

Granville County's Biggest, Busiest and Best Store

LANDIS & EASTON.

In order to keep our stock up to its usual high standard and to have just the right and proper things for our customers and never have to say we are just out. Our Mr. Will Landis took his second trip North and is now back home again with a full line of the seasons best and latest things in ladies wear.

Ladies Coat Suits.

We found several manufacturers of Ladies Tailored Suits who wanted cash and ready to sacrifice so we made them offers and secured several lots of different colors not all sizes but yours may be in the lot and they will go cheap while they last.

There has never been in the suit business such a demand for Ladies Tailored Garments and most manufacturers have sold out, but by making a personal visit and selecting odd lots of one and two suits of a kind we succeeded in buying just the right and proper styles and at lower prices than earlier in the season.

Dress Goods.

There is a great scarcity of Dress Goods owing to the fact that the garment manufacturers have taken so much for ready made suits that the traveling men do not carry samples, but by going from one jobber to another picking up a piece here and there we secured some of the seasons best styles and while they last the prices will be as low as is consistent with safe merchandising.

NATURE'S WARNING.

Oxford People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously.

But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—

If there are settlements and sediment, passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes. Doan's have done great work in Oxford.

D. S. Fuller, Broad St., Oxford, N. C., says: "For a long time I knew that my kidneys were disordered, this fact being plainly proven by the secretions which were unnatural, too frequent and deposited a heavy sediment. Dull headaches also afflicted me and the sharp pains through my loins made it almost impossible for me to stoop or lift. Hearing about Doan's Kidney Pills and being impressed, I prepared a box from R. L. Hamilton's drug store and through their use was cured. They not only disposed of the backache, but strengthened my kidneys and benefited me in every way. I can recommend Doan's Kidney Pills as the best kidney remedy I ever used."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Pointed Paragraphs.

From the Chicago News.

The greatest necessity in a woman's life is love.

In a man's life the greatest necessity is more money.

Many an heiress buys a gold brick in the form of a husband.

The less a man knows about women the more he thinks he knows.

Some men get up with the lark to take a swallow before breakfast.

The average man's idea of a "good story" wouldn't go in a church paper.

NOTES FROM CHAPEL HILL.

Address of Hon. James Bryce, British Ambassador—List of Granville Boys at University—Horner Cadets to Play Freshmen.

Special to Ledger.

Hon. James Bryce, the distinguished Ambassador from Great Britain to America, was the guest of the University Friday night, and made an address in Gerard Hall before a large and attentive audience. Mr. Bryce is interesting to American people not only because he is one of the eminent citizens of the world, but also because he has written the best description of American life in his "American Commonwealth." Mr. Bryce was introduced by Prof. E. K. Graham and spoke on the value of a State University to the people. He expressed pleasure at being in one of America's oldest and most useful Universities. The University of North Carolina, he said, has had a long and honored career and is the best investment that the people of North Carolina have made. He expressed the hope that the people would respond to the growing needs of their University. From every investment made in the State University were immeasurable returns in men trained to search for the truth and impressed with the duty of citizenship. He congratulated the students upon having a faculty known for research and upon having as a site for the University such a beautiful spot, far removed from the din of cities, and admirably adapted to study and thought.

President F. P. Venable has been to the University of Virginia, where he presided over the Association of Southern Colleges and Preparatory Schools.

Rev. R. W. Hogue, the Episcopal minister, conducted the Chapel exercises this week. Talks were made by Drs. Manning, Dolly, and Lawson, upon such subjects as "Diet and Digestion," "Over Exertion," and "Proper Exercise."

The preliminary contest for Carolina-Pennsylvania Debate was held last week. Those contesting were: J. L. Eason, J. H. Boushall both of the Senior Class; and E. M. Hirsch and E. E. Barnett, of the Graduate School. Dr. C. L. Raper, Dr. J. G. deR. Hamilton and Prof. M. H. Stacy, the committee, decided in favor of Barnett and Highsmith. The debate will be held in Chapel Hill about the middle of this month. Last year the debate was held in Philadelphia, and North Carolina won by a unanimous decision. Pennsylvania won in the fall of 1907 at Chapel Hill. The debate this November is

the third of a series, and decides the tie.

Prof. E. V. Howell, Dean of the Pharmacy School, has been appointed by President H. H. Rusby, of the American Pharmaceutical Association, to be a member of the national committee on drug reform. The other members of this committee are: Sayres, of Kansas City, and Schneider of San Francisco, men distinguished in their profession.

At present there are seven men from Granville county at the University. From the Academic Department, L. N. Taylor, of Oxford, of the Senior class, W. E. Lyon, of Hester of the Junior class; A. W. Graham, Jr. and James Booth, of Oxford, of the Sophomore class, S. R. Winters of Stem and Harris of Wilton, of the freshman class. The professional school claims one man, W. P. Barne of Stem, who is a second year medical student.

On Saturday Nov. 13th, the undefeated Horner team will line up against the undefeated Carolina freshmen on the new athletic field. A close score is expected. Horner has defeated Warrenton and Durham Y. Bingham of Mebane 18 to 0.

M. C. A. The freshmen smothered the tennis team composed of G. M. Fountain and C. S. Venable left this week on the Virginia trip.

The following schedule has been arranged: Nov. 9-10, Richmond College at Richmond. Nov. 8, Randolph—Macon at Ashland. Nov. 11th, and 12th, University of Virginia at Charlottesville. Nov. 13-15 Washington and Lee at Richmond.

The team has played only one intercollegiate game this fall—one with Galliford College—winning by a large margin.

THE DISAPPEARING WIFE.

How a Husband Married a Fat Wife and Soon Came to Have a Lean One.

Success.

A woman in Silesia has been haled into court by her husband because she persisted in growing thin in opposition to his wishes. In his petition for a divorce, the Silesian gentleman

declared that the lady obtained her husband under false pretenses, for when he married her she was full sized and of ample and generous proportions, and he had every reason to believe that she would remain so. When slowness became the fashion, however, she suddenly began fading away so as to wear the latest style of empire gown. She rode horseback three hours each morning, played tennis two hours, and took long fat-reducing walks. Complaining further avers that she ate like a bird. How successful was this strenuous pursuit of slenderness may be judged from the fact that in three months' time she had lost thirty-one pounds and a portly husband.

For the hard-hearted Silesian judge granted the captious husband's plea for a divorce and delivered a fiery attack upon the prevailing styles in

feminine architecture. He laid down the principle that no lady has a right to fade away without her husband's consent, and he completely disallowed defendant's plea that half a wife is better than none.

The wife is left free to continue her disappearing process as long as she likes. It is hoped that her frugal habits of living will prove useful to her now that she is deprived of a husband's support.

Tally Ho to Raise Flag.

On Thanksgiving day the folks about Tally Ho School will have a flag raising and preparation is being made for a good time. The Junior Order will send a representative to the school, and a programme suitable to the occasion will be rendered.

HERE IS THE PROOF

That the best body-building and strengthening tonic for

Delicate Children

—is—
Vinol

"My 9 year old daughter was weak, pale, and had no appetite. I gave her Vinol, and she began to thrive at once. She gained rapidly in weight, color and strength."—Mrs. W. H. GILMORE, Durand, Mich.

"My two children, who were puny and ailing, rapidly gained flesh and strength when I began to give them Vinol. I proved that Vinol is a splendid tonic for delicate children."—Mrs. C. ALLEN, New Bedford, Mass.

Vinol builds up healthy flesh and makes thin little limbs round and plump. Children love to take it.

We return people's money without question if Vinol does not accomplish all we claim for it. Try it, please.
