

SCROFULA

I bequeath to my children Scrofula with all its attendant horrors, humiliation and suffering. This is a strange legacy to leave to posterity; a heavy burden to place upon the shoulders of the young.

This treacherous disease dwarfs the body and hinders the growth and development of the faculties, and the child born of blood poison, or scrofula-tainted parentage, is poorly equipped for life's duties.

Scrofula is a disease with numerous and varied symptoms: enlarged glands or tumors about the neck and armpits, catarrh of the head, weak eyes and dreadful skin eruptions upon different parts of the body show the presence of tubercular or scrofulous matter in the blood. This dangerous and stealthy disease entrenches itself securely in the system and attacks the bones and tissues, destroys the red corpuscles of the blood, resulting in white swelling, a pallid, waxy appearance of the skin, loss of strength and a gradual wasting away of the body.

S. S. S. combines both purifying and tonic properties, and is guaranteed entirely vegetable, making it the ideal remedy in all scrofulous affections. It purifies the deteriorated blood, makes it rich and strong and a complete and permanent cure is soon effected. S. S. S. improves the digestion and assimilation of food, restores the blood and quickens the circulation, bringing a healthy color to the skin and vigor to the weak and emaciated body.

Write us about your case and our physicians will cheerfully advise and help you in every possible way to regain your health. Book on blood and skin diseases free.

WADE H. BRITT, LOCAL EDITOR.

THURSDAY, - - - SEPT. 3, 1903.

A Few Words on Temperance.

Springhope, N. C., Aug. 19, 1903.

Mr. Editor:—Allow me space in your most valued paper for the following subject: Shall we slay the saloons?

Woe to him that buildeth a town with blood and establisheth a city by iniquity. Woe unto him that giveth his neighbor drink, that putteth the bottle to him and maketh him drunken.—Habakkuk.

Who can tell the story of strong drink? Orators have tried to vividly depict it. It has been the theme of poet and singer, the subject of teacher and preacher. But the depths and anguish it have caused have never been sounded; the hearts it has broken have never been counted; the homes it has wrecked have never been numbered; the lives it has blighted are beyond apprehension. It is a subject which touches the secret springs of the home life. Strong drink has driven the love-light from the eyes, the bloom from the cheek, the color from the lips, the strength from the parent's arms, the love from his breast and the comfort from the home. It has bruised the baby's tender form, snatched shoes from its tiny feet, the food from its expectant lips. Strong drink has filled the prisons and asylums, the poor houses and hospitals with its victims.

Strong drink! there is no crime of which it has not been guilty, no cruelty of which it has been innocent, no deception which it has not practiced, no dishonor which it is not capable, no wreck and ruin to body, mind and spirit which it has not wrought. There is a great crowd of witnesses. Go to the felon's cell and ask the youthful criminal the cause of his delinquency, go to the murderer's dungeon and ask him what brought him there; go to the struggling widow and ask her what ruined her husband; go to the stricken mother and ask for her boy; go to the helpless orphan and ask for his parents. One chorus of voices will answer: "Strong drink! strong drink! strong drink!"

It is the enemy of all purity and righteousness. "There is nothing new to say upon the subject, but there is a plenty to do, it seems, to put the evil away from us. All acknowledge its baneful influence upon the life of our nation, but few comparatively seem to realize their personal obligation towards this momentous question. Of many arguments used against prohibitory legislation, there is one which says "that if prohibition is granted the traffic will be carried on by 'bot-leggers' and driven into dives. If the traffic must exist at all these are the very places whither it should be driven. Old toppers will find them, of course, but our boys will have the chance for the first time of being saved from the open temptation of the saloons, and when the open saloon becomes illegal, drinking becomes less respected. Let us protect the young men and make them useful men in the future."

F. W. PITTS.
Raleigh Post: Jacob Flaherty a young white man employed as a flagman on the Seaboard Air Line, accused of stealing articles with a face value of about \$2,000, was sent to jail last week in default of a \$500 bond.

A Purgative Pleasure.
If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure it is. These famous little pills cleanse the liver and rid the system of all bile without producing any unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston Tex. says "No better pill can be used than Little Early Risers for constipation, sick headache, etc." J. G. Hall

Discovery of rich gold fields in the State of Oaxaca, Mexico, causes excitement there.

Gained Forty pounds in Thirty Days.
For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in weight. He is now fully recovered. We have a good trade on the Tablets.—Holley Bros. Merchants, Long Branch, Mo. For sale by all druggists.

Occasionally women make fools of men, but they are not responsible for all the fools.

The Pleasure of Eating.
Persons suffering from indigestion, dyspepsia or other stomach trouble will find that Kodol Dyspepsia Cure digests what you eat and makes the stomach sweet. This remedy is a never failing cure for Indigestion and Dyspepsia and all complaints affecting the glands or membranes of the stomach or digestive tract. When you take Kodol Dyspepsia Cure everything you eat tastes good, and every bit of the nutriment that your food contains is assimilated and appropriated by the blood and tissues. J. G. Hall.

A man doesn't necessarily lead a dogs life because his wife pets him.

