SOMETHING TO CROW OVER.

We bought more tobacco of the last crops than all the other warehouse firms in Oxford combined and have sold nearly all of our last year's purchases. We expect to buy more of the new crop than the other three warehouse firms combined. We will leave it to any sound thinking man if this does not give us the advantage of any warehouse in Oxford. We said at the beginning of last season we wanted more than ONE MILLION pounds ourselves and we bought more than ONE MILLION. We say now that we want 2,000,000 pounds out of this crop. The truth is we are in position second to no firm in Oxford or in the State to get you the cream of the market. Our buyers are now more anxious for new tobacco than we have seen them for quite a number of years and the Farmers Warehouse is probably in better condition to take care of your interest than it has ever been since it was built. You will find that we will have our excellent warehouse, which is the best in town, better fixed than it has been for the comfort of our farmer friends. Our warehouse force is made up of the best. They are as follows: L. W. Stark and S. M. Watkins auctioneers, S. M. Watkins will manage the floor, Wesley Bryan and Thos. Howell will keep the books and J. F. Meadows will see that every pile of tobacco brings the highest market price. Come one, come all and be convinced. Thanking you for all the past patronage, and promising you service second to no one in the future, we beg to remain Yours very truly
J. F. MEADOWS & CO.

—When you pull down the town in which you live, you are pulling down yourself, and when you build up yourself you are building up your neighbor. Try and banish from your mind the mistaken idea that all good things are away off in some other locality. Give your town all the business it can legitimately bear. It certainly will do you no harm and will cost you nothing, and above all will put life in your home institutions.
—A New York firm applied to Abraham Lincoln some years before he became President as to the financial condition of a neighbor. Mr. Lincoln replied as follows: "Yours of the 10th inst. received. I am well acquainted with Mr. X. and know his circumstances. First of all he has a wife and child, together they ought to be worth \$50,000 to any man. Secondly, he has an office in which there is a table worth \$1.50, and three chairs worth \$1. Last of all there is in one corner a large rat hole which will bear looking into. Respectfully yours A. Lincoln."

REPUBLICAN CONVENTION.

Nominate a Ticket to be Defeated by the Democrats of Granville.

The Republicans of Granville county held their convention in Oxford Saturday and nominated a good ticket to be defeated by the Democrats. The convention met at 12 o'clock in the Court Room and attended by quite a number of Democrats. Mr. J. E. Gooch, Chairman of the Executive Committee, called the convention to order, and after making a short speech congratulating the Democrats on their success in the election of 1904, he called Mr. Pete Thorp to the chair and asked Mr. C. S. Waller to act as secretary. On motion the temporary organization was made permanent. The nominations for the respective offices were given and Mr. J. W. Brown in very dignified terms nominated Mr. B. P. Thorp for the Legislature, which was seconded by Mr. J. T. Cozart, who in his short speech gave the law-abiding people of Granville the heads. There being no other nomination Mr. Thorp received the unanimous approval of the delegates. The one-time veteran Democrats, who run some years ago for the same position on the Democratic ticket and were defeated by Mr. C. S. Waller, congratulated Mr. Thorp and in closing said they would not see the time come when they would not be a single lawyer in the Legislature.
Mr. Coley Gill, the hero of the days of black jacks, arose and with much dignity nominated Mr. Frank Smith, and the other C. M. Rogers on the new convention was unanimously nominated.
The next nomination was for Register of Deeds and Mr. T. S. Waller was placed in nomination by Mr. J. E. Gooch and seconded by Mr. C. G. Royster, R. M. Jenkins, J. P. Thomas, and J. H. Gooch, two from Tar River, two from Rocky Mountain, and one from Sassafras Fork. The convention was harmonious, well attended and the ticket is the best the Republicans can put up in the county, while, of course, the party which is now composed of white men, will not vote for a man of color, but enough votes to make things a bit lively and maintain their organization.
Most of the men on the ticket are subscribers to the Public Ledger and personal friends of the editor and will not be long in being elected. We certainly appreciate the fact that the party has made a wonderful improvement in Granville and that the ticket is the best nominated by the Republicans in many years.
After the work of the convention was over the following key notes, of Winston, and candidate for defeat by Hon. W. W. Kittling was present and made a very long and stirring address, endorsing President Roosevelt and the party of trust combine and graft. Several sections were read, and the following resolutions were adopted by the people, as well as the Board of Education; wanted more school district for the convenience of the people, as well as the town running the Dispensary, and wanted it in the hands of individuals, but favored the hours. We are sure that the party is entirely right as we could not understand Mr. Gooch as he read the long resolutions. They were all adopted.
Those on the ticket who formerly affiliated with the Democratic party are now in the party of the future. J. H. Gooch, R. S. Jenkins, and J. P. Thomas. The latter was a county commissioner several years ago.

