Honest Advice to Consumptives

Somehow there exists a vast amount of skepticism as to the possibility of curing Consumption. . . . We state none but facts, and are sincere in what we assert. ... If ourselves afflicted with Tubercu-losis, we should do precisely what we ask others to do-take Eckman's Alterative promptly and faithfully.... The reason we should do this, and warrant we have for asking all Consumptives to

we have for asking all Consumptives to take it, is that we have the reports of many cures, one of which follows:

1619 Susquehanna Ave., Phila., Pa.
Gentlemen: "For two years I was afflicted with hemorrhages of the lungs, the number totaled nearly one hundred. Our family physician advised another climate, as to remain would probably be fatal; however, I remained, and in February of 1902, I was taken with a severe attack of pneumonia. When I recovered sufficiently to walk about the house I was left with a frightful hacking cough, which no medicine I had taken could alleviate. I was again advised to go to another part of the country. It was at another part of the country. It was at this time, March, 1902, that I learned of Eckman's Alterative. In a short time my cough was gone and I was pronounced 'well' or 'cured.' Since that time I have had two slight attacks of preumonic had two slight attacks of pneumonia and I have resorted to no other medicine I am at present in excellent health and feel that as long as I can obtain Eck-man's Alterative, I have no fear of Con-
