

# BAD BLOOD

THE SOURCE OF ALL DISEASE

Every part of the body is dependent on the blood for nourishment and strength. When this life stream is flowing through the system in a state of purity and richness we are assured of perfect and uninterrupted health; because pure blood is nature's safe-guard against disease. When, however, the body is fed on weak, impure or polluted blood, the system is deprived of its strength, disease germs collect, and the trouble is manifested in various ways. Pustular eruptions, pimples, rashes and the different skin affections show that the blood is in a feverish and diseased condition as a result of too much acid or the presence of some irritating humor. Sores and Ulcers are the result of morbid, unhealthy matter in the blood, and Rheumatism, Catarrh, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders that will continue to grow worse as long as the poison remains. These impurities and poisons find their way into the blood in various ways. Often a sluggish, inactive condition of the system, and torpid state of the avenues of bodily waste, leaves the refuse and waste matters to sour and form uric and other acids, which are taken up by the blood and distributed throughout the circulation. Coming in contact with contagious diseases is another cause for the poisoning of the blood; we also breathe the germs and microbes of Malaria into our lungs, and when these get into the blood in sufficient quantity it becomes a carrier of disease instead of health. Some are so unfortunate as to inherit bad blood, perhaps the dregs of some old constitutional disease of ancestors is handed down to them and they are constantly annoyed and troubled with it. Bad blood is the source of all disease, and until this vital fluid is cleansed and purified the body is sure to suffer in some way. For blood troubles of any character S. S. S. is the best remedy ever discovered. It goes down into the circulation and removes any and all poisons, supplies the healthful properties it needs, and completely and permanently cures blood diseases of every kind. The action of S. S. S. is so thorough that hereditary taints are removed and weak, diseased blood made strong and healthy so that disease cannot remain. It cures Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison, etc., and does not leave the slightest trace of the trouble for future outbreaks. The whole volume of blood is renewed and cleansed after a course of S. S. S. It is also nature's greatest tonic, made entirely of roots, herbs and barks, and is absolutely harmless to any part of the system. S. S. S. is for sale at all first class drug stores. Book on the blood and any medical advice free to all who write.

Charlotte News: How long will North Carolina towns and cities be compelled to pay extortionate and discriminatory freight rates? This is a question that is engaging the minds of not only merchants, but all classes of business men, for all are made to suffer the injustice that is now heaped upon this state by the railroads.

Geo. W. Horner, postmaster at Hemp, Moore county, and a well-to-do citizen, was arrested last week charged with burning his store to collect insurance.

Mrs. Walker, wife of Associate Justice Platt D. Walker, of the State Supreme Court, died Thursday afternoon at her home in Charlotte.

### CULLED FROM THE VARIOUS PAPERS OF THE STATE.

#### Tar Heel Items for Tar Heel Readers—Some Happenings in Old North State.

The people of Allegheny county, by an overwhelming majority, voted Tuesday to issue \$40,000 in bonds to be used in the construction of a railroad from Elkin to Sparta. In two townships the vote was unanimous for bonds.

Mt. Airy News: Miss Ella Greenwood has taken about 2,000 pounds of the finest sourwood honey from 60 stands of bees this year. And most of it has already been sold for 16 1/2 cents per pound. Her bees are the imported Italian and know how to make honey.

About 2 o'clock Sunday morning the livery stable of Wash Glenn at Marion caught fire and was totally consumed with nine horses. The fire soon reached the Methodist church, which was also burned. The organ and library were saved. The origin of the fire is thought to have been spontaneous combustion. The loss is partially covered by insurance.

J. B. Kelly, of Lilesville township, Anson county, accidentally killed his father, R. F. Kelly, by striking him on the head with a rifle barrel. With others they had been sitting on the porch conversing, when young Kelly started to go home. He picked up a small rifle and swung it around to his shoulder. In doing so, the sight on the gun struck the elder Kelly on the temple, severing an artery and fracturing the skull. The man died in 20 minutes. The son gave himself up, was given a preliminary hearing and was discharged, the evidence showing that the tragedy resulted from a pure accident.

#### Old Country Ham.

Talk about the breakfast foods, And buttered toast and jam, I'm happy if you'll give to me Some good old country ham. Chicken fried is awful nice, And so is chops o' lamb; But cannot quite usurp the place Of good old country ham. Beefsteak cooked, and rare and raw, Off hits the vital spot, kerblam; But cannot equal taste or smell Of good old country ham. I'll push aside a rabbit stew, Or bowl of soup—a la clam; If I can get a big broiled slice Of North Carolina ham.