County Canvass.

The Democratic Candidates for the Legislature and County Officers are as follows: J. W. Brown, B. P. Thorp, J. T. Cozart, J. E. Gooch, R. M. Jenkins, J. P. Thomas, and J. H. Gooch. The latter was a county commissioner several years ago.

Military Openings.

The first guns of the fall military campaign were fired Tuesday and Wednesday and the weather the ladies were out in full force to inspect the beautiful creations of fashion art at the stores of Messrs. Long, Haskins, Landis & Easton, and Miss Mary Bell Gregory. These semi annual events are always a winter goods with pleasurable anticipation by the fair sex and feel sure their fond eyes were not disappointed. They viewed the beautiful displays of fall head gear at the above named emporiums of fashion, and left with lighter pockets home.

TRIBUTE OF RESPECT.

Whereas, on Tuesday, Sept. 25th, 1906, our beloved friend and fellow citizen, Mr. W. H. BRITT, departed this life in the 38th year of his life, and whereas, in his passing away in the flower of manhood, the members of the Edwards Hose and Ladder Co. feel greatly the loss of one of their best friends, therefore be it
Resolved, That the Edwards Hose and Ladder Co. has suffered a great loss to its membership.
Resolved, That the town has lost one of its bravest men, and that while we deplore his untimely death we bow in humble submission to the will of our Heavenly Father.
Resolved, That the Edwards Hose and Ladder Company extends its sincere sympathies to the bereaved family, and direct that a copy of these resolutions be spread upon the minutes, a copy be sent to the grateful family, and that the Firemen's Association, and the Public Ledger with request to publish.
W. H. BRITT,
F. W. SPENCER,
Committee.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland, which together they ought to be worth \$50,000 to any man. Secondly, he has an office in which there is a table worth \$1.50, and three chairs worth \$1. Last of all there is in one corner a large rat hole which will bear looking into. Respectfully yours A. Lincoln.

Letter to W. G. Postress, Oxford, N. C.

Dear Sir: We shall feel obliged if you write us how you came out on your first few jobs. Devote, as to gal lons expected and used.
Take job A. You made your price, expecting to use 25 gallons Devote, and used 15. Job B. You expected to use 15 and used 10. And tell us what paint you judge Devote by what you have before.
Here's how a few came out.
M. A. Thomas, painter, Lynchburg, Va., writes: My first job with Devote I estimated 37 gallons; it took 25. Since then I have used nothing else.
C. B. Edwards, Raleigh, N. C., had used 30 gallons paste paint on his house, and bought 30 gallons Devote. A. E. Glenn, painter, said he wouldn't be enough. He 16 gallons left.
Mayor W. W. Carroll, Monticello, Fla., writes: Painter estimated 35 gallons for my house; took 20 gallons Devote.
Gilmore & Davis Co., contractors and painters, Tallahassee, Florida, say 2 gallons Devote spreads as far as 3 of any other paint they know, and is better.
S. A. Bullard, painter, Sanford, Fla., estimated 50 gallons for Odd Fellows and Masonic Halls; they took 29 gallons.
Jones & Rogers, Merkel, Texas, estimated 10 gallons Devote for Mr. Pratt's house and bought 5 gallons for the first coat, it painted two coats.
Ech Springs Co. San Antonio, Texas, painted two houses same size for D. J. Woodward, one lead and oil the other Devote. Devote cost \$12 less for paint and labor.
Tom Masey's painter, Walnut Springs, Texas, estimated for his house 10 gallons Devote, he had 4 left. You see how it goes. Even the best painters can't guess little enough at first.
Yours truly
F. W. DEVOTE & CO.,
New York.

Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises and burns, and before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience such injuries entail. For sale by J. G. Hall.

The Original.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package, ask for it and refuse any substitute. It is the best remedy for coughs and colds. Sold by J. G. Hall.

Orphan's Concert This Friday Night

The concert by the Orphan Asylum Singing Class, which takes place on the little girl selling the largest number of tickets to the concert, seems to have been a great stimulant to a large number of little boys, who are working like slaves to get this valuable present.
The subscription list to this cause is also growing. Have you put your name down among those who are contributing to this noble institution? If not, do not delay. The committee needs all they can get, and Oxford needs to show other towns in the state how they value the presence of the Asylum in our midst.
We feel sure the committee will raise the \$200, but all must be willing to help a little in order to do it.
