LITTLE LAMB.

Broke Into His House.

S. Le Quinn of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. Kings New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure, 25c at J. G. Halls.

hargrove-happenings.

Mrs. J. H. Daniel and children after a two weeks' visit to her father in Nash county, has returned home.

Mrs. Edna Wright, who has been suffering so long with cancer, is very low. She has born her affliction well so far, trusting all to Him who doeth all things well.

Mr. Barnett Eakes and Miss Sallie Stroud were married the 7th inst. by Squire W. B. Horner. After receiving congratulations from their many friends they took their departure for Greene county, where they will make their future home.

DUPREE.

Oak Grove School.

Public school No. 2, in Sasfras Fork township, known as Oak Grove, made a most excellent beginning on September 28th. Our teacher, Mr. D. M. Stovall, a full graduate of one of the best high schools in the State, and who made the second highest grade on examination in this county under Prof. Buchanan, has given perfect satisfaction to our patrons here before and as he has more experience in his work, we do not expect less of him this time.

The board could not have given us better men for a school committee than we have in the persons of Mess. D. D. Wilson, W. L. Taylor and John Bullock. The patrons all seem to be interested in the work of the school this time and have entered more pupils than we have hitherto had at the beginning for some years. Our very best people patronize the school, and we predict the most prosperous term and even better work than we have had in years past.

PATRON.

JUST IN TIME.

A motorman in Chicago ran his car onto the approach of an open bridge but stopped it with the fender actually overhanging the gulf below. He wouldn't want to repeat the experiment because the chances are that he'd never again have the same good fortune.

Once in a while some one who has traveled to the very edge of the danger line of stomach disease stops just in time to save his health. But the majority of people go across the line, and slight symptoms of indigestion grow to disease of the stomach, involving the other organs of digestion and nutrition. Indigestion and other forms of stomach "trouble" are perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the whole body by enabling the perfect digestion and assimilation of food.

\$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.

"I have been suffering for about eight years," writes Mrs. H. Pierce, of Mill Springs, Ky. "I had several doctors to treat me—some for female weakness and others for stomach trouble, but received no relief. When I wrote you for advice I was hardly able to work, and you advised me what to do. I took nine bottles, five of 'Golden Medical Discovery,' four of 'Favorite Prescription,' also two vials of the 'Pellets.' Dr. Pierce's medicines will do all that you claim for them. Believe I would have been in my grave if I had not taken them."

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 41 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Creedmoor Croppings.

The weather must have been too rough Sunday for Little Lamb to venture out.

Mr. Sam Hall, of Hampton, and Mr. Howard, of Danville, visited Creedmoor last Monday.

Rev. W. H. Puckett preached a powerful sermon to an attentive congregation in Creedmoor the first Sunday night.

Mrs. T. D. Cannady with this scribble had the pleasure of visiting the home of Mr. John Peed and Mrs. Belvin the first Saturday and Sunday.

Our old friend, Mr. Bob Longmire, was in our burg with his viola a few days ago, and proved to the people that he had not forgotten how to use the bow.

The Bible says thou shalt not steal. This includes all and he who takes a photograph without asking for it is as guilty as he who takes a horse without paying for it.

Mr. Dudley Peed and grand-daughter, Miss Mattie Nichols, of Wake county, Mr. Bennie Daniel and sister, of Adoniram, visited us during the Association at Dutchville.

How many of the correspondents are going to the State Fair at Raleigh? I hope some one who goes will give an account of their trip through the Public Ledger.

Messrs. Walter Ray, Mason and M. B. Nipper, of Wake county, paid us a short visit last week. We are sorry for one of these boys as cupid has dealt him such a terrible blow.

Creedmoor at last is on a boom. Mr. D. P. Wagstaff has had another room added to his store to be used as a millinery department. Several dwellings have been built recently and others have been repaired. Everybody is taking a new interest in building up the place, and as for schools, none are better than ours.

MAGNOLIA.

A Cough is only a Symptom.

A cough is not a disease but symptom of disease. A cough always indicates that either the throat or lungs are affected. When the mucus lining of the throat or lungs becomes inflamed the irritation causes coughing. Don't neglect a cough. It may be the symptom of serious throat or lung disease. Kydaxes Elixir kills the germs that cause the trouble, soothes the irritated mucous membrane, gently stimulates the nerves that control the respiratory organs and thus helps nature to speedily restore normal conditions and healthy action. I. G. Hall.

Salem Sayings.

It seems that winter has come upon us all at once.

We hope our preachers and people will avail themselves of the opportunity and go to hear evangelist Black in Oxford this week.

Rev. Marvin W. Hester, Missionary to Poto Ilco, is in New York on business, and is expected to reach home this week to see his father who is sick.

The public school opened at Dabney Oct. 12th with Mr. Buck Horner as principal and Miss Carrie Fuller assistant. We wish them much success.

