We have the machinery and the facilities to get out of wheat all there is in it in quality and quantity. Our "SUN RISE PATENT" has made a hit, and taken front rank in popular, as a high grade flour. Many users will have no other. If you will bring us good, dry wheat, we will make you flour of "SUN RISE" quality, we know that will please you. Some have asked us if we will have the time from our merchant milling to handle custom exchange. In reply to all, let us say that we will; for while we are always busy we have large capacity, and provided large capacity in order that we might do just this; that is, handle our merchant customers, and our custom exchange as well.
