Use Ober's Special Compound for Tobacco

DO YOU BELIEVE IN 3-8-32

If so, you must be looking for the best brand of this analysis which can be obtained. Rich lands mean profitable crops and it is the same with high grade fertilizers.

Results are the final test, and this is the reason why Ober's Special Compound for Tobacco has gained tremendously in popularity year after year. This mixture will give the young plant a proper start and the plant will have a quick and vigorous growth. It will also cause it to ripen early and give it an abundance of oil and weight with a fine texture..

Laws have been made to regulate the fertilizer industry, but Demand is a big factor in compelling manufacturers to maintain the standard of their goods. Don't encourage the manufacture of poor grades of fertilizer by purchasing them yourself!

We Invite you to try Our Brand for we Know it Stands Foremost as a Tobacco Grower.

Special Compound for Tobacco has Led all Other Brands in The Field For The Past Fifty Five Years.
