—Mr. Lonnie Smith continues to improve the Exchange Hotel, which continues to grow in popular favor with the traveling public.

—It will interest you to read the change in the advertisement of B. F. Kronheimer, the live dry goods merchant of Durham.

—Rev. John E. Wool is attending the Synod of North Carolina at Charlotte this week. He will return in time to fill his pulpit Sunday.

—Mr. T. L. Daniel and family, of Berea, are now numbered among the citizens of Oxford and occupy the Booth cottage on College street.

—We are pleased to learn that the Oyster Supper given by the Ladies Aid Society of the Presbyterian church Friday night was a success.

—During the past week the town was full of ladies from the country, who took advantage of the splendid stock of goods kept by our merchants.

—Mr. R. T. Blackwell, of Oak Hill, downs all the rest thus far heard from on a high cotton stalk. He brought the editor one that measured 8 feet and 8 inches.

—The law firm of Messrs. Hicks & Minor have moved their office from the Court House, and are now located up stairs in the Hunt building, next to the postoffice.

—Rev. F. W. Hilliard will hold service and preach in St. Peters church Stovall on Sunday next Oct. 27th at 11 o'clock a. m. All persons are cordially invited to attend.

—"Billie," the tame owl of Mr. Joe Hall, now makes his home in Burlington as a gentleman in that town thought he could see a silver dollar in both of "Billie's" big eyes.

—We desire the farmers to read the change in the advertisement of Messrs. Bullock & Mitchell in another column. They are reaching the high dollar on all grades of tobacco.

—The County Board of Education met on Monday and transacted routine business. Chairman F. W. Hancock, and Messrs. Graham Royster and James H. Webb were all present.

—Plumer Massenburg, who escaped from the Durham county chain gang some time ago, was captured Monday afternoon in East Oxford by Chief Wheeler. He was sent up for stealing chickens.

—The divorce business is actively prosecuted under the bad law that afflicts North Carolina. The evil grows like all other evils. The number of divorces in Wake county is large, some eighteen or more.

—Rubber is a great thing in its place, but the average citizen of Oxford hates to tackle the kind sold at the market for "nice tenderloin steak." Some of it would make good springs for a box car on a railroad.

—The new desks for the Graded School have arrived and the Superintendent, teachers and children are happy. The number of children now in attendance is 218, and we must exclaim: hurrah for the Graded School.

—The editor has nothing new to give out on the Oxford & Coast Line Railroad, but he would be proud to know that work had commenced on the road, as it is badly needed and will greatly benefit Oxford. So will a new hotel.

—Don't forget the fact that ladies of the Episcopal church will serve fine oyster in the store room next to the Bank of Granville Tuesday from 12 m. until 12 o'clock that night. You are cordially invited to call and help out a good cause.

—If the Oxford & Coast Line Railroad was running into Oxford no doubt a great change would come over the spirit of the dreams of Southern Railroad employes at the depot and we would not hear so much kicking against them by the people.

OXFORD'S GREAT TOBACCO MARKET

Prices continue High, Increased Demand and Fine Averages.

The sales of tobacco on the Oxford Tobacco Market increases daily as our splendid warehousemen are up-to-date and drawing tobacco from new territory, and prices paid for all grades make the farmers go home and load up and come again. The demand for all grades continues to increase while prices get higher.

Sales are had every day in the week and the highest averages are reached, plant round. Oxford market is a regular hummer and stands triumphantly at head of the high-price procession this season. Read some of the fine averages made:

Z. M. Overton sold load Friday at Hunt & Meadows' at \$9, 17, 45, 18, 9—average \$29 75 Here's a hummer, Hunt & Eaton sold at the same place and scooped in \$12, 32 1/2, 45, 55, 35, 15, 25 1/2—average \$36 50.

R. O. W. Winston sold at Banner Warehouse 518 pounds at an average of \$33 65; 184 pounds bringing 52 cts per pound. S. T. Coley was on deck and received \$8, 15, 20, 40, 33, 10 1/2. N. H. Fleming was a close second and pocketed \$16 1/2, 20 1/2, 30, 16 1/2.

Zack Lyon steps up with several loads averaging \$30 round at the Johnson.

The Owen Warehouse is on deck, O. F. Hughes averaged at this house Friday \$24 10 plant round. Junius Beck was greatly pleased with an average of \$27, and so was R. E. Yergan with \$18 60.

The break at the Minor Warehouse Thursday amounted to between two and three thousand dollars, and averaged 17 cents round for all grades of tobacco. That was a great sale for Sol Cooper.

Parham-Priddy.

