

R. F. D. NEWS.

This writer has recovered from his sickness and receives a hearty welcome back to his work from the many good people.

There are many things of interest that are happening every day.

The marriage of Mr. Fletcher Norwood, of Stovall, and Miss Madie Hicks, of Route 5, took place at the home of Capt. White in Stovall last Sunday p.m. The ceremony was performed by Rev. Geo. Funstall. There were a large number present to witness the happy event, and after congratulating the new couple, the wedding party left for the home of the groom where a sumptuous supper was prepared and enjoyed. This couple is numbered among the best friends of this writer and we wish them a long and happy life.

Many other marriages are to take place soon on the Route. A letter a day or two ago requests this writer to marry a couple Wednesday of this week.

Miss Annie Woody, of Oxford College spent Thanksgiving and last Sunday with her parents on Route No. 5.

Mr. Willie Tillotson, of Route 5, has gone to clerk for Mr. Eugene Glover at Roanoke Rapids.

Corn shuckings are not all over yet; many thanks to Miss Lydell Barker and Mrs. Tommie Cottrill, for nice boxes of good things to eat after the corn shuckings.

Many people are changing homes on the mail routes and in other places.

Mr. R. J. Aiken and son, Ralph, have joined the other members of the family, and their address is, Watts Street, Durham, N. C.

Mr. Trim S. Averett and family have moved in the Alken home near Salem church. This farm is now the property of Mr. N. C. Crews.

Mr. Elam Currin and wife will soon move to their home on Route 1, and Mr. Charlie Knott and wife will occupy the Knott farm.

Mrs. R. S. Hicks will soon go to live with her brother, Mr. Campbell at Bullock, and Mr. Mich Munn will move from Route 5 to Route 1 Dabney.

Mr. Ray Hicks, and wife, will move from Route 5 to Route 1 Dabney.

Mr. W. H. Cutts will soon move from Route 5 to Stovall. Mr. Macon Cutts will come to his father's place.

Mr. L. G. O'Brien will go from the Cheving farm to the Blackwell farm or better known as the Coley Gill place.

To all who move, and all who do not move, every where, we extend our best wishes.

Mr. Frank Key, who has been living with Mrs. J. H. Breedlove this year left this week to visit relatives at Charlotte, N. C. Mr. Key is a relative of Bishop Key of the Methodist Church.

The party at the Pinetop School Thanksgiving night was a nice occasion. The evening was most pleasantly spent by all present and a nice sum realized. Some of our boys had the lucky number and drew half of the nice cake made by Mrs. C. H. Burnett, and we greatly enjoyed it at our table.

At the public sales last week of Mr. R. J. Aiken and Mrs. W. T. Lumpkin, we learn that corn brought \$3.50 and \$3.75 a barrel.

Mrs. Frances Rice, after an extended visit to her daughter, Mrs. Eugene Glover, at Roanoke Rapids returned home last Friday.

Miss Annie Mason, of Chase City, spent Thanksgiving with her sister, Mrs. Elam Currin.

Mr. L. G. Breedlove, wife and little baby returned last week from a visit to relatives at Roanoke Rapids.

To the patrons of forty-ones and R. F. D. Routes, winter is rapidly approaching and the cold weather and rough roads are here. Patrons are expected to stamp their mail or buy stamped envelopes. Carriers are not required to pick pennies from the box. You may expect your loose pennies and your mail to be left in your box.

There are many who appreciate the service and stamp their mail, there are some who do not care how much trouble they give a carrier.

Patron, friend, can you not buy 25 cents worth of stamps and 5 cards at the time? Many of you can, many of you do. I sold one patron and a colored person at that \$1.10 worth of stamps today. This amount is more than many patrons have bought in eight years all told.

Have the No. of the Route you live on put on all of your mail. It saves time and work at the office and insures prompt delivery. We are sorry some folks are ashamed they live on a mail route, you ought to be proud of the advantages it gives you.

A Word of Explanation.

