BRIEF DASHES OF THINGS HAPPENING.

Occasionally love affairs drag on so that Cupid disappears and Father Time takes his place.

There is no doubt about it, we have had for the past two weeks a regular ground hog weather.

Mr. J. L. Garrett has bought the Alston cottage in North Oxford from Mr. S. W. Parker and moved in.

The pond in the rear of the Public Ledger office continues to grow larger and deeper, as the days roll by.

If you know of anything that will tend toward the betterment of Oxford talk about it early and often.

Mr. L. B. Turner has fitted up a neat office in the main building of his lumber yard and hoghead factory.

Lumber and shingles have been placed on the lot for the Episcopal Rectory on College street.

Rev. Mr. Henderson, of Henderson, will preach at Geneva church next Sunday morning at 11 o'clock and you are invited to attend.

Don't keep your eyes on the man you have just heard something bad about. It is more important that you keep them on your mouth.

Mr. and Mrs. L. Thomas have purchased the Gray dwelling on Asylum street and will soon have it repainted and otherwise improved.

Some of our subscribers are still in arrears and we would be glad for them to call and settle up. Don't put it off any longer as we need the money.

The many Oxford friends of Dr. G. A. Coggeshall will be much gratified to learn that he continues to improve from a severe attack of pneumonia at his home in Henderson.

Stop and think about it! Don't you really believe down in your heart that it is time for you to stop borrowing your neighbor's Public Ledger and subscribe for it yourself?

Grumblers are commonly an idle set. Having no disposition to work themselves, they spend their time in whining and complaining both about their own affairs and those of their neighbors.

If you would transform a friend into an enemy, remind him of his faults.

Don't expect people to be enthusiastic when you begin to tell your troubles.

Harold, aged 5, was just getting over an attack of the grip. Lending his little head on his mother's knee he said, wearily, "Oh, mamma, I feel just like a broken Christmas tree looks."

Dr. Moore, Presiding Elder of this District occupied the pulpit of Methodist church Sunday morning and night. At the morning service the Holy communion was administered.

An interesting story with pleasing specialties and a magnificent company to tell its touching tale are promised when E. E. Kidder's great play, "A Jolly American Tramp," is presented at the Opera House next Tuesday evening Feb. 20th.

It is a pleasure to the editor to learn that his most highly esteemed friend, Judge Graham, who has been quite ill from a rising on his neck, continues to improve since an operation was performed a few days ago, and he hopes to be out in a few days.

Mrs. Graham, who has also been sick, is slowly improving.

Bishop Chesbro, of Raleigh, held divine services in St. Stephens church Sunday morning and at night, and preached two very able sermons to large congregations. Excellent music was rendered at both services by the choir. Holy communion was administered at the morning service and the right of confirmation at night to a class of seven.

The Seaboard Railroad is making some good and substantial improvements to the depot yard in Oxford, and it is hoped they will put up electric light on the yard for the benefit of the patrons of their road. If they can't afford it we feel sure they can borrow one of the old oil lamps from the town and put that up as oil is cheap.

The House of Representatives passed the Hepburn rate bill by a vote of 40 to 7, all those who voted in the negative being Republicans; an appropriation of \$139,000,000 for pensions was made, and a bill was passed providing a fine of \$5,000 and ten years imprisonment for government employees who disclose crop statistics or speculate.

The United States Department of Agriculture will not this year send out promiscuously through Congressmen the usual quota of tobacco seed. The department has a supply of carefully selected seed, and to prevent wasting the seeds by sending to those who do not desire to use them, the seeds will only be sent to those who apply for them through their Representative in Congress.

B. F. Keith has been reappointed collector of customs at Wilmington. Mr. Keith, it will be recalled, appeared before the horizon in North Carolina politics in 1898 as a silver man and was put on the Democratic electoral ticket to please the Populists. Like most of that element, he turned Republican and has been for some time a Republican officeholder.

VERY PRETTY HOME WEDDING.

Miss Lullie Biggs Becomes the Bride of Mr. E. R. McKethan.

Artful Cupid continues his loving mission in the world uniting hearts through life journey, and bring joy and happiness in thousands of homes every day. Wednesday was St. Valentine's Day and the morning was bright and beautiful, and at 10:30 o'clock quite a number of relatives and friends gathered at the pleasant home of Capt. and Mrs. W. H. White to witness the marriage of Miss Lullie Biggs, one of Oxford's splendid young ladies, and Mr. E. R. McKethan, of Fayetteville. The home was beautifully decorated with cut flowers and stately palms, and soft candle light.

At the door the guests were met by Misses Laura Williams, Charlotte Britt, Net and Fannie Gregory, who gave them a cordial welcome and conducted them to the back parlor where the elegant presents were displayed.