The following invitation has been sent out: Mr. and Mrs. W. A. Parham invites you to witness the rite of Holy Matrimony to be solemnized between their daughter, Mollie, and Mr. S. Vernon Priddy, Wednesday morning, October 30th, 1901, at ten thirty o'clock, Rehoboth church, near Oxford, North Carolina. The public invited to attend.

Revival Meeting at Baptist Church.

A series of meetings commenced at the Baptist church last Sunday evening. The pastor is being ably assisted by Rev. Mr. Cox, of Richmond, who arrived on Monday afternoon and who is the guest of Mrs. Cannady. He preached two very able sermons on Monday and Tuesday nights. Mr. Cox is a finished speaker and a profound thinker, and Oxford is greatly pleased with him. The meeting will continue through the week and probably longer.

Good Chat from Raleigh Post.

In opening the campaign for the Republican party in his address at Louisiana Senator Pritchard ran full up against an insurmountable stump in criticizing the white people of the South for their united persistence in resisting the infamous policies of his party "from the end of the war," rather than give their attention to financial and kindred subjects. Until now, or very recently, the party in power at Washington—the Senator's party—instead of itself laying aside the animosities of the war exerted its strength in formulating and enacting measures intended to degrade the South and to deprive it of opportunities to be rehabilitated.—Raleigh Post.

Left Foot Badly Cut.

On Tuesday morning about 10 o'clock while Mr. Jessie Pritchard was tightening the screw of his saw at his mill near Stovall his left pant leg was caught by the saw jerking the foot in front of it saw cutting the ankle and foot very badly. Fortunately the saw was running slow, if it had been running fast he would have lost his leg or been killed. His leg was also badly bruised above the wound. Dr. Taylor, of Stovall, was quickly summoned and rendered medical aid, and dressed the wound. It is believed that Mr. Pritchard will suffer no serious consequence from the wound. He was brought home Tuesday afternoon and suffered greatly that night, but up to Wednesday noon was resting easy. We wish him a rapid recovery from his severe wounds.

A Surprise Wedding.

Many congratulations were being offered to Mr. John Turner Crocker, the popular young clerk at the Yarbboro House. He was married Sunday night and it was an unexpected event to his friends. He has been engaged for some time to Miss Laura Fleming, of Granville county, and they concluded to get married at once. They went to Richmond, but that no licenses could be issued in Virginia on Sunday so they came to Henderson in the afternoon and were married at the Hotel Massenburg Sunday night at 3:30 by Rev. M. H. Tuttle, pastor of the Henderson Methodist church. Mrs. Crocker returned to her home near Hester, Granville county, and will join her husband in Raleigh the last of this week. She is the attractive and popular daughter of Mr. N. H. Fleming, of Granville county, and Mr. Crocker is to be congratulated on having won so charming a bride.—News & Observer.

ANOTHER MURDER IN BRASSFIELD.

Walter Green, Colored, Shot Dead Sunday Night at Home of Mr. Sam Wilson's.

There are two things that Granville county has a bad record on we deeply regret to say, murders and miserable roads, and sincerely desire these stigmas removed.

We are sorry to report another horrible murder for Granville county, which occurred near Mr. Sam Wilson's house in Brassfield township last Sunday night about 7 o'clock. From the information gathered from the inquest held by Coroner A. Hobgood, assisted by Dr. S. D. Booth, it seems that five white men, Messrs. Frank Hayes, West Morton, Oliver Wright, Henry Morton, Braxton Bragg, and two negroes, Will Mangum and Walter Green, met at the home of Mr. Sam Wilson. A quarrel commenced between Braxton Bragg and Walter Green over a four dollar account which Bragg claimed that Green owed him. While they were out in the yard Wilson stepped to the door and told them not to have any trouble and not to disturb his company. Wilson went back in the house and in a few moments he heard a pistol shot and two more, along with running around each side of the house. Wilson then went out to see what was the matter and found Green lying about 20 steps from the house on the ground face-most dead with a bullet wound in the side of the head. Those who were there had run away. The circumstances all point to the fact that Bragg must have killed Green.

Green had just returned from Boston on a visit and was nicely dressed.

Coroner Hobgood summoned the following jury: W. P. White, John C. Catron, Abner Newton, C. N. Floyd, W. A. Blackley and John Lawrence. After examining all those present at the time of the difficulty decided that "the said Walter Green came to his death from the effects of a ball fired from some kind of a firearm in the hand of an unknown person."

