PORTLAND, MAINE, Oct. 17, 1902.
I consider Wine of Cardui superior to an doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruction which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally feit discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a charge for the better within a week. After inbeteen days treatment I menstructed without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.