Promptly at 10:30 as the sweet strains of Mendelssohn's wedding march played by Mrs. R. W. Lester filled the house the doors of the double parlors were thrown open, revealing the bridal party grouped before an improvised altar of palms and ferns. By the side of the lovely bride, who wore white silk elaborately trimmed with lace wearing pearl brooch (gift of groom) and carrying white roses, stood the maid of honor, Miss Jennette Biggs, gowned in white silk and carried American beauty roses, and the bridesmaid, Miss Lilly White, attired in pale blue silk and carried roses. By the side of the handsome groom stood Dr. John McKethan, of Fayetteville, and Mr. Frank Gregory, of Oxford. Near the immediate bride party were Capt. and Mrs. W. H. White, Col. Henry Cooper, Mr. and Mrs. S. W. Cooper, Miss Belle Cooper and Mrs. A. H. A. Williams. Rev. Francis W. Hilliard stood in readiness to perform the ceremony and the words which made them one according to the beautiful ritual of the Episcopal Church.

Amid the hearty congratulations and best wishes for a long and happy life Mr. and Mrs. McKethan left via Seaboard for Washington City and many other points of interest. They will be at home in Fayetteville until returning to Oxford in March to meet Mr. and Mrs. J. Crawford Biggs on their return from Cuba.

The bride is the daughter of the late Capt. William Biggs and grand daughter of the late Judge Asa Biggs and J. C. Cooper, and a very accomplished and attractive young lady.

A member of all the social clubs in Oxford, both literary and social, and a brother deeply regret to lose her.

The groom is Commander of the Sons of Confederate Veterans, well known Spanish-American War veteran and National Guard officer and ex-member of the Legislature, also a member of the Fayetteville bar and at present actively engaged in development of real estate interest adjoining Washington City.

The presents were costly and numerous. The chest of silver sent by the mother and brothers of the groom was remarkably beautiful.

Oyster Supper to Granville Grays.

Capt. Brooks Parham, the newly elected Captain of the Granville Grays gave the members of the company an oyster supper in Armory Hall Wednesday night, along with a number of invited guests. It proved a royal feast and with humor and reminiscence flowed freely and the occasion proved a joyous one. Gen. B. S. Royster was toastmaster and most gracefully filled the position, making some admirable hits as he introduced the different speakers after the sumptuous supper. Capt. William Devin, Dr. B. K. Hays, Major Wm. Landis, Col. H. G. Cooper, and others made brief speeches. Those made by Capt. Devin and Dr. Hays were excellent impromptu efforts and warmly received by the gallant boys and guests. Capt. Parham was bright and happy and all greatly enjoyed his warm hospitality.

Appointed Assistant Attorney General.

We are glad to learn of the appointment of Maj. A. S. Lanier, of Richmond, Va., to the position of Assistant Attorney General of the Philippine Islands. This is a position of high honor and trust and carries a good salary with it. We bespeak for Maj. Lanier the highest success in the service of the Federal Government. He is a young attorney of excellent parts and has already won a high place in the bar of his adopted city, Richmond. He was for some time prominently connected with the Corporation Commission of Virginia.

He is a native Oxford man, the son of the late Dr. M. V. Lanier, acknowledged one of the State's greatest lawyers. We are always pleased to learn of the promotion of our Granville boys. They always reflect credit upon their town and county in the positions to which they are called.

Letter to A. B. Spencer.

Dear Sir: You want a cheap job of paint for a cheap house don't you? It's Devote. It's the regular thing in Devote; there's nothing in it, all paint, so cheap as Devote.

Oh, yes, you can paint with mud; but that isn't paint; you want it to look about right for a month or two.

Paint Devote; can't do it for less; there's nothing so cheap; say nothing of wear, there's nothing so cheap as Devote.

It goes so far, save gallons; no matter about the price, save gallons. A gallon of paint, put on, costs \$1.00; save gallons.

Devote is your paint; save gallons; Devote is your paint.

Yours truly
F. W. Devote & Co.

P. S.—Baird & Chambliss sells our paint.

God looks brings happiness. Friends care more for us when we meet them with a clean, smiling face, bright eyes, sparkling with health, which comes by taking Hollister's Rocky Mountain Tea, 35 cents. J. G. Hall.

MEETING OF TOWN FATHERS.

Home Telephone Franchise, Side Walks and Fire Boys.

The Town Fathers held their regular meeting Monday night and provided quite an interesting one as several important matters were discussed.

A resolution was passed giving the Seaboard Railroad 60 days in which to fulfill their agreement as to the grading of the new street opened from Main to the depot, and if they fail to do so the street will be closed, return the land condemned back to the owners as well as the money subscribed by individuals to help pay for the opening of the street. It looks like it is up to the road to do something with the street or it will be closed by.

An appropriation of \$50 a year was made for the benefit of the Edwards Hook and Hose Company and some necessary equipments for the company were ordered purchased. We are glad to see our excellent Board of Commissioners take a deep interest in the fire boys, who are always ready and willing to respond to a call for their services.