Ask Tom and Dick, and Harry, too, And Beck and Sue, Bill and Sam And 'scusin' 'possum, they'll all say The very best is country ham.

#### A Sad State of Affairs.

Mother's at the seashore, Sister's gone away; Brother Bill is catching perch, Out there on the bay. Every one is happy, Having worlds of fun; 'Cepting Dad, who never will Get the dishes done. Heaped up in the kitchen, All the dishes stand; All the common china, All the Haviland, Mother's been away a month, Dad has used them all; Now he's eating off the plates That decorate the wall.

Mother, mother, hurry, Come back from the shore; Dad can only find enough Plates for two meals more. He is up against it, While you stay away; Now he's eating breakfast food From the large ash tray. He will not wash the dishes— He piles them in the sink; If you could only see them now, I wonder what you'd think Oh, hurry, mother, hurry, Come back to us today, For father hasn't washed a dish Since first you went away.

#### What Will It Be?

Oh, if you would gather all the tender memories, all the lights and shades of the heart, all banquets and reunions, all filial, fraternal, paternal and conjugal affections, and you had only just four letters with which to spell out that height, and depth, and length, and breadth, and magnitude, and eternity of meaning, you would, with streaming eyes, and trembling voice, and agitated hand, write it out in those four living capitals, H-O-M-E.

#### Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it cures irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." J. G. Hall.

Don't worry about what the world thinks of you. The world has several billions of people to think about.

"We never repent of eating too little," was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during this hot weather because it is hard for food, even in small quantities to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol For Indigestion and Dyspepsia, which will rest the stomach by digesting the food itself. Sold by J. G. Hall.

When a woman needs sympathy, cry with her; when a man needs it; swear with him.

Those who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. For this, by taking something that contains natural digestive properties—something like Kodol For Indigestion and Dyspepsia. Kodol is a preparation of vegetable acids and contains the very same acids found in a healthy stomach. It digests what you eat. Sold by J. G. Hall.

The fellow who tries to drown his sorrows often merely succeeds in making his head swim.

"Regular as the Sun" is an expression as old as time. No doubt the rising and setting of the sun is the most regular performance in the universe, unless it is the action of the liver and bowels when regulated with Dr. King's New Life Pills. Guaranteed by R. L. Hamilton, Druggist. 25c.

Hay Fever and Summer Colds. Victims of hay fever will experience great benefit by taking Foley's Honey and Tar, as it stops difficult breathing immediately and heals the inflamed air passages, and even if it should fail to cure you it will instant relief." The genuine is in a yellow package. J. G. Hall.

The more money a man can earn the more useful it is to those who get it away from him.

Ten years in Bed. "For ten years I was confined to my bed with disease of my kidneys," writes R. A. Gray, J. P., of Oakville, Ind. "It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until the Kidney Cure was recommended to me. It has been Godsend to me." J. G. Hall.

Faith after all may merely be an ability to believe things we know are not true.

"Everybody Should Know" says C. G. Hays, a prominent business man of Bluff, Mo., that Bucklen's Arnica Salve is the quickest and surest healing salve ever applied to a sore, burn or wound or to a case of piles. I've used it and know what I'm talking about." Guaranteed by R. L. Hamilton, Druggist. 25c.

A girl likes an extravagant man, unless she is going to marry him.

John Riha, a prominent dealer of Vining, Ia., says: I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by J. G. Hall.

An old maid is merely a woman who has been engaged once too seldom.

Don't accept a cough cure that you may be told is just as good as Kennedy's Laxative Cough Syrup, because it isn't just as good—there is quite a difference. Kennedy's Laxative Cough Syrup acts gently upon the Lungs and clears the whole system of coughs and colds. It promptly relieves inflammation of the throat and allays irritation. Sold by J. G. Hall.

Licenses of the North admit that the South had the best of the argument all the way through. I have put the pitchfork into Foraker and other Senators of the North and turned it round and round, but they always answer at long range. I'll force them yet to take up this question on the floor of the Senate."

I will mail you free, to prove merits, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or the Kidneys. These are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Able for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by J. G. Hall.

The Greensboro Tar Heel observes: "What a fool a man can be when he becomes infatuated with a woman. J. B. Duke recently pumped the Raritan river dry in order that the fountains might gush and the lakes be full on his country estate in New Jersey, all for the delight of his newly wed wife. Love is a master." Mr. Duke is like all other men, except that he's got the money to tackle the river and they haven't, but would do so if they had the stuff.—Wilmington Star.
