

# HON. W. W. KITCHIN.

The Congressional Convention of the Fifth District held in Greensboro two weeks ago re-nominated by acclamation Hon. W. W. Kitchin to succeed himself in the next Congress.

The evident feeling of the Convention was, that there was no use in giving any extended time to a matter which the vox populi had decided.

Of Mr. Kitchin it should be said that he is well deserving of the confidence which the people of his district have thus expressed in him. He is a man who has "risen from the ranks"—his success in life being due entirely to his own efforts.

He is a conscientious, painstaking, industrious member of Congress, and has proved himself to be faithful in the discharge of his duty to the section which he represents.

The manner of Mr. Kitchin's re-nomination is highly suggestive of the satisfaction his service has given his constituents, since it virtually a re-election by the votes of his district. He is the people's choice and will be re-elected without charges of bribery being made, or other scandal or acrimonious contention of any sort whatever.

The unanimous re-nomination of a member of Congress, or the unanimous nomination of any man for that position by a District Convention of his party is the highest possible compliment that can be paid any citizen or statesman. It is done only when the name presented to the people is a tower of strength to the

## DR. EUGENE GRISSOM A SUICIDE.

### Kills himself in Washington—He Was a Native of Granville.

Washington, July 27.—Dr. Eugene Grissom, once well known as an alienist and neurologist, committed suicide here to-day at his home, by sending a bullet through his brain. Dr. Grissom had been dejected and morose for several weeks and had become physically and mentally weakened from the use of strong narcotics. He was a native of Granville county, N. C., severed on the Confederate side until wounded during the civil war and afterwards was a member of the State Legislature. For 21 years he was superintendent of the North Carolina Insane Asylum, at Raleigh, and gained a wide reputation as an alienist and lecturer. Before the American Medical Society he delivered a lecture entitled "The Borderland of Insanity," that attracted great attention. He was the author of "True and False Experts," a work devoted to showing the alleged inaccuracies of the expert testimony in insanity cases. Dr. Grissom was one time first vice president of the American Medical Society and several times presiding officers of the Association of American Asylums.

He was the president of the convention of 1886. He was a Mason of high degree.

He was born in Granville county in 1831, and was 71 years old when death came. He was a son of Wylie Mangum Grissom, his mother having been a Miss Polly Bobbitt. Dr. Grissom was educated in this State but graduated in medicine in the University of Pennsylvania and then began to practice in Granville county, making a specialty of nervous diseases and insanity. In the Civil War he was the captain of a Confederate company and was wounded in the Seven Days Fight around Richmond. While in the hospital he was elected to the Legislature in this State. In after years he was a Republican and while superintendent at Raleigh the Republicans desired him to become a candidate for Congress and for Governor, but he declined both nominations.

He was emeritus inspector general, thirty-third degree, of the Ancient and Accepted Order of the Scottish Rite, and was an active member until he removed from North Carolina. He was an Odd Fellow, a Knight Templar, a Knight of Pythias, and a Fellow of the Royal Order of Scotland. Dr. Grissom was a member of the Methodist church.

There survive him five children, his wife having died while they resided in Raleigh. These are Eugene, Jr., with whom he lived, and who is connected with the Pension Bureau in Washington, Robert Grissom, a druggist in Cripple Creek, Colo., Mrs. Harry Ruffner, of Denver; Mrs. Dr. Rucker, of Basalt, Colo., and Miss Lillian A. Grissom, a trained nurse living in Washington.

## THE GEORGIA SOLDIERS.

### Adjutant General Royster Visited Them Friday Accompanied by his Staff.

Adjutant General P. S. Royster, Col. F. A. Macon and Major William Landis, of the North Carolina state guard, arrived here from Raleigh yesterday on the Seaboard Air-line to pay the respects of Governor Charles B. Aycock to the Fifth Georgia regiment at its encampment at the Hammocks.

The above officers accompanied by Major W. F. Robertson and Major C. H. White, local members of the governor's staff, and Captain A. P. Adrian, and Lieutenants N. E. Gillilan and George P. James, of the Wilmington Light Infantry, went to camp Terrell yesterday afternoon to call on the Georgia officers. The Georgians gave the North Carolinians a most hospitable greeting, and General Royster and his associates expressed the great pleasure they felt at having the troops of Georgia on North Carolina soil.

Colonel Anderson, commander of the Fifth Georgia, invited General Royster and staff to accompany him in the review of his troops. The review took place at 7 p. m. and was witnessed by a tremendous crowd of spectators, including a great number of beautiful ladies and many citizens. The appearance of the regiment and their parade was highly complimented by General Royster and staff, a particular feature being the splendid regimental band which accompanied them in the review. The drilling and field movements of the Georgia troops were fine and steady and aroused the admiration of the North Carolina soldiers. The spectators viewed the spectacle with a great deal of pleasure and pride. After the review the North Carolina officers were invited to take dinner with the Georgia officers. A sumptuous repast was served and during the function several toasts were responded to by the officers around the board.

Colonel Anderson eloquently toasted the Governor of North Carolina, and a splendid response was made by General Royster who presented the compliments of Governor Aycock and expressed his regrets that, owing to his filling engagements previously made at educational rallies, he could not be present himself at Camp Terrell. General Royster said however that he brought the hearty greetings of the chief executive of North Carolina with his hope that the 1902 encampment of the Fifth regiment had been very satisfactory and pleasant, and that he would have the opportunity of welcoming the Georgia soldiers in the future. General Royster closed with a toast to the governor of Georgia.

Colonel Anderson responded happily and spoke feelingly of the kindly and hospitable treatment and many courtesies which the Georgians had received at the hands of the citizens of Wilmington and the representatives of the North Carolina militia from all parts of the state. He assured the North Carolina officers that their encampment had been a most successful one and that whenever they left their own state for an encampment there would be a unanimous desire to come again to North Carolina.

After dinner the Fifth regiment band gave a concert in compliment to the North Carolina officers. After listening to several admirable numbers of delightful music by this splendid Georgia musical organization, the officers of Camp Terrell, accompanied by the North Carolina officers, proceeded to a reception given at the Atlantic Yacht Club by the Wilmington Light Infantry in honor of the Georgians.—Friday's Wil. Messenger.
