GIRL'S SECRET.

and finally said, 'Why, you dear, sweet girl, constitution that's out of kilter. You sit right down now and write a letter to Dr. Pierce, at Brifalo, N. Y., tell him all your symptoms'—and so I did, It wasn't long before I had a long reply, carefully going over my case and telling me just what to do. I date my present happiness and little Cupid's return to the very day I sat down to write that letter to Dr. Pierce, for his advice was so good and his 'Favorite Preand good health—not to say anything of good looks—are restored to me. I have summoned Tom back to my side and we are to be married in June."

The proprietors and makers of Doctor Pierce's Favorite Prescription now feel fully warranted in offering to pay 5500 for any case of Leucorrhea, Female Weakness, Prolapsus, or Falling of the Womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure. It is natural that a woman who has been cure others. It is natural too that she should recommend to other women the medicine which has cured her. It is such commendation which has made the name of Dr. Pierce's Favorite Prescrip-tion a household word for the past thirty-

the sun has another new spot-the

Consumption

There is no specific for consumption. Fresh air, exercise, nourishing food and Scott's Emulsion will come pretty near curing it, if there is anything to build on. Millions of people throughout the world are living and in good health on one lung.

¶ From time immemorial the doctors prescribed cod liver oil for consumption. Of course the patient could not take it in its old form, hence it did very little good. They

SCOTT'S **EMULSION**

and tolerate it for a long time. There is no oil, not excepting butter, so easily digested and absorbed by the system as cod liver oil in the form of Scott's Emulsion, and that is the reason it is so helpful in consumption where its use must be continuous.

¶ We will send you a sample free.

 Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. Scott & Bowne Chemists

than the farmers get for the whole the first part of each term will be set

anization is so much needed. The pensation to make such investigations one doubts of its final success. It is the court. No mayor, justice of the one full of significance and interest to peace, recorder or other inferior court al routes, and with the telephone ser al news through the daily newspa has become as feasible as the organiza-tion of any other industrial wrokers. This successful movement will strike a death blow to the apathy, indifference and in action that in the past charac terized a large majority of the tillers of the soil. It is a movement that will serve to dispel the gloomy apprehen ions which so often prevail among the toiling masses. It will be instrumental. if diligently and persistently followed, in developing and maintaining a spirit among the agriculturists that will gather in force and intensity until the land shall be bright with the gold en light of thrift, prosperity and intell

igence among the class that sustains the credit of the nation and gives to it its greatest glory.
Without co-operation there can be o advance. Without unity of action and aim the farmers of the country must continue to slumber on in obscur ity without appreciation from those whose very livelihood depends upon the farmer's work. The farmer indeed has been made the dupe and tool of all other associated bodies—the goose that has laid the golden egg, and from whom have been plucked the softest feathers that have made the beds of ease for others. Let the tobacco grow Astronomers have discovered that ers come up to their own rescue. They hold the whip hand, and they should largest ever discovered, as it is 80,000 use it. The withholding of tobacco miles wide. These are crooked times from the European markets for two and it is hard to find anything spot years would produce a revolution among the people of many of the na tions, whose revenue in large part is derived from the duties imposed upon obacco. The tobacco-grower should

bear in mind that the product which he offers for sale is of more general consumption than any other commo lity known to mankind except tea. The time is most propitious for the consolidation of the tobacco-growers into a permanent association that will ommand the respect of and inspire fear in every nation where tobacco is made a government monopoly. Such an association should strike terror to an association should strike terror to tables apply to, W. M. BULLARD, Oxford, N. C. CHAS, H. GATTIS, abiding and positive—that the specul tors who have fattened and gloated over the hard earnings of the tobaccogrower many know that the end of their dynasty is near, and that in the future the tobacco growers shall have a say-so in the fixing of the prices of

his great commodity. — Every State, county and district where tot acco is produced as a staple crop should join heartily in this move ment. Another thing. The farmers should demand of the government, to which they render ready support in are instantly relieved and perfectly peace and in war, protection from these trusts that are endeavoring to suck, like vampires, the very lite blood from the great vocation that unridles all others and makes permanent prosperity to the nation possible—trusts that consume the flesh and throw to the producer the bones and offal. Let the power of the planters that has that is threatening their very life. Let this power te felt and seen in vig orous action and let them resolve to hold the reins that control their own less than the resolve to hold the reins that control their own affairs. The principal now amounts to \$411,000. The money making pow er of money is one of its most interest than Tuesday, February 21st, 1905 a most interest of party harmony that you call at the earliest possible day, not later than Tuesday, February 21st, 1905 a most interest of party harmony that you call at the earliest possible day, not later than Tuesday, February 21st, 1905 a most interest of party harmony that you call at the earliest possible day, not later than Tuesday. destiny and direct their own affairs, benefactors should not lose sight of it. and let them determine that they will not continue to be the mudsills of so ciety forever. Let this movement among the planters, in which every one is vitally interested be ridiculed by its opponents as a commercial revo lution, farmers' fanaticism, a tempor ary spasm or what not, but the time has, come for co-operation, and the

turn for their labor. But the error should not be made of trying to organize all classes of farmers into one organization. Each special in the fruit and vegetable growers should attachments. Offer big bargains in Besides members of the committee form an association to protect them second-hand machines and it will pay and proxies, at least 50 other leading form an association to protect them second-hand inacting. Repairing a Democrats were present during the

agriculturists of the country have a greater concern in the preservation of peace and in the establishment of pros perity and good government than any other class. They are anchored, so to JOHN T. BRITT, OWNER AND EDITOR. speak, to the soil. But laws and heavy taxes effect them more surely, because their business is ultimate and all other classes may throw their burdens back oted to home interests. Large and on the farmers. There is also an established circulation. Good re- acute need for the co operation of far mers through organization as a coun tercheck to the vast accumulations of capital, which, through its corrupting influences upon legislation are destroy ing the fabric of government. The capitalistic power is daily widening and spreading like the exhalations of the upas tree. It blights and withers the upas tree. It blights and withers patriotism, and government is looked upon by it as a delegated agency to be run for its benefit.—Farm Magazine.

The Reformatory-Bill Carries Appropriation of \$50,000.

The Senate Thursday by a vote al most unanimous, passed the Scales bill for the establishment of a reformatory in this State for criminal youths. Ex pounds grown in the heavy districts cellent speeches, thoughtful, conserva of the Mississippi valley. ASSOCIATE COURSEL:

OXFORD, N. C.

Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. I could not urinate without great pain and I soughed so much that my throat and lungs were raw and sore. The doctors pro-nounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that it saved my life. I believe many women could save much suffer-ing if they but knew of its value. Deviges Dunber

Don't you want freedom from pain? Take Wine of Cardui and make one supreme effort to be well. You do not need to be a weak, helpless sufferer. You can have a woman's health and do a woman's work in life. Why not secure a bottle of Wine of Cardui from your druggist to-

Wine Cardui

selling more tobacco than any house in this part of the state. 2d. He is charged with selling tobacco at a higher price than any house in this section. The criminal practice and the Sat- 3d. He is charged with buying more obacco than any