Our people are much interested over our delivery mail route to Dexter and beyond. They are getting boxes and want to be ready by Nov. 2nd to receive their mail at their homes.

Brother Stradley's piece "Neglect" in last week's issue should be read in every home and around every fire-side. May he live long both to preach the word and write the word.

The price of tobacco is below the cost of production and farmers cannot afford to sell at such prices. The man who talks or thinks of planting tobacco another year to pay debts should have a guardian appointed.

Rev. W. S. Hester was taken quite sick last Sunday. Dr. Hays was summoned and several of the family were with him Sunday night and Monday. At this writing (Tuesday) his condition is better than it was on Sunday and Monday.

Four of our boys—Jesse and Irvin Aiken, Numa Crews and William Hunt are doing well at Trinity Park High School, while Misses Lucille Aiken and Ethel Breedlove are doing fine work at L. F. College. There are 150 students at each of these schools.

Our public schools, with Miss Dan Marrow teacher at Salem and Miss Jesse Hobgood at Penny Hill, have opened up and are moving off nicely. We feel up and around every reason to expect a prosperous school term. Teachers and people must look up the children who are not in school and encourage them to come.

A great revival was held at Dabney the week after the fourth Sunday in September. Rev. Mr. Hart-ell, the popular pastor, was assisted by Rev. Mr. Powell, of Littleton, and Rev. Mr. Whitaker, a former pastor. All did good preaching and fine work. There were as many as fifteen con-

verts at a single service and a large number added to the church.

A fine meeting was held at Poplar Creek church last week. The pastor, Rev. Mr. Hunter, was ably assisted by our Brother Pace, of Oxford. On Wednesday morning Brother Pace preached on "The Holy Spirit," and in the afternoon he preached on "Be sure thy sins will find thee out." These were up-to-date sermons and cannot be surpassed by any one. They had a fine meeting and quite a number added to the church. The people both at Dabney and at Poplar Creek cannot be surpassed for their hospitality and brotherly love. This writer received every courtesy at these meetings, was given a hearty welcome and made to feel at home. May the Lord continue to bless these good people.

Sudden Death of a Good Woman.

The death of Mrs. Sallie Wyche, wife of our townsman, Dr. J. E. Wyche, last Friday night brought unutterable sorrow to the family and friends of that most excellent woman.

Mrs. Wyche had been in poor health a year or more, suffering with kidney trouble, but until a day or two before her death had been able to direct her household affairs and go about among her friends, and few were prepared for the news that her life was ended. She was a daughter of

Mr. J. N. Richardson, of this city, in addition to her husband and little daughter she is survived by her father, two brothers, Dr. W. J. and Dr. E. E. Richardson, and a sister, Mrs. Trogdon. She had been a consistent Christian all her life and the approach of death caused no terror in her heart. Her funeral took place Saturday evening from the family residence on West Gaston street, her pastor, the Dr. Turrentine, conducting the touching service, assisted by Rev. Dr. Crawford. The remains were tenderly laid to rest in Greene Hill cemetery beside those of her mother and a little daughter who had preceded her to the world on high.—Greensboro Patriot.

Dr. Wyche was an honored citizen of Oxford for a number of years, and his many friends will learn of his sudden affliction with sorrow, and the editor joins them in extending deep sympathy to him and dear little daughter in the hour of deep little.

Stomach Trouble Causes Heart Trouble.

Heart trouble is almost always caused by stomach trouble. The stomach fails to digest all the food, and the residue ferments, forming excess of gas which distends the walls of the stomach, causing a pressure on the nerves and arteries that lead to the heart. This causes the heart to palpitate or skip a beat occasionally, or both, which is usually very alarming, causing grave apprehensions. Rydaxes Stomach Tablets will prevent this trouble. They digest the food and prevent gas from forming in the stomach. If there is no gas in your stomach your heart will not trouble you. J. G. Hall.

A Double Marriage at Hotel De Smith.

A double marriage was solemnized at the Exchange Hotel on last Sabbath evening just after supper. The contracting parties were Mr. A. G. Garner and Miss Ernie Ward, of Mecklenburg county, Va., and Mr. E. C. Newcomb and Miss Marie Rutledge, of Randolph, Va. They came over Sunday afternoon on the O. C. train and stopped at the Exchange where they were treated with every courtesy by Mr. and Mrs. Smith. Soon after their arrival the young men began to enquire for the location of Deeds, and acting Deputy W. T. Lyon was found, who at once issued the license. The services of Dr. R. H. Marsh were then secured and these happy couples were no longer twain. The marriage which took place about 8 o'clock in the parlor of the hotel, was witnessed by a large number of our people, who were to see the good work go on, though they are rather slow (the men) in helping forward the movement.

Though unknown to our people, we wish these happy couples much pleasure in their wedded life. They were nice looking and well behaved and are no doubt very clever young people. They left for their home in "Virginia" Monday, as happy as larks after their somewhat romantic marriage.
