Hundreds of housewives who never dye anything, who think they can't dye, or imagine it is a task, are losing the good of castaway fabrics that could be made new with DIAMOND DYES

It is an extremely easy process to color with Diamond Dyes, and the cost is but a trifle. They are for home use and home economy. We have a special department of advice, and will answer free any questions about any sample of goods when possible.

How long will it take the man to fill the sack if he does not stop the leak? To attempt to nourish the body when the stomach is diseased is like trying to fill the hole with the sack.

Enough is eaten but the body loses flesh,—plain proof that the food eaten is largely wasted because it is not digested and assimilated. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It stops the leaks by which nutrition is lost, and enables the building up of the body by the nutrition derived from food. The gain in weight proves the cure.

Dr. Pierce's Pleasant Pellets cure constipation.

Consumption

The only kind of consumption to fear is "neglected consumption."

People are learning that consumption is a curable disease. It is neglected consumption that is so often incurable.

At the faintest suspicion of consumption get a bottle of Scott's Emulsion and begin regular doses.

The use of Scott's Emulsion at once, has, in thousands of cases, turned the balance in favor of health.

Neglected consumption does not exist where Scott's Emulsion is.

Prompt use of Scott's Emulsion checks the disease while it can be checked.

THIRTY YEARS' EXPERIENCE WITH

BUFFALO LITHIA WATER

The Use of Buffalo Lithia Water in the Glinique.

Dr. E. C. LAIRD, formerly of Haw River, N. C., now Resident Physician Hot Springs, N. C.

To the Editors of the New York Medical Times: I want to state to your readers that I have had more than thirty years' experience with Buffalo Lithia Water, covering a period of more than thirty years, since my first visit to those now far-famed springs. Each year of my professional life I have used these waters more and more extensively, finding their virtues applicable to a wider range of diseases.

I am thoroughly convinced of the correctness of the views expressed so well by Dr. Hunter McGuire, in the following words, when speaking of the waters of the Buffalo Lithia Springs: "I know from constant use that it is generally and in my practice, that the results obtained from its use are far beyond those which would be warranted by the analysis given. It is a water of a most wonderful remedial agent, as yet undiscovered by medical science, or its elements are so delicately combined in Nature's laboratory, that they defy the utmost skill of the chemist to solve the secret of their power."

I have often and repeatedly prescribed the various preparations of lithia and potash, but am thoroughly convinced that the results obtained from the pure Buffalo Lithia Water are far superior.

I have frequently heard Prof. Wm. T. Howard, before his class in the University of Maryland, say that he had never known another mineral water than from any other known mineral water.

BUFFALO LITHIA WATER Spring No. 1, is unexcelled as an appetizer and promoter of digestion in all forms of dyspeptic trouble affecting the whole, or any part of the alimentary tract. Physicians and patients all testify to its virtues as a powerful restorative of the broken down or enfeebled system, whether resulting from overwork, worry or disease. It acts directly in producing a better quality of blood, and invigorating and toning up the nervous system generally. Its aphrodisiac properties are very distinctly shown in many cases each year.

As an alkaline diuretic and **HEART TONIC**, it has proved most efficacious and certain.

In the various forms of **LITHAEMIA** it is especially effective and happy in its action. **HEPATIC** disorders, whether of **GOUTY** or **MALARIAL** origin and attended with **JAUNDICE** or **BILIARY CALCULI**, yield to the action of this Water like magic.

In many cases of **DIABETES** I have seen most gratifying results from its use. **DISORDERS PECULIAR TO WOMEN**, **AMENORRHOEA**, **MEMORRHAGIA**, **DYSMENORRHOEA**, are especially benefited by its use. Especially is this the case with young and anemic girls just entering into womanhood.

GOUT, **RHEUMATISM** and **ALL URIC ACID** troubles are markedly relieved by Nos. 1 and 2 **BUFFALO LITHIA WATER**. I have now under treatment a case of **GOUTY HEART**, in which my patient is comparatively comfortable, and often able to attend to large business interests, so long as he is fully under the influence of these waters, but to suspend their use for even one day so intensifies all of his symptoms of suffering as to utterly prostrate him.

As a solvent and **ELIMINATOR OF PHOSPHATIC OR URIC ACID GRAVEL**, these waters have never failed me. I have often placed **GRAVEL** in the fresh water, and to hasten the disintegrating process, then break down into fine sand. It would first become "honey combed," and then break down into fine sand. It is the cause of the continued pouring of small particles, so often, for days or weeks, with the ultimate complete relief of all those distressing symptoms from which the poor suffer has so long complained, and sought relief in vain from "many physicians."

Under the influence of **BUFFALO LITHIA WATER**, **PASSISIXTY-EIGHT** cases in one day, following an attack of **NEPHRITIC COLIC**. Another patient (a lady) after a severe attack of **HEPATIC COLIC** passed ten large stones in one night, at once experiencing entire relief from most distressing symptoms, from which she had suffered for months.

CYSTITIS and **URETHRITIS**, simple or gonorrhoeal, often yield to the healing influence of these waters, at once, when other and standard remedies have failed completely.

BRIGHT'S DISEASE in every stage and form, is benefited by these waters. In many cases large amounts of **ALBUMEN**, **EPITHELIUM**, **HYALINE** and **GRANULAR CASTS** are eliminated from the urine, and the patient, who before the use of these waters, were in a state of hope for permanent benefit, all those distressing symptoms are ameliorated in an astonishing degree.

In **NEPHRITIS** following **SCARLET FEVER**, the action of these waters is especially gratifying. I invariably prescribe **BUFFALO LITHIA WATER** as soon as the patient is able to take any food, and in many cases, where the disease is suspected, and have yet to see any other remedy that has been done.

In the **NAUSEA** and **VOMITING**, **URICEMIC POISONING** and **ALL FORMS OF PREGNANCY**, I know of no other remedy that has been so uniformly successful in relieving the patient, and in restoring the system to its normal condition. My experience with this agent, that it has long been my habit to prescribe prophylactically, as well as most potent remedy through all the stages of **GESTATION**.

My object in this letter is to lead my professional colleagues to think of this agent in cases where they have not before used it, with the belief that the experience will accord with my own, which covers so many years. Fraternally yours, E. C. LAIRD, M. D. Hot Springs, N. C., Feb. 7, 1896. Testimonials which defy imputation or question mailed on request.

Traveling is Dangerous. Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, tramping, street car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease, Geo. E. Hansen, locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure." Too Great a Risk. In almost every neighborhood someone has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for any one to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine used. It can always be depended upon. Sold by all druggists.

The Wastes of the Body. Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn-out tissue. This waste can not be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures indigestion, dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by J. G. Hall.

The X-Rays. Recent experiments, by practical tests and examination with the aid of the X-Rays, establish it as a fact that Catarrh of the Stomach is not a disease of itself, but that it results from repeated attacks of indigestion. "How Can I Cure My Indigestion?" Kodol Dyspepsia Cure is curing thousands. It will cure you of indigestion and dyspepsia, and prevent or cure Catarrh of the stomach. Kodol digests what you eat—makes the stomach sweet. Sold by J. G. Hall.