Just think of it, all those who were present at the night of the killing were witnesses at the inquest, but strange to say no evidence was produced as to who killed Green. This is strange indeed and shows there is something badly wrong somewhere. Cannot some means be devised by which guilty parties from that section can be brought to justice? This is another one of those horrible crimes which is getting to be too common in Granville, and something must be done to bring criminals to justice.

Will pay \$3 per bbl. for new corn in trade at Crenshaws.

Mens suits from \$3 to \$25 at Crenshaws.

You do Not Fool the People.

Strange things sometimes happen. We are indeed sorry to observe that some of our people are still fighting the graded school; but the fact that most surprises us is that some of these men were among its warmest supporters at first. Is there any good reason for such action? We think not.

Surely every good citizen who has the welfare of Oxford at heart should rise above personal interest on this important question. The interest of the public generally are to be considered more than a few personal interests. And then there are some who are trying to carry water on both shoulders, but they cannot deceive the people. The people can distinguish between the real supporter of the school and the pretending supporter.

The school is an admitted success in every way and all that we could wish it to be and has already done the town good and promises much more good to the town. Friends, stop having dissention on this important question which means so much for Oxford's future.

SUPREME COURT OF THE STATE.

Our Choice is Clark for Chief Justice and Brown and Hoke for Associates.

We do not wish to be premature in our support and advocacy of men for the offices of Chief and Associate Justices of the Supreme Court, but as much discussion has already commenced in the newspapers and as we believe the men we favor are the choice of the people generally, we think it in place for us to give our reasons why we favor Judges Geo. H. Brown and W. A. Hoke for Associate Justices and Judge Walter Clark for the high office of Chief Justice.

We favor these three gentlemen because we believe they are, all things considered, the most popular, the best qualified, and the most available of any other men in North Carolina.

Judge Brown has been on the bench for 13 years, which is the longest service any living Judge in the State has given. During all this time he has held the scales of justice evenly, honorably and ably. No clearer, more dignified, or capable record on the bench has ever been made in North Carolina than his. Wherever known he is acknowledged to be one of the ablest judges who ever sat on the bench in this State. Indeed, he is considered by some as the ablest man on either the Superior or Supreme Court bench of the State today.

In Granville we feel sure that Judge Brown will receive a large following and support. His record in our courts here has been admirable. He is much admired in this county and in the State.

Our other favorite for Associate Justice is Hoke. As Superior Court Judge Judge Hoke is easily one of the best and most acceptable who has ever adorned the judicial crum in our State. He is an avenger of evil doers and yet is full of human kindness and yet is full of human kindness and yet is full of human kindness and yet is full of human kindness and yet is full of human kindness.

Judge Hoke comes of a long line of noble ancestry. His name has figured conspicuously in public affairs, both in Revolutionary times and later. He is just in the prime of life and has a brilliant future before him if he is elevated to the Supreme Court bench, and we believe his past services and ability entitles him to the place.

As to Judge Clark we believe his nomination is sure. He is the editor's choice for the Chief Justiceship, and we believe he is the undoubted choice of the people. It is admitted by all that in legal learning, general culture and judicial ability he has no superior in North Carolina. In our opinion, he stands, like Saul of old, "head and shoulders above all his rivals." He has done more to elevate the Supreme Court bench than any other man in the State. His great store of legal learning is almost inexhaustible and his decisions are quoted far and wide. As a writer on economic and political questions he is quoted both in this country and abroad as is no other man in North Carolina.

His record on the Supreme Court bench has been distinguished both for ability and honor. He has held the scales of justice impartially and has been at all times fearless. His position on the Supreme bench has been exalted and he has stood on the watchtower and defended the liberties of the people against the encroachments of Radical partisanship and incompetence. He has never bowed the knee to the Rep-Pop monger gang, neither has he leaned to the other extreme and favored the trust magnates and Palmer and Buckner bolters.

He is clearly entitled to the position of Chief Justice by reason of his ability, his past services and his standing in the party at this time.

Everything at present, we think, points to his nomination and election. In fact he is the logical candidate and the most available man in the party. He would have undoubtedly been appointed by Gov. Aycock had the Governor got a chance at the appointment, which, within itself is a good index to the people's wishes.

We note with pleasure that several of the leading papers are already advocating his nomination, among them being the esteemed Wilmington Messenger, who is warmly supporting him. We believe that everywhere he is supported by the best element of the party. It is true the "Commercial Democrats"—the McLaurinites—are opposing him. Of course, that is just what we expected, and for our part what we like, as it will tend to drive true loyal Democrats nearer to him. There is no better sign that the Democrats are putting forward a good man and are dangerous to them than to see the Radicals and "bolters" fighting him. Judge Clark is hated by both these rings and is getting much excellent free notoriety from them.
