as one of the most pleasurable occasions they ever attended. A large number of friends were present, there having been about five hundred invitations sent out.

Though such a large number were present the arrangement and careful preparation were such that everybody went home delighted with the very pleasant evening they had spent.

Off for Australia.

Mr. E. G. Currin and family, left Wednesday afternoon for a long journey. They left for San Francisco, Cal., from which place they sail for Australia on or about the 3rd of October.

Mr. Currin resided in Durham for some months, and made very many friends among our people, all of whom regret to see him leave.

He goes over to look after the general interests of the American Tobacco Company in that far off country. The appointment of Mr. Currin to this position comes in the nature of a promotion.

Relatives and friends were at the depot to see them off and bid them God-speed on their journey by rail and voyage by sea.

Friends of the family everywhere wish for them abundant success in their new home.—Durham Sun.
