Meeting at Baptist Church.

The revival services at the Baptist church are being continued this week. Rev. C.C.Cox, who is assisting Pastor Hardaway, has continued to preach very strong and interesting sermons. Mr. Cox is a natixe of Baltimore, Md., and has had charges in Louisville and Cincinnati and is now pastor of Baptist church in Richmond. Va. While his sermons are not at all on the sensational order, they are full of thought and remarkable for the simplicity and clearness with which the great truths of the Gospel are presented. Large congregations are present every night, and a day service is held in the afternoon. We wish Mr. Cox abundant success in his effort for the building up of the Master's kingdom in this community, and trust that much good may be accomplished by the meeting.
