**BLOCKADED.**

Every Household in Oxford Should Know How to Resist It.

The back aches because the kidneys are blocked.

Help the kidneys with their work. The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from Oxford.

Ernest Harper, Orphan Asylum Home, Oxford, N. C. says: "I can recommend Doan's Kidney Pills in highest terms, being fully aware of their merit. My kidneys were disordered for a long time, causing constant, dull pains across my back. I also had a difficulty with the kidney secretions. When Doan's Kidney Pills were highly recommended to me I procured a box at R. L. Hamilton's Drug Store and began their use. I was entirely relieved of the backache and my kidneys were restored to a normal condition. I now feel much better in every way."

**Lungs Declared Sound—Life Insurance Granted.**

If you knew a remedy that really had cured Tuberculosis; that had saved from death quite a number of people, would you try to get Consumptives interested in it and induce them to take it; or would you say nothing about it, for fear of giving offence?

We know the medicine. We know the people cured—some of them. We have the stories of cures of many—and affidavits from some. We advise Eckman's Alternative to tell those who have lung disease what has been done by its use. Investigate the following:

1618 W. Dauphin St., Phila., Pa. Gentlemen: "On the evening of May 13, 1907, I had five hemorrhages from the right lung. My hemorrhages kept up one week—I had twenty-eight in all. Septic pneumonia developed. My doctor told me I had better go to another climate, as my left lung had also become affected. About that time I met Howard Klotz, 1219 Susquehanna Ave., this city, who had hemorrhages several years ago and who was cured by Eckman's Alternative. I started to take Eckman's about the latter part of August, 1907. My appetite improved at once and in about two weeks I started to gain weight. I improved readily. Later, a very bad lameness developed in my right leg and I commenced to get a lump on my right hip. My doctor told me I was getting a tubercular abscess and that it was affecting the sciatic nerve. The lameness and lump gradually disappeared. Have not had any trouble with all the time since."

Since my recovery about a year ago, I was accepted for life insurance, after two examinations by a company that had previously rejected me.

I have advised several people to take Eckman's and those who took it faithfully had the same results as myself. (Signed Affidavit) CHAS. MORGAN.

Eckman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and J. G. HALL, OXFORD, N. C.
