Services at Methodist Church.

The meeting at the Methodist church is still in progress and much excellent preaching is being done. The pastor, Rev. A McCullen, preached on last Sunday morning to a large and appreciative audience. His subject was, The Judgment, which he handled in a most instructive and interesting manner. It was a heart searching sermon and showed in vivid picture how awful will be that great day to the wicked and how blessed to the righteous. The sermon could but impress upon those not prepared to meet the fearful responsibility of that day.

Rev. Pegram preached a very able and edifying sermon on Sunday night on "What I do with Christ?" We believe that good is being done in these meetings though as yet, there is little manifestation on the part of the unconverted. The meeting will probably continue through this

Dr. T. L. Booth was elected chairman of the new board and Mr C. D. Ray secretary. Mr. W. T. Lyon did not qualify as a member of the Board and Dr. I. H. Davis was elected in his stead, which we consider a most excellent selection. Dr. Davis was then

made treasurer of the Board. There was no election of superintendent or teachers at this meeting. The Board will meet again next Monday night at which time an election may take place. Bonds Defeated.

So the bonds are defeated and Oxford has taken a step backward. The vote was 86 for and 33 against bonds and after the registration books were purged and the names of those unqualified to vote were dropped, the bonds lacked just one vote to carry them through. Just here we learn the importance of those who stand for a principle working until the last hour. By just a little more effort the friends of this measure might have easily carried it. The only plan in politics either municipal, eigh Sunday. county or State is to work all the time and take nothing for granted until the last vote is counted. Our plan is to work and vote early and

leave no stone unturned. Let us, however, not be discouraged, but under the leadership of our excellent Board of Town Commissioners go forward to secure public improvements. We shall not be able to get everything at once, but we can first have our streets and sidewalks put in first-class order and later work for electric lights and waterworks.

Mrs. Sophia Hobgood Dead.

Mrs. Sophia Hobgood, relict of the late Alfred Hobgood, departed this life on last Thursday morning at her home in Oxford.

Mrs. Hobgood had been in declining health for some time, but the immediate cause of her death was a stroke of paralysis the day previous. She was well known in Oxford and Granville county, being a devoted christian lady and a consistent mem ber of Oxford Baptist church. Th funeral services were conducted from this church on Friday afternoon, and the pall-bearers were: E. K. Howard, Stark, Judge Graham, Jas. Long, S W. Cooper, C. D. Ray. The interment was in Elmwood.

Mr. and Mrs. Geo. Knott, of Kin ston, and Mrs. Thos. Jeffreys, o Rocky Mount, attended the funeral To the bereaved family we extend our kindest sympathies. May a divine Providence comfort them.