Doctors Could not Help her.
"I had kidney trouble for years," writes Mrs. Raymond Corner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very dose gave me relief and I am now cured. I can not say too much for Foley's Kidney Cure." Sold by R. L. Hamilton.

Doctors Could not Help her.
"I had kidney trouble for years," writes Mrs. Raymond Corner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very dose gave me relief and I am now cured. I can not say too much for Foley's Kidney Cure." Sold by R. L. Hamilton.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects indigestion, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Do not make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

The Genuine vs. Counterfeits.
The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. J. G. Hall.

The Hustler says Mr. T. C. Myers, of Wilkes, brought a load of dried blackberries to North Wilkesboro one day last week and realized \$150.50 for the load.

Rydales Elixir.
The new scientific discovery for diseases of the throat and lungs acts upon a new principle differing greatly from the old style Cough Medicines, which are composed chiefly of wild cherry and tar, which do little more than stimulate the lining of the throat and lungs. Rydales Elixir strikes at the root of the trouble, it kills the microbes that cause throat and lung diseases. It removes the cause and hastens recovery by helping nature restore the diseased organs to health. J. G. Hall.

The agricultural department of the country is lucky. It is the only one which can use grafting methods without subjecting itself to suspicion.—Baltimore American.

Is Indigestion a Disease?
The best medical authorities say that indigestion is not always caused by diseased stomach, but may result from a disordered liver, constipation, excitement etc. The cause of little consequence when Rydales Stomach Tablets are taken as they never fail to get the stomach back to normal, the stomach from irritating acids and an excess of gas. They relieve at once, belching, heartburn, sour stomach, fullness after eating etc. Rydales Stomach Tablets have a specific tonic effect on the stomach and organs of assimilation and are guaranteed to cure the worst forms of stomach trouble. J. G. Hall.

A country which is free from lying intrigues hasn't much need of diplomacy. She can be open and fair in a proclamation of her rights and properly resentful if she is imposed on.—Cincinnati Enquirer.

Feet Swollen to Immense Size
"I had kidney trouble so bad that I could not work," says J. J. Cox of Valley View, Ky., "my feet were swollen to immense size and I was confined to my bed and physicians were unable to give me any relief. My doctor finally prescribed Foley's Kidney Cure which made a well man of me." Sold by R. L. Hamilton.

Speaker-to-be Cannon continues in his opposition to financial legislation so dear to the President and the Wall Street contingent in the Senate.

Foley's Honey and Tar is peculiarly adapted for chronic throat troubles and will positively cure bronchitis, hoarseness and all bronchial diseases. Refuse substitutes. Sold by R. L. Hamilton

The vice presidential bee is naturally disconsolate at so seldom finding a bonnet that he may call his own.—Judge.

A New Jersey Testimonial.
M. T. Lynch, Editor of the Phillipsburg, N. J. Post writes: "I have used many kinds of medicines for coughs and colds in my family but never anything so good as Foley's Honey and Tar. I cannot say too much in praise of it." Sold by R. L. Hamilton.

Teach your boys breadwinning and your girls bread making, and the divorce mills will soon run out of grist.—Dallas News.

Used for Pneumonia.
Dr. C. J. Bish of Agnew, Mich., says, "I have used Foley's Honey and Tar in 3 very severe cases of pneumonia with good results in every case." Refuse substitutes. Sold by R. L. Hamilton.

Don't pay \$1.50 a gallon for Linsed oil (worth 60c) which you do when you buy this paint in a can with a paint label on it. \$ 6 & 6 make 14 therefore when you buy 14 gallons of paint, buy only 3 gallons of L. & M., and mix 6 gallons of pure linsed oil with it. You need only four gallons of L. & M., paint and 3 gallons of oil mixed therewith to paint a good size house. Boxes painted with these paints never grow shabby, even after 18 years. The celebrated paints are sold by J. F. Edwards.

In McDowell county, we are told, Mr. Cornelius Wheeler was bitten in two places by a venomous snake. Under the advice of "Aunt Jennie Simmons," a snake doctor of repute, Cornelius drank about a pint of whiskey, one-half pint spirits of turpentine, one quart of blackberry wine and ate two and one-fourth plugs of the "Red Elephant" tobacco and within twenty-four hours he was able to sit up and was reported still improving. Now the question arises, if Wheeler could survive that treatment isn't it proof positive that he would recover from the bite of the biggest rattlesnake that ever drove its fangs into human flesh?

A Good Liver.
A bad liver means a bad breath, bad complexion poor digestion and often constipation. A good healthy active liver means a fine clear skin, free from pimples and spots, bright eyes buoyant spirits in other words good health. Make the liver healthy and keep it healthy by using Rydales Liver Tablets. They act specifically on the liver as a mild stimulant and tonic, arousing it to activity. They gently stimulate the muscular walls of the bowels and intestines and thus assist nature to restore a regular health habit. J. G. Hall.

I have found Dr. Moffett's TEETHINA a splendid remedy and aid for my teething children. When my oldest boy was a teething child, every succeeding day warned us that he would inevitably lose him. I happened upon that day on he recuperated. I have constantly kept it and used it twice with my children, and have taken great pleasure in sounding its praises to all mothers of young children. I found it invaluable even after the teething period was passed.
