Newman, Dudley and Joe Fuller are called upon to mourn the death of their only sister, Mrs. Graham Peed, which occurred at her home in place in Oxford, Wednesday morning about 9 o'clock. Mrs. Peed has been sick for several years with consumption and lived a very quiet life most of the time at her home near Tar River. She was a most excellent woman, a devout Christian and much to be missed by her family and friends. She is survived by her husband, three sons and several children to mourn her death, and may God richly bless her children and grandchildren. Her remains were conveyed to her home in the country Thursday and interred by the side of her husband in the cemetery being conducted by Rev. J. A. Stradley.

Meeting of Tobacco Growers in Oxford. Having failed to get a meeting of the Tobacco Growers Association the 20th on account of inclement weather, I do hereby give notice that a meeting will be held at the residence of Mr. H. S. Lewis on the 13th. We will hold a mass meeting in the morning and every person who is interested in higher price tobacco is invited. Mr. S. A. Graham, our State President, will be with us and speak for organizing and co-operation. This is essential for relief. Immediately after the meeting we will meet at the residence of Mr. S. A. Graham, our State President, and make proper returns with their credentials so that he may be in position to make a report to the State Convention. M. BLALOCK, President.

Stealing Cow and Burglary. Norman Royster and Lester Barwell, two negro boys, stole John Thomas' nice cow Thursday night and carried her through the mud to Henderson, Oxford, where they hid her. Early Friday morning Thomas missed his cow and stepped stride of his mule and put out for Henderson. On his arrival he and the boys were cornered and stepped around and informed a police man who soon had Royster and Barwell with nippers on their wrists. They had not the cow and the cow was quite happy. The boys were brought back to Oxford by Chief Wheeler, and Saturday were tried by Judge Graham. The boys were bound them over to court, and failing to give bond were given steel rooms at Hotel de Turner. Royster is a married man and Mrs. A. B. Carrin charged him with entering her bed room in the night while she was asleep and stealing some of her clothing. He was given \$25.00. She described his size and the cap he had on when she awoke and discovered him crawling on the floor and quickly followed him out towards the back door. Some of the jewelry was found in his possession and he will now be tried for burglary.

Tobacco News—Farmers Warehouse. Below we quote prices on a few loads of tobacco and the averages received for plant round at Farmers Warehouse, Oxford, P. Meadows & Co., Proprietors, while many others received nearly the same prices. While medium tobacco looks low the dry old and heavy sorts are high. The right "stuff" on the right floor will bring you the right money. Sherman & Co. \$7, 11 1/4, 40, 51, 17 1/2, averaged \$27.40. J. P. Allen \$7, 11 1/4, 26 1/2, 45, 9 1/2, averaged \$23.10. T. A. Sherman \$10, 12 1/2, 30 1/2, averaged \$29.40. J. D. Hattcock \$8, 16, 33 1/2, 45, 51, 14 1/2, 3 1/2, averaged \$27.75. A. E. Allen \$8, 15 1/2, 47 1/2, 32 1/2, 14 1/2, averaged \$29.60.

Not a Word of Truth in it. By some means a rumor has become current that the Bank of Creedmoor has been robbed and we the writer signed, pronounce it false from beginning to end with no foundation what ever for such a rumor. The Bank is all right and needs the patronage of the people of this section. D. P. WAGSTAFF, J. P. SANDEFORD, Creedmoor, March 1st, 1905.

ORINOCO TOBACCO GUANO.

A Standard Fertilizer That has Stood the Test and Excelled by None.

Attention is called to the big display advertisement of the F. S. Royster Guano Company, manufacturers of Orinoco Tobacco Guano, on the fourth page of the Public Ledger this week. No fertilizer is better or more favorably known among tobacco growers. It has successfully stood the test for 30 years, and its sale exceeds that of any brand of fertilizers made in the United States. It is sold wherever tobacco is grown. The record of sales is perhaps its own best comment, speaking louder than words. In 1885 the sales were 250 tons; 1890, 5 years later, 750 tons; 1895, they reached 12,000 tons; 1900, 38,455 since which time the demand has increased phenomenally until the grand total of 139,700 tons was reached last year. The indications are that 1905 will show a still greater increase. Orinoco Tobacco Guano is too well known to require words of introduction or recommendation. It is looked upon in all tobacco growing communities as the standard tobacco guano and is not only recognized as such by merchants and planters, but by manufacturers as well. It is especially prepared for tobacco and that why it gives such remarkable and satisfactory results. When you see Royster's trade mark on a bag of fertilizer, it is like the word "Sterling" on silver—it is a guarantee of genuineness—and good news.

The F. S. Royster Guano Company is composed of North Carolinians, and during this growth of their business the company has not changed hands in any respect. The business was originally started by Mr. F. S. Royster, an old Granville man who many years ago located at Tarboro, N. C., and he is still the president of the company. Mr. P. B. Burroughs being the vice-president. It is an independent concern—"not in a trust"—and not a dollar of foreign capital is invested in the business. As the business increased enlarged facilities were required. The company moved to Norfolk owing to the high cost of land there and established a factory there while still operating the Tarboro plant. Factories have since been built at Columbia, S. C. and Marion, N. C., these works being among the largest in the entire South. The Parham Bros. Co., Oxford, Graham Royster at Buchanan and S. C. and Marion, N. C., have been appointed selling agents of the F. S. Royster Guano Company, and can supply their customers with this favor it fertilizer in any quantity desired.

Mr. J. L. Ramsey, editor of the Raleigh Enterprise, was in Oxford Tuesday.

Dr. Arthur Kew, a prominent Osteopathic Physician, has located in Oxford and will be glad to serve those in need of his services. See his card in another column.

A DESERVED HONOR.

That was a high tribute the House paid to Judge Graham last night when it adopted the code and constitution of the State. Several members spoke in terms of warm praise of the great work done by Judge Graham—a work of value to the State that has not been surpassed by any public man in North Carolina during this generation.