About getting half of the cake. It seems that the number which drew the cake was called, and could not be found, then it was thought right, and it was right, to cut the cake in half and give half to the number above and half to the number below the number that was called.

Mrs. Frazier, whose maiden name was Knott, and sister, of Mrs. W. N. Critcher, died at her home Saturday night near Person County, and was buried Monday afternoon at Mountain Creek Church. She was 70 years old and a good woman. We extend our sympathy to the bereaved.

To Members of the Secret Orders.

Dear Masons:—
To be proud that you are a mason, you need only to attend one afternoon Sunday service at the Oxford Orphanage or a Thanksgiving service there.

Dear Odd Fellows:—
To be proud of your Odd Fellowship, you need only to visit our splendid Orphanage at Goldsboro or know something of its workings as well as caring for the sick brethren at home.

Dear Woodmen:—
It is worth much to meet together sometimes and to know we are helping to support the widow and orphans of a deceased Brother.

Dear Junior Order:—
You too, are patternizing after the rest and trying to do good in the world. To all of these orders this writer is a member except the last mentioned.

I am sorry for the man who has to leave home every night or even three or four nights in the week to go to the lodge. He had better not belong to so many lodges or clubs and stay with his family some at night.

Now, see the point I wish to make. It is hoped that every honest working man whether he be a member of any of these orders or not will be able to carry a quart of oysters home to his family at Christmas time.

But, I deem it necessary and hereby so advise, for each of these orders to give an oyster supper to the members about Christmas Eve. It need not be expensive, just an oyster supper, nothing to drink at all but good hot coffee. We might have two fat hens for those who do not like oysters. We might invite the preachers to come, even those who are not members. This would be worth much to bring the boys together and spend a social evening. What do you say boys? It will only take ten gallons of oysters. Do not all speak at once, but when and where shall we have it?

WATCH YOUR HAIR LADIES.

Eternal Vigilance is the Price of Luxuriant and Radiant Hair.

If dandruff germs are devouring the nourishment that belongs to the hair it will soon begin to fall. Furthermore it will lose its life and lustre and will become dull, faded and even look slovenly.

If you have any signs of dandruff you ought to go right to your drugist today and get a bottle of PARISIAN SAGE. This delightful and refreshing hair tonic is guaranteed by J. G. Hall to kill dandruff germs, clean the head of filthy dandruff, stop falling hair and itching scalp or money back. And it does just what it is guaranteed to do and that's why its sales are so enormous the country over. PARISIAN SAGE is the favorite of refined women. One bottle proves its superiority.

Better schools, better roads, better health should be the watchword of every citizen of our country.

HOW WEAK WOMEN

May Be Made Strong at Small Expense and No Risk

There are hundreds of women in this vicinity, weak, thin, run-down, tired out and nervous. Such women need Vinol just as much as did Mrs. Jane Pepper, of 2307 Howard street, San Francisco, Cal., who says: "I have used Vinol for some time with particularly gratifying results. I was run down, weak and debilitated, and my appetite was gone. After taking several bottles of Vinol I found my condition greatly improved, and do not hesitate to recommend Vinol to anyone similarly affected."

Vinol is not a secret nostrum, but a delicious cod liver and iron tonic without oil, which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

Lightning Kills Few.

In 1906 lightning killed only 196 people in this whole country. One's chance of death by lightning are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, La., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c. at J. G. Hall's.

FOR YOUR HAIR.

Here Are Facts We Want You to Prove at Our Risk.

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.

But, when the hair roots retain any life, we believe there is nothing that will so surely promote hair growth as will Rexall "93" Hair Tonic. To prove that statement, we promise to promptly return all the money you pay us for Rexall "93" Hair Tonic, should it not please you.

Rexall "93" Hair Tonic destroy the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and, by promoting circulation, nourishing them.

Rexall "93" Hair Tonic helps to relieve scalp irritation, to remove dandruff, to prevent the hair from falling out, and to promote an increased growth of hair. It comes in two sizes, prices 50 cents and \$1.00. Remember, you can obtain it only at our store—The Rexall Store, J. G. Hall's.