We hope the Board will this spring turn their attention to improving many of the sidewalks and crossings as they become almost impassible during the winter months. We take it they will be able to do so as the main thoroughfares have been macadamized which has added so much to the looks of Oxford.

Mr. F. C. Topleman, of Henderson, Superintendent of the Home Telephone Company, was in Oxford Monday night and was present asking for a renewal of the franchise for this company for a period of 30 years. We learn the consideration of the matter was postponed as the Oxford Water and Electric Company desire to present a petition to the Board for a franchise and establish a telephone system in Oxford.

We understand that Mr. Topleman assured the Board that the Home Company will guarantee improved service, if the franchise is granted—better service than the company has heretofore given. Just here we will say that the day service at "Central" is excellent but the night service has not been satisfactory, though we feel sure that if the franchise is granted Mr. Topleman will make good his promise and give our people first class service. We learn also that the company will furnish more long distance phones and thus save the patrons the inconvenience of going up to Central to talk to parties out of town. We believe that all things being equal, the Home Company should be allowed the franchise. We believe that Mr. Topleman is in a position to give our people good service and that he will do so. We think, however that 30 years is too long to grant a franchise and suggest to our Board that 15 years is long enough.

Of course both companies cannot profitably operate a phone system here as there is not room for both, and while we have nothing to say against our Water and Electric Co. we do not think it wise to give any one company practically a monopoly of the water, lights and phones. Would this not be giving too much power to one company?

We hope our Board will give this matter very serious consideration.

Marriage of Miss Rosa Crews and Mr. Ernest Dean.

Rev. W. H. Puckett's genial kind-hearted man and nothing pleases him more than to be the means of contributing to the happiness of others. He went out Wednesday morning to the home of Mrs. Eliza M. Crews, near Shady Grove, and joined in holy wedlock her attractive daughter, Miss Rosa L. Crews and Mr. Ernest M. Dean, a prosperous young merchant of Oxford. The ceremony was performed about 10 o'clock in the pretty decorated parlor witnessed by a number of friends and relatives. After congratulations the happy couple left for Oxford and left for the Southern road for a bridal trip followed by the best wishes of many friends for their future happiness in life the editor joins.

HARGROVE HAPPENINGS.

Change of Mail Carrier's Hours and Schedules.

Messrs. Cophart and James Y. Wheeler, who have been sick for some time, are improving.

Mr. J. H. Cozart visited his friends around here a few days the past week and met with a warm welcome.

Superintendent Luther Roberts and his road force were here last week cutting down the hill leading to the bridge which is greatly appreciated by the people.

Friend Boyd, the pleasant carrier on Route 6, has been instructed to remain in Oxford until the arrival of the north bound train in order to furnish his patrons with the morning mail which will make his route more popular than ever.

Our farmers begin to believe in the ground hog as the weather has been more or less bad since the second of February.

It seems that most of the younger men have lost their politeness these fast days. They stand around church and smoke and almost stifle the ladies, and sit in bugles with young ladies puffing cigarettes all the time. They certainly should have more regard for the fair sex.

LIEUTENANT DABNEY,

Of Washington, Says: "Pe-ru-na is a Substantial Tonic."

Albert J. Dabney, Lieutenant U. S. V., writes from Washington, D. C., as follows:

"After the use of two bottles of Peruna I am fully convinced that it is a good remedy and I can conscientiously recommend your medicine to anyone who is in need of a substantial tonic. It is also a very effective cure for catarrh."

ALBERT J. DABNEY.

It is rare indeed that two bottles of Peruna is not sufficient to convince anyone that Peruna is a good remedy. One of the household Peruna generally stays. More than one-half our file are due to catarrh. By catarrh is not meant simply catarrh of the nose or head, but catarrh of the lungs, stomach, in fact, every organ of the body.

Almost every disease begins at first with a catarrhal condition of some mucous membrane. A few doses of Peruna in the beginning is sure to prevent such sickness.

Peruna acts as a tonic because it produces healthy mucous membranes in the stomach and digestive organs. It immediately begins to brace a person up because it enables the digestive organs to do their duty properly.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Meeting of the Tostal Club.

The Social Club was most delightfully entertained at the home of Mrs. E. T. Rawlins on St. Valentine's Day, by Mrs. Leak Pence. Six hundred were the guests of the evening, and the score was kept with pink and white carnations. The refreshments which were dainty and palatable, also carried out the color scheme of pink and white.

Methusala was all right, y'no bet for a good old soul was he. They say he would be living yet. Had he taken Rocky Mountain Tea. J. G. Hall.

President Roosevelt believes that his fight for railway rate legislation is practically won and has dismissed even partial defeat. Since it became evident that the House would pass the pending Hepburn bill practically unchanged tremendous pressure has been brought to bear on the President to modify his demands. Senator Aldrich has labored with Mr. Roosevelt in behalf of the strong Eastern financial interests, whose spokesman he is in the Senate.
