

OXFORD PUBLIC LEDGER.

JOHN T. BRITT, OWNER AND EDITOR. THURSDAY, FEB. 8, 1902

WHAT OUR ENEMIES ARE DOING.

The last census gives statistics as to the trusts that are not without interest. People should learn what their enemies are doing, and the magnitude of their operations. In 1900, by June when the census was taken the trusts were gigantic, but now they are monsters of the Frankenstein sort and beyond control of Uncle Sam or the people at large. In the summer of 1900 there were 188 great trusts flourishing and grinding and monopolizing. These 188 monsters controlled 2,147 manufacturing plants. You see at once their lordship and power. The total capital was \$1,485,321,572. The trusts owned land to the value of \$1,568,885,285, machinery \$388,315,548, cash, bills, receivables, etc. \$642,496,856. Wages paid for the year were \$194,534,715, and wage earners varied from 363,104 to 508,193. They paid \$82,653,628, in salaries to 24,585 officials of different trusts. The product was \$1,000,000,000, and the profits about the same. The trusts still grow, and under the awful robber tariff, their parent and bottle-holder, they continue to control and prosper beyond all belief. And there is no turn in the long lane and there will be none so long as the present gigantic robber tariff continues business to cause the trusts to flourish and feast and freeze out.—Wilmington Messenger.

Should Get Out of the Church. The Indianapolis Sentinel says it is astonishing that a man employed in a Methodist University, drawing pay from Methodist funds, and supposedly a Methodist himself as Prof. Chas. W. Pearson of the Northwestern University is, should publicly announce that biblical infallibility is "a superstitious and hurtful tradition," "that the miracles of Christ are 'poetic fancies,'" that the policy of the church is one of "inactivity, obstruction and justified silence on the views which the leaders and scholars of the church have come to believe, but which are not held by the body of the church." If Prof. Pearson believes these things he ought to get out of the church as quickly as possible and join some organization in whose lack of belief he can unite. The Methodist church is a grand organization which has done a great deal of good in this world, and the good has been done by men who believed the bible teachings. The same faith is held by the great body of the church today, and is fully set forth in its articles of faith. No man who holds such views as Prof. Pearson should be permitted to hold any office or performing any clerical function in the Methodist church.

CHANCES ARE TIP-TOP.

Congressman Kitchin Has Received Many Assurances. Congressman W. W. Kitchin, who spent today in Durham, met a large number of his friends while here. In speaking of the matter of his candidacy, he stated that he had received very many assurances from all parts of his district that he will again be named to represent us in the next Congress. The Sun can truthfully say that no man in Congress has labored harder in the interest of his constituency than has Mr. Kitchin. His record is clean and unspotted, and not a single thing can be brought against him either in public or private life. The people of the district will most certainly send him back to the house of representatives. Mr. Kitchin says he has no fears of the result and is willing to leave the matter in the hands of the people.—Durham Sun.

KICK A DOG

Kick a dog and he bites you. He bites you and you kick him. The more you kick the more he bites and the more he bites the more you kick. Each makes the other worse.

A Thin Body Makes Thin Blood.

A thin body makes thin blood. Thin blood makes a thin body. Each makes the other worse. If there is going to be a change the help must come from outside. Scott's Emulsion is the right help. It breaks up such a combination. First it sets the stomach right. Then it enriches the blood. That strengthens the body and it begins to grow new flesh.

Head Ache

"Both my wife and myself have been using CASCARETS and they are the best medicine we have ever had in the house. Last week my wife was frantic with headache for two days, she tried some of your CASCARETS, and they relieved the pain in her head almost immediately. We both recommend Cascarets."—OAS STREBORN, Pittsburg Safe & Deposit Co., Pittsburg, Pa.

The Preponderance of Man.

It appears from the data presented by the new census that the males in the United States outnumber the females 24 in 1000. Thus it is obvious that, if all the women do not get husbands, it is not for lack of available material.

Three Women from Georgia

Three women from Georgia and three from Massachusetts are to meet in New York and discuss admitting negro women to the National Federation of Women's Clubs.

The Leader Has Appeared in Governor Aycock.

In his Charlotte speech Governor Aycock quoted from his predecessors to show that he is by no means the first Governor of North Carolina to declare himself in favor of universal education. But he is the first Governor whose administration is under extraordinary moral and political obligations to provide universal education; and he is the first to lay the emphasis of his administration upon universal education—universal, all classes, conditions and races. Judge R. W. Winston said not long ago that the free school cause needs a leader who would have an eye single to the interests of the free schools. That honor and opportunity—one of the greatest in North Carolina history—is the Governor's if he will take it. And if he will not, we do not know who can.—Biblical Recorder.

North Carolina Industries.

Assistant Labor Commissioner Faison has finally completed the chapter on the textile industry in North Carolina for the annual report. It shows that there are now 226 cotton, 11 woolen and 3 silk mills, and 1 carpet and 1 jute bagging mill. The total number of spindles is 1,694,063, an increase of 212,000 over the previous year; looms 36,123, an increase of 3,000; knitting machines 3,814, an increase of 1,800. The hours of labor are in no case less than 11, and in knitting mills 10 to 10 1/2 hours. Male 18,174, an increase of 21 per cent; females 18,377, an increase of 15 per cent; children under 14 years 7,965, an increase of 5 per cent. Eighty-two per cent of the adults read and write, which is the same as the previous year while only 65 per cent of the children read and write, this being 3 per cent less than last year.

DEAFNESS OR HARD HEARING ARE NOW CURABLE HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS: "Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion." About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the deaf ear has been entirely restored. I thank you heartily and beg to remain very truly yours.

TO MY FRIENDS AND PATRONS OF GRANVILLE AND OTHER COUNTIES. You have raised your tobacco to sell for money. I have reduced my warehouse expenses to the very lowest point compatible with good business methods. I want a large quantity of tobacco for my own use, therefore I can afford to push every pile of your tobacco to the HIGHEST MARKET PRICE. We have the strongest corps of buyers we have had in years with strong demands for all grades of tobacco. I mean BUSINESS. If you want the most money for your tobacco bring it to me at the Johnson Warehouse and you shall have my very best efforts on every pile of tobacco placed on my floor. Yours very truly. Z. W. LYON.

It Makes Weak Women Strong. "I suffered from female weakness for five months," writes Miss Belle Honick, of Nye, Putnam Co., W. Va. "I was treated by a good physician but he did me no good. I wrote to Dr. R. V. Pierce, Buffalo, N. Y., for advice, which I received, telling me to take his 'FAVORITE PRESCRIPTION.'" When I had used the medicine a month my health was much improved. It has continued to improve until now I can work at almost all kinds of house work. I had scarcely any appetite, but it is all right now. Have gained several pounds in weight. I would advise all who suffer from chronic diseases to write to Dr. Pierce.

It Makes Sick Women Well. Successful Failures. The test of the success of a business career is not in the amount of money accumulated at the end, but in the honorable methods employed, and in the usefulness of the business during the long years of struggles and temptations of the business world of today with clean hands need not feel ashamed if he has not been able to fill his pockets. The blessed consciousness of doing right at all cost is the noblest success that this world affords.
