If you do insure your property with The Farmers Mutual Fire Association, the cheapest and safest insurance on

The year 1906 has been an unlucky year with two big fires and a cyclone to contend with, but the average is what counts and the average cost of one thousand dollars in the Farmers Mutual for the past ten years has been only \$2.80, about one third of what any other company will give you the same insurance. Remember it is a home company and every dollar you pay goes to some unfortunate member in Granville county who has lost their house either by fire, wind or lightning.

With \$700,000 insurance in force and about 700 members with an average cost of \$2.80 per thousand we have paid about one hundred losses and accumulated two thousand dollars

Our motto is equal justice to all and insurance at actual cost.

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. > It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoo, has fought against the use of Opium Chloroform, or other unsafe ingredients commonly found in Cough remedies, Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted for he has worked along similar lines many years. For nearly 20 years Dr Shoop's Cough Cure containers have had a warning printed on them against Opium and other narcotic poisons.
